HONEYMOONERS ARE GUESTS OF HONOR

Mrs. Walter Manchester Entertains in Honor of Mr. and Mrs. Emerson Harley

OAKLAND, Aug. 1.—In honor of Mr. and Mrs. Emerson Harley Mrs. Walter Manchester received informally yesterday at tea, including two score or more friends in her invitation to meet the young bride and her husband, Mr. and Mrs. Harley are spending a few days in Berkeley before going to Berkeley, where they will be the guests of Harley's mother. Within the fortnight they will go north to take possession of their country home. The wedding of the Yolo county man and Miss Plum Dutton was an event of last month, quietly celebrated at the Manchester residence in Berkeley. Mrs. Harley was one of the best liked girls in the college town as well as one of the most beautiful.

The return of Ensign Allan G. Olson, U. S. N., to California and the orders which assign him to duty at the Mare Island navy yard will make him and his beautiful young fiancée, Miss Genevieve Pattiani, the inspiration for considerable entertaining during the coming season. The wedding will probably be named for a September date. Ensign Olson is attached to the Vicksburg, which is returning from a cruise of the Nicaraguan waters.

Senator George C. Perkins and his niece, Miss Alma Perkins, will leave this week for Tahiti, where they will enjoy the 10th season. Mr. and Mrs. Cleveland Baker had been house guests at "Palm Knoll" for a late summer visit.

Dr. George Frederick Reinhardt and Mrs. Reinhardt reached home last evening, returning from a tour of the continent which they have enjoyed since the early year. The charming young matron and her husband will be cordially welcomed after their long absence in California and the popular Berkeley physician and Miss Aurelia Henry, the daughter of Mr. and Mrs. W. W. Henry, was an event of last December.

Mrs. C. C. Clay, with her daughter, Miss Madeline Clay, and Miss Sue Harold will spend the early August at Tahoe, enjoying an automobile trip through the state.

Mr. and Mrs. James Marshall Steel are established in their new home in Berkeley after a honeymoon trip to the Yosemite park and the north. Their marriage was solemnized at a prettily appointed June wedding. Mrs. Steel was formerly Mrs. Bertha Frances Jurgens, the daughter of Mr. and Mrs. Charles Jurgens of Adeline street.

Uda Waldrop, who during the last year which he spent abroad has won the approbation of the London musical critics, will give a recital via this month. Waldrop is prominently known in the most exclusive musical circles about the bay. His studio in Berkeley is a center of artistic life. The young California pianist by his unusual gifts has commanded the attention of the English masters abroad has had splendid opportunities for study.

President Benjamin Ide Wheeler and Mrs. Wheeler have arrived in New York and will come directly to California. During the last few months they have been making a leisurely tour of Switzerland and England. Mrs. Wheeler has been abroad for more than a year. Doctor Wheeler returned from the continent a few weeks ago in the spring, but rejoined his wife at the beginning of the summer season.

Mrs. Frank Lamson Brown has reopened her residence in Vernon heights after the summer spent at her summer place in the Santa Cruz mountains.

Mr. and Mrs. William Ede will leave this week for Tahoe in company with Mrs. Catherine Ede and Mr. and Mrs. Burr Estabrook. The party will make the trip by motor.

The engagement of Miss Frances Soule, daughter of Mr. and Mrs. J. F. Soule of 1801 Central avenue, Alameda, and Ralph Emerson of Hoquiam, Wash., was recently announced at the latter place, where the bride and her mother are visiting. Miss Soule is the eldest daughter of the house. The wedding will probably take place in November. Emerson is a graduate of Stanford University and is the president of the Aloha lumber company of Hoquiam. He is a son of Colonel George H. Emerson, a wealthy lumberman of Washington.

NEW INTERPRETER IS APPOINTED AT COURT

Ernest Davis Fills Vacancy Caused by Gam's Death

OAKLAND, Aug. 1.—Ernest Davis has been appointed interpreter of court 1 by Police Judge Mortimer J. Smith. The appointment was made to fill the vacancy caused by the recent death of Gee Gam, the Chinese who served in the position for years. Gam died about two weeks ago while on his way to China with his family for a short visit. Davis comes highly recommended for his ability to converse in Chinese, Japanese, French, Spanish, German and other languages. He is in the employ of the Pacific Telephone and Telegraph company.

CONDUCTOR TRIES TO SHAVE OFF HIS TOE

Will Be Examined as to Sanity by Commission

OAKLAND, Aug. 1.—Robert W. Chanler, a Southern Pacific conductor, living at 3015 Encinal avenue, Alameda, tried to cut off his toe with a razor early this morning while temporarily deranged. Chanler has been a sufferer from paralysis for some time, and it is believed that the disease has wrecked his mentality. He was taken to the receiving hospital to await an examination as to his sanity.

HAYWARD MERCHANT WEDS HIS BOOK KEEPER

Marriage Takes Place Without a Public Announcement

HAYWARD, Aug. 1.—John Correira, a young businessman of this city, and his bride, Miss Rose C. Allen, were quietly married this morning by Justice of the Peace Charles Prosser, without informing their friends. Immediately after the ceremony they left on a honeymoon trip to Santa Cruz.

WIFE BALKED AT PAYING THE BILLS

Prominent Dentist's Spouse Says He Got Mad When She Refused

OAKLAND, Aug. 1.—The refusal of Mrs. Elizabeth M. Cory of Berkeley to lend her husband sufficient financial assistance to relieve him of the necessity of paying his household bills was the cause of the trouble that lasted for years in the family of Dr. Ben B. Cory, a dentist, formerly of Fresno, and which resulted in an interlocutory decree of divorce being granted today to Mrs. Cory.

She testified that it was not long after their marriage, which took place in Crows landing in 1894, that her husband told her that she would have to pay the family bills out of her own fortune. She had a ranch in Stanislaus county, and he wanted her, she said, to sell it so that the bills could be paid, and when she refused he became very angry. The breach between them widened until, in 1909, Doctor Cory told his wife that if she did not lend him and get a divorce he would.

A marriage that followed a week's acquaintance and in which repentance was almost as swift as that of James H. and Hendricks McLean, in which an interlocutory decree of divorce was granted the wife today. Mrs. McLean testified that her husband came to her home in April, 1909, bearing a letter of introduction. He proposed shortly after and they were married. About a month later he said he had to go to Humboldt county and induced her to give him stock worth \$1,500. McLean heard of him that he had stolen a horse in Nevada and had been sent to jail.

The following decrees of divorce were granted today: Marie against William L. Hartley, desertion; Martin against Anna Johnson, desertion; Ruth against Edmund M. Smith, desertion; Mathilda against Rudolph Prejem, cruelty; Florence against William Milroy, failure to provide; Hilgard against Ole Olsen, desertion.

YOUNG MATRON IS BACK FROM TRIP

Mrs. Hazel Knowles Marshall Returns From Year Abroad Spent in Study

BERKELEY, Aug. 1.—After a year spent in study and pleasure on the continent Mr. and Mrs. John A. Marshall have returned to their Durant avenue home. On the return trip they were accompanied by Mr. and Mrs. W. E. Knowles, Mrs. Marshall's parents, and her brother William and sister, Miss Rose Knowles, prominent residents of this city.

During her year abroad Mrs. Hazel Knowles Marshall studied under Joseph Lohvigne of Berlin, and her husband, who is a graduate of the university with the class of 1907, attended the University of Berlin, where he delved in higher chemistry. Mrs. Marshall is a brilliant pianist and vocalist and has appeared in a number of recitals in this city. Her talents were early recognized by her parents and she had the advantage of careful training here before commencing her studies abroad.

CONVICTED POSTMASTER IS REPORTED IMPROVING

OAKLAND, Aug. 1.—August A. Liljefelt, former postmaster of Alcatraz island, who was convicted of embezzling government funds, is reported to have a good chance for recovery from an attack of paralysis with which he was stricken a short time ago. Liljefelt was at the county jail serving a six months' sentence when he was afflicted. He was taken to Providence hospital.

ARE YOU "A BUNDLE OF NERVES?"

The danger of kidney sickness is that often it runs you down to the verge of collapse before you know what really is the matter.

If you are always tired, worried, weak, rheumatic, nervous—and suffer at the same time distressing urinary disorders and backache, don't lose sight of the probable cause—sick kidneys.

No other trouble wears more on the nerves than kidney sickness, for the blood may be full of uric acid poison, the effects of which are extremely irritating to the brain and nerves. Many a case of nervous collapse could be traced right back to kidney trouble.

When you seem unable to pin your mind to any task, your back aches and is so lame that you cannot do an ordinary day's work, it is time to give serious thought to this question: "Are my kidneys working right?"

The answer is in your condition. Sick kidneys, congested by a cold or some other unseen cause, slacken their filtering work. Uric acid circulates freely with the blood, attacking brain,

DEATH KNELL OF FIRE HORSE TO BE FRAMING CHARTER

Berkeley Henceforth Will Purchase Only Automobile Apparatus to Fight Flames

BERKELEY, Aug. 1.—The clatter of the horses' hoofs on the pavements of this city as the galloping animals pull the heavy fire engines to the scene of a blaze will give way shortly to the purr of the rubber-tired automobile to the accompaniment of the siren as it is driven by a fireman's chauffeur. The death knell of the horse as an adjunct to the fire department was tolled by members of the city council today on the return of Commissioner E. E. Norton, head of the department of public supplies, from Los Angeles.

Norton at once conferred with Mayor Hodghead and other members of the city council, who are strong in their conviction that the fire horse in Berkeley has seen his last day. Commissioner Norton left here about two weeks ago to make a trip to Los Angeles for pleasure and business. While away he devoted a greater part of his time to the interests of the city and investigated a number of automobile fire engines. He saw them in operation in the south, and said that they were more effective than the horse-drawn engines and cheaper to maintain. "They are cheaper and cleaner, and no reasonable objection can be made to a firehouse equipped with automobiles by any resident of this city," said Commissioner Norton. "They are powerful and no first class machine would be stalled on the Hearst avenue hill like one of the wagons was last week."

Mayor Hodghead believed that the short dash to fire was cruelly to animals, as it was a severe strain on the horses. He expressed the conviction that henceforth only automobile equipment would be purchased for this city. It is probable that Commissioner Norton will submit a report of this trip to the city council, asking that a certain type of automobile fire engine be purchased, bids for which were called for a few weeks ago. The new machine will cost about \$6,000.

FRUITVALE CARPENTERS WILL MEET IN NEW HALL

Union No. 1473 Plans Special Program for Thursday

FRUITVALE, Aug. 1.—Carpenters' local No. 1473, whose members include most of the carpenters in the annexed district, will hold its first meeting in the new carpenters' hall, which is being erected at a cost of \$10,000 at East Twelfth street and Fruitvale avenue, Fruitvale, Thursday evening. A special program will be held during the evening and the officers of the hall association, President O. L. Sparks, Secretary R. B. Ingalls and Treasurer J. Gold, will be called upon for addresses. The date for the dedication of the new hall has not been set.

RULES FOR BOARDING HOUSES ARE STRICTER

University Commences Investigation of Student Dwellings

BERKELEY, Aug. 1.—The university will be more strict this year than ever before in investigating boarding houses and hotels where the students reside during the college year. Notice has been issued that boarding house keepers will have until Friday to be placed on the list recommended by the university for occupancy by students. Milton G. Farmer, graduate manager and alumni secretary, has charge of the men's boarding houses, while Miss G. L. Bayley has charge of the houses for women.

HORTICULTURAL EXPERT REPORTS GOOD CROPS

Advises Fruit Growers to Make More Use of Spraying

OAKLAND, Aug. 1.—County Horticultural Commissioner Fred Seuberg made his report today to the board of supervisors, in which he declared that the crops of Alameda county were in good condition and commanding good prices. He recommended the more spraying to improve the quality of the fruit grown, and promised to give demonstrations of the value of sprays to the fruit growers.

Mother of 13 Children Gets a Gold Pin

ALAMEDA, Aug. 1.—Mr. and Mrs. P. F. Cavanaugh of 2012 Clement avenue, the parents of 13 children, today received a letter of congratulation from Governor A. W. Gilchrist of Florida. Accompanying the letter was a gold pin bearing the great seal of the state of Florida, a gift from the governor to Mrs. Cavanaugh.

WIDING GRADUATE FRAMING CHARTER

Former Student of University Class of 1907 Working on New Modesto Document

BERKELEY, Aug. 1.—Eugene I. Fisher, a graduate of the university and student of Chinese, has been elected one of the 15 freeholders to frame the new Modesto charter upon which the people of that city will vote in the near future. Fisher is a newspaperman in Modesto, having left here for an editorial chair about a year ago.

The young graduate, whose parents are residents of Long Beach, is particularly adapted for his work in framing the Modesto charter, as he was a student of political science at the university, besides devoting his time in the reading of history and law. He can speak the Chinese language and turned down an offer to go to China as an interpreter in order to make his home in Modesto. As an undergraduate Fisher was associate editor of the Daily Californian, the student paper, and also served on the staff of the Blue and Gold, his class publication. He was a member of the College of Commerce club.

RICHMOND, Aug. 1.—A big rally for the good roads, bonds was held at Richmond opera house this evening to close the campaign which has been in progress in Contra Costa county for several weeks. The election to determine whether a bond issue of \$1,450,000 for roads shall be voted will be held tomorrow throughout Contra Costa county. Much enthusiasm was shown at tonight's meeting.

Among the speakers were Ernest Scholz, J. M. Eddy, Edward Conlon, Charles Rihn and other leaders in the progressive movement. They felt assured that the bonds will carry tomorrow.

UNION WILL APPEAL TO STATE COUNCIL

Cement Workers Seek Approval of Salary Demands

SACRAMENTO, Aug. 1.—The local union of cement workers proposed to go over the heads of the local building trades council to the state council in the hope of securing recognition of its demands for an increase in wages. The local building trades council recently refused indorsement of the demands, which include a raise from \$3 to \$3.50 for mixers and from \$4 to \$5 for finishers.

CRUISER SOUTH DAKOTA IS TO GET OVERHAULING

"Steel Fighter" Goes to Navy Yards August 10

VALLEJO, Aug. 1.—The cruiser South Dakota, which returned yesterday from Monterey, will go to Mare Island navy yard on August 10 for extensive overhauling. All eight inch turrets will be remodeled and heavier stronger guns with a hydraulic elevating gear for the turrets will be installed. Considerable routine work on the South Dakota has also been authorized. The cruiser will be in the navy yard for several months, during which time the cruiser West Virginia and Maryland will be undergoing repairs. Upon the completion of the work in October, the three ships will leave here for anchorage in San Francisco bay under sailing orders.

TAXICAB INJURES A GARDENER AT STOCKTON

[Special Dispatch to The Call] STOCKTON, Aug. 1.—A taxicab crashed into A. Palocca's fruit wagon early this morning, knocking him to the pavement and badly bruising his back. Palocca was taken to the emergency hospital for medical attention. He had driven to town with other gardeners and was about to engage in the regular early morning trading when the taxicab bumped into his wagon.

COST OF LIVING RAISES SALARIES

OAKLAND, Aug. 1.—According to a report made today by County Superintendent of Schools Frick, the salaries of teachers have gone up during the last year to keep pace with the increased cost of living. Men teachers command greater salaries than women. The average salary paid in the county to masculine teachers last year was \$1,503, while the average for women was \$1,042.73. On the other hand, only \$2 out of the 817 teachers employed throughout the county were men.

The total receipts of money during the year amounted to \$1,665,051, of which \$550,200.12 went to the Oakland schools, \$243,271.60 to those of Berkeley, and \$169,007.01 to those of Alameda. Charles L. Bedenbach, principal of the McKinley grammar school of Berkeley, has been re-elected president of the county board of education.

Health and Beauty Talks

BY MRS. MAE MARTYN

A. W. A.: You say you can find nothing that will protect tender skin from the sun. Try this and I know you will not suffer from sunburn, tan or freckles. Dissolve four ounces of purpax in one-half pint hot water and add two teaspoonfuls of glycerine. Apply this, with the palm of the hand, to the face, neck and forearms in the morning and you will find it will not rub off or show like powder. It is a true complexion beautifier, for it restores and preserves the soft and rosy color of youth. This inexpensive lotion is especially fine for those who have dark, sallow or oily skin.

S. L. J.: Very few women are blessed with eyes that are naturally "beaming and radiant." Most probably those dazzling eyes you envy are the result of using a tonic to strengthen and brighten the eyes. Get from your druggist one ounce of crystals and dissolve it in a pint of water and you will have a perfect home-made eye tonic. One or two drops in each eye will relieve inflammation, dullness, redness and soreness. It will not smart or burn. Many persons with weak eyesight find they can't dispense with eye drops after using this tonic daily a month or two.

G. L. M.: "Shampoo" is a word of Hindoo origin and means "to lather, rub and wash the head." When using canthors for shampooing, dissolve one teaspoonful in a cup of hot water; pour on the head a little at a time and rub well—just as you would with an ordinary shampoo, then rinse the hair and scalp thoroughly with warm water. Canthors makes an abundance of lather and will remove that fine scurf of which you complain, for it is nothing more or less than dandruff. Don't use soap when shampooing, for it leaves the scalp hot and hard and causes streaks in the hair when drying. When you use canthors the hair dries quickly and is soft, bright, fluffy and not sticky.

Osiris: Have you tried to preserve your youthful looks? Is your husband and you getting old? Use Doan's Kidney Pills. Use Doan's cream jelly both as a massage and face cream and your complexion will be fine and free from blemish. Get from your druggist one ounce of Doan's cream jelly and mix it with a little water. Dissolve it in one-half pint cold water; add two teaspoonfuls of glycerine; stir well and let stand overnight. Then you have a cream that contains no oil or fats to make hair grow or cause the skin to become dark and greasy looking. As a treatment for blackheads it is effective and at the same time "milks" the pores, so that completely removes the pore-dirt and decreases the size of the pores, so that the blackheads will not return. Massaging with this aloe cream prevents roughness, removes wrinkles and keeps the flesh firm and plump.

SPORTSMAN and TELEPHONE

EVERY TIME a man wants to get away from all connection with the busy world, the telephone is an important helper.

The Local Service is useful in arranging his affairs at home, and the Long Distance Service of the Bell System helps him to decide where to go and what to take. By means of his Bell Telephone he can find out whether the fish are biting or the birds are flying, and whether guides or horses can be secured.

After he has been out awhile, if he wants to get word from the city the nearest Bell Telephone is a friend in need.
