CHINESE DEMAND FOUR YEAR TERMS

TRIAL BY JURY ARE RECOMMENDED

When the case of Ging Jew, one of the Chinese arrested during the raid on the Siberia club, 25, 27 and 29 Ross alley, on July 18, when Wong Dick was shot and fatally wounded by Policeman James M. McEachern, was called in Police Judge Deary's court yesterday, Attorney Hanley, on behalf of the defendant, asked leave to withdraw the plea of not guilty and waiver of a jury, as he desired this kind of trial. The judge declined to allow the waiver of a jury to be withdrawn and ordered that the case proceed to trial, adding that in the other cases Hanley could demand a trial by jury.

BLUE BOOK CONVERTED TO CROWN KING EDWARD

Archbishop Reads Service From Between Home Made Covers

One of the curiosities at Lambeth Palace library is a book of the Coronation Service which was used by Archbishop Temple at the coronation of King Edward VII. This book (according to the "Church Family Newspaper") was delivered at Lambeth by the late Archbishop of Canterbury, who, as coronation, and actually took the form of an ordinary Blue Book with the familiar blue paper cover. Some one at Lambeth was so scandalized at the idea of the archbishop conducting the service, holding a blue book in his hand, that she tore the blue paper covers off, and with the aid of some paper boards, some white satin, a needle and some silk, improved a very passable cover for the book. It was with this home-made cover that the Archbishop used the book at the service.

STOCKTON WORKS ON CANAL SCHEME

Embryo Plans for Increasing Waterfront Five Miles Submitted by City's Engineer

[Special Dispatch to The Call] STOCKTON, July 26.—City Engineer Richard C. Tumely has worked out a scheme that will not only provide for the sewage disposal problem, but will also give Stockton a canal over two miles in length, with five miles of additional waterfront space. The proposition was unfolded before the city council at last night's meeting and met with the approval of that body. Briefly stated, Engineer Tumely's plan is: To purchase a 500 foot right of way through the Boggs tract from Harrison street to the San Joaquin river. This will be dredged to a width of 300 feet and a depth making it easily navigable for the largest of the river boats. There will remain 100 feet of wharf space on each side. The cost of the property is estimated at \$150 an acre, or approximately \$23,500. Dredging is estimated at \$65,000, making the total cost \$87,500.

VALLEJO TRUSTEES MAY LEGISLATE AGAINST FLOURISHING SOUTH SIDE SOCIETY

[Special Dispatch to The Call] VALLEJO, July 26.—Trouble is brewing over the recent incorporation of the South Vallejo social and improvement society, and the affairs of the concern are to be investigated by the board of city trustees at an early date.

The society was formed by a number of prominent south side residents for the purpose of promoting sociability among its members and for the improvement of municipal conditions in that part of the city.

The society now has a membership of 198. At its headquarters the club maintains a bar, where all members are privileged to purchase liquid refreshments. Complaints have been lodged with the trustees that women and schoolboys have been permitted to frequent the place, and it is further charged that the club is operated to the detriment of the two saloons in that vicinity that are required to pay a heavy license.

Some of the trustees say that the club is violating the ordinance, which permits only 50 saloons in Vallejo. The backers of the club declare that if the ordinance is legislated against they will see that the Elks and a number of negro clubs here are forced to give up their bars.

DAUGHTER WHO ELOPED IS CUT OUT OF WILL

Estate of G. B. Swortfeger Is Left to Son

[Special Dispatch to The Call] NAPA, July 26.—The will of the late George B. Swortfeger, pioneer of San Francisco and of Napa county, was filed for probate here today by his son, Thomas Swortfeger of St. Helena. The will leaves all of the estate, valued at \$60,000, to the son, Thomas, and the testator expressly cuts off his daughter, Mrs. Marie Swortfeger, from participating in the estate.

She eloped to Los Angeles six weeks ago with her cousin, Edward Swortfeger, and married him there against wishes of her father. Property in the estate includes a valuable block of land near Golden Gate park in San Francisco.

A physician who made a specialty of stomach troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membrane of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. They are the only stomach pills we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes; prices 25 cents, 50 cents and \$1.00. Remember, you can obtain them only at The Owl Drug Co., Inc., 710 Market st., 778 Market st., Post and Grant aves., 43 Kearny st., Sixteenth and Mission sts.

WOMAN RECOVERS HER REASON IN CULVERT

Week's Imprisonment Without Food Accomplishes Cure

DENVER, July 26.—Imprisonment in a railroad culvert for a week without food or water appears to have restored the reason of Mrs. Catharine Krohn, aged 60 years, of this city, who ran away from the home of her daughter a week ago and was found by a train crew today.

The woman was found tightly wedged between two planks in a culvert, lying on her back, her hands having attracted the attention of the train crew, which had been momentarily stalled.

The woman's body was covered with bruises and she was so weak she could scarcely speak but as she was carried into the home of her daughter she gave a weak smile of recognition and was able to talk coherently for the first time in many days.

She could not tell how she got into the culvert.
