BEAVERS BLAMED FOR GREAT DEFEAT

Diminutive Twirler Feeds Portland Shutout Ball and Third Sacker "Is There"

By JOSEPH MURPHY
The calcium was thrown with full force upon Oscar Vitt and Brownie Browning yesterday at Freeman's park, when San Francisco sent Portland to defeat for the sixth successive time.

Not a moment during the nine frames was there a period of dullness. It was a victory earned on its merits, and though the Beavers made a gallant effort to turn the tide which had been going against them for more than a week, they were up against a snag which they could not overcome.

Those who made the trip from this side and the fans on the other side of the bay got full value for their money, as one of the snappiest and fastest games of the season was dished up.

The numerous defeats sustained by the Beavers at the hands of Danny Long's men caused the managers to wake up. They certainly woke up, but their opponents were wide awake, too.

The champions' pepper supply was brimful, and they continued the brilliant work which has marked their playing for the last 12 days. The Beavers based their hopes on Seaton, who has been pitching good ball.

Browning, the little pitcher with a mighty arm, was the man selected from the Seals' staff of twirlers to continue the good work. No mistake was made by Captain Mohler when he sent Browning forth, for the diminutive moundman was there with a fussy variety. All the Beavers knew about his offerings would never help them to graduate to the big leagues.

HAS NORTHERNERS' NUMBERS
His puzzling variety had the northerners spellbound, particularly in pinches. When the test came Browning was as steady as the sphinx. He got better when the test was put up to him, and in the deciding inning he showed his merit by bowling the enemy over when they were against him.

Browning had to be good, for Seaton twirled an unusually good game, and if it had not been for Vitt's home run which he pitched into the enemy's hands with Browning. This was the only black mark against Seaton, and the one which cost him the contest. He was working like a well oiled piece of machinery, and his little luck breaking his way he would have gathered in the laurels.

Both twirlers seemed to have the batters high signed, and they did not waste many base ones, but kept putting them over with unusual regularity. The fielders were kept busy and they worked without many breaks.

Over at third base Vitt was playing the close ball like the basely hero you read about. He was making hard ones look easy and scooping grounders up with the greatest ease and tossing the batters out at first without a break. His fielding was of the sensational order.

Not alone was he in the limelight through his fielding, but his club swinging was also to be classed. The Seals were in the lead at the end of the afternoon and his poke in the sixth inning over the left field fence sealed the package for the champions. It was a timely swipe and a mighty one, too. It was the only run made and the only that won the game for the Seals.

In the ninth frame Vitt prevented the score being tied. Olson was on third base and he pitched to him, which he fielded, and he made a perfect return to the plate. It had to be a perfect throw or else Olson would have scored, and he pitched safely here you read about. He was making hard ones look easy and scooping grounders up with the greatest ease and tossing the batters out at first without a break.

Vernon vs. Oakland, at Los Angeles.

The Seals are taking a nice spurt and they are playing again in championship form. From their present get it looks like Long's team is destined to win another pennant. Nothing in the Beavers' work during the present series would indicate that the northern team will beat the champions. San Francisco has a nice lead now and should retain first place for some time. The Oaks won in the south, and unless the Beavers get going, the transbayners will be in third place and Portland will go another peg toward the bottom. Los Angeles continues to lose.

CLEVELAND, July 28.—Cleveland defeated St. Louis today, 2 to 1. Fanwell, the Virginia league recruit, made his local debut and held St. Louis to four hits. For an error by Lajole, he would have scored a shutout. Score: Cleveland, 2; St. Louis, 1.

Hunt and Nagle Both Twirl a Good Game, but Timely Hitting Decides

Then Schafer was substituted, and four more runs were scored. Hensling came next, in the seventh, and held the computers scoreless until the end. Score: Oakland, 8; Los Angeles, 3.

NEVADA UNIVERSITY PLANS SCHEDULE

Rugby Games Carded Against Pacific Athletic Association Takes Away Card of One and Suspends Another

By WILLIAM UNMACK
M. B. Kennedy, graduate manager at the university of Nevada, has scheduled a number of games for the coming football season. There are still one or two open dates that Kennedy will fill in before the university opens next month. The Nevada stadium has been sown with grass seed and the ground is one of the best fields for the Rugby game to be found anywhere on the coast.

L. S. Leavitt, at present in Australasia with the All America football team, will captain the Nevada university during the coming season. The Nevada schedule has been arranged as follows: September 17—University of LaCie, at Reno. September 24—Reno alumni, at Reno. October 1—Stanford, at Palo Alto. October 8—Olympic club, at Reno. October 15—Barbarian club, at Reno. October 22—Stanford, at Palo Alto. October 29—Stanford, at Reno. November 5—California, at Berkeley.

Manager Kaufman of Berkeley high school is at present in correspondence with all the Rugby playing schools and is desirous of arranging a schedule with them all. The only engagement that is so far a certainty is against their old rival, Oakland high. This game will be played toward the end of the season. The Berkeley school will play the Rugby game for the first time this season, but will have a fairly strong team of veterans of the old game. Of this year's team three of the stars will enter the universities. B. Sinclair, last year's captain, goes to Stanford. Oscar Steel, the crack tackle of the team last year, and Wiley, who played a good class of football at the high school, have both entered California university.

Of the veterans returning to Berkeley there will be Captain elect Hunt, M. Sinclair, Brunk, Captain last year, and other men who made a bold bid for the team last year and will try out for Rugby honors again, may be mentioned Mitchell, Vilas, Michels, Woods, the crack sprinter of the track team, Kimberlin and Brophy.

The Lowell high school football team will be exceptionally strong this season. Of last year's team they will return, and only four men who will not return, and with so many veterans and an over-supply of good material to make up for the lost men, their prospects look considerably brighter than any other Rugby school in the state. Flynn, and Cohn, the team is losing a trio of real stars at the Rugby game. Terru, a game little Jap, has decided to throw the towel in with Stanford university in his lot with Stanford university. The school has probably try out for the baby team. Flynn and Cohn have both gone to California university, and will be amongst the aspirants for Rules at present.

Agazelow and Smetzer, both former Lowell boys, but recently of Mission High, have decided to return to their first love, Lowell, and these men will be a valuable acquisition to the team. They will both be out for Rugby. Among the veterans who have returned to the school are Captain Leo Meyer, Tuffs, Grimes, Hall, Hayward, Quill, Potter, Parker, Maggs, Heacock. Other men who will try out for positions on the team are Marwedel, Hamman, G. Leek, L. Leek, Wiggins.

AMATEURS CALLED FOR TAKING CASH

Pacific Athletic Association Takes Away Card of One and Suspends Another

The registration committee of the Pacific Athletic association at its meeting yesterday took drastic action in the matter of two men who are said to have recently competed for cash prizes. James Cole, a colored runner, unattached, but holding an amateur card from the P. A. A. was cited to appear before the committee next Thursday and show cause why his card should not be permanently canceled. Cole is said to have competed against a professional runner at the Presidio athletic grounds some time ago. The committee decided to cancel Cole's card temporarily and if he can not clear himself at next week's meeting he will permanently lose his amateur status. M. J. Murphy, also unattached, was found guilty of competing for cash prizes at a recent picnic meet and his card was taken away permanently.

In the case of James McGee it was decided to give McGee a renewal of his registration card. In March, 1909, McGee joined the Columbia athletic club and in May of that year won a race, but a protest was lodged. The referee placed the matter in the hands of the board of directors of the club. They immediately took the matter to the P. A. A. McGee gave them verbal notice of resignation and joined the Irish-American club. He got his card under the Irish colors and competed, but his entry was immediately protested by the Columbia club, claiming that he had not paid his dues in the latter organization.

The committee decided that McGee had properly resigned from the Columbia club in June, 1909, and that for this reason he could not be in arrears. The committee decided, however, that McGee should not have competed for a year, as required. As the full year has now more than expired, the committee decided to let the whole affair drop. The members wish it distinctly understood, however, that in future this particular state of affairs will be severely dealt with.

Most of the absentees at the Gaelic club meet, held on July 17, have filed claims for the cup for the year, as required. As the full year has now more than expired, the committee decided to let the whole affair drop. The members wish it distinctly understood, however, that in future this particular state of affairs will be severely dealt with.

For the Pacific coast championship meet at Sacramento, September 3, the following program has been decided upon:
100 yards, 220 yards, 440 yards, 880 yards, one mile, five miles, 120 yards hurdle race, 220 yards hurdle race, broad jump, high jump, pole vault, shot put and hammer throw.

Legg started with a rush in the afternoon and won the first, 4-5, but the second was halved in 4. Legg rimmed the cup for a 3 from the edge of the green. Legg evened the match by holding a long putt on the third and winning 2-3. The fourth was halved in 5, but Legg was up for the first time in the match, when Wood missed a 3 foot putt and Legg won the fifth, 3-4.

The sixth and seventh were halved in par fours. Legg got into trouble playing the eighth and Wood evoked the match by winning, 4-5. Wood took the lead again by winning the ninth, 5-6, after hooking his second into the woods. Legg missed a three and a half foot putt on the tenth, and Wood won 3-4, making him 2 up.

Legg won the twelfth, 4-5. The thirteenth and fourteenth were halved, but Wood made it 2 up again by winning the fifteenth, 4-5. Legg missed an easy putt. The sixteenth and seventeenth were halved in par fives, and Wood won the match, 2 up and 1 to play.

Hunter had little trouble in disposing of Seckel by 4 up and 4 to play. He was 4 up at the end of the first 18 holes. Hunter was forced to play his sensational 68 in the afternoon, as Seckel played brilliantly, making a 71 for the last 18 holes.

The Evans-Clow match was a runaway, and the Onwentsia man never had a chance to win. Evans was 5 up at the end of the first 18 holes.

Wolgast and McFarland May Clash
NEW ORLEANS, July 28.—Tommy Walsh, match maker of the New Orleans athletic club, who has offered a purse of \$10,000 for a 20 round bout in this city between Ad Wolgast and Paeky McFarland on Labor day, announced today that he had received acceptance from both fighters, but with important reservations. The press is expressed here that Promoter Walsh will not be able to get the men to agree on the weight.

PARIS, July 28.—The Prix Kilt of \$1,000 for 3 year olds, distance 10 furlongs, was run at Maisons Laffitte today and won by J. E. Widener's Petropolis III.

EMPIRE CITY, July 28.—Magazine, nicely ridden by Archibald, won the Fleeting handicap here today. Melrose, the 3 to 1 favorite, was poorly handled. Summary:

AMATEURS CALLED FOR TAKING CASH

Pacific Athletic Association Takes Away Card of One and Suspends Another

The registration committee of the Pacific Athletic association at its meeting yesterday took drastic action in the matter of two men who are said to have recently competed for cash prizes. James Cole, a colored runner, unattached, but holding an amateur card from the P. A. A. was cited to appear before the committee next Thursday and show cause why his card should not be permanently canceled. Cole is said to have competed against a professional runner at the Presidio athletic grounds some time ago. The committee decided to cancel Cole's card temporarily and if he can not clear himself at next week's meeting he will permanently lose his amateur status. M. J. Murphy, also unattached, was found guilty of competing for cash prizes at a recent picnic meet and his card was taken away permanently.

In the case of James McGee it was decided to give McGee a renewal of his registration card. In March, 1909, McGee joined the Columbia athletic club and in May of that year won a race, but a protest was lodged. The referee placed the matter in the hands of the board of directors of the club. They immediately took the matter to the P. A. A. McGee gave them verbal notice of resignation and joined the Irish-American club. He got his card under the Irish colors and competed, but his entry was immediately protested by the Columbia club, claiming that he had not paid his dues in the latter organization.

The committee decided that McGee had properly resigned from the Columbia club in June, 1909, and that for this reason he could not be in arrears. The committee decided, however, that McGee should not have competed for a year, as required. As the full year has now more than expired, the committee decided to let the whole affair drop. The members wish it distinctly understood, however, that in future this particular state of affairs will be severely dealt with.

For the Pacific coast championship meet at Sacramento, September 3, the following program has been decided upon:
100 yards, 220 yards, 440 yards, 880 yards, one mile, five miles, 120 yards hurdle race, 220 yards hurdle race, broad jump, high jump, pole vault, shot put and hammer throw.

Legg started with a rush in the afternoon and won the first, 4-5, but the second was halved in 4. Legg rimmed the cup for a 3 from the edge of the green. Legg evened the match by holding a long putt on the third and winning 2-3. The fourth was halved in 5, but Legg was up for the first time in the match, when Wood missed a 3 foot putt and Legg won the fifth, 3-4.

The sixth and seventh were halved in par fours. Legg got into trouble playing the eighth and Wood evoked the match by winning, 4-5. Wood took the lead again by winning the ninth, 5-6, after hooking his second into the woods. Legg missed a three and a half foot putt on the tenth, and Wood won 3-4, making him 2 up.

Legg won the twelfth, 4-5. The thirteenth and fourteenth were halved, but Wood made it 2 up again by winning the fifteenth, 4-5. Legg missed an easy putt. The sixteenth and seventeenth were halved in par fives, and Wood won the match, 2 up and 1 to play.
