

CAMPAIGN RECORD BREAKER

Great Race Will Start With Johnson's Return From Tahoe September 19

Well Oiled Organization Will Make Fight for the Entire Republican Ticket

By GEORGE A. VAN SMITH. When Hiram W. Johnson returns to San Francisco, September 19, it will be to enter upon a record breaking campaign directed by a thorough organization working as a unit from Humboldt to Imperial.

NEEDED GREAT PLATFORM

The perspective of a few days may be needed to impress on the whole people the significance of the platform adopted by the republican state convention on Tuesday.

DOUBTS VANISH

The organization of the state central committee went a long way toward resolving the doubts of some of the most conservative republicans. They had expected the appearance of the steam roller, the demolition of objectionable factions, the election of a directorate.

PERSONALLY RESPONSIBLE

None more fully than Johnson and the members of the state executive committee realize the element of personal responsibility brought to the fore by the coming of Johnson's qualified indorsement of every plank in the platform.

ORGANIZE MONDAY

The county committee will meet for organization on Monday night. An organization meeting was called a week ago, but adjourned to enable Johnson to take a train in the selection of officers if he chose.

TWO FOR CHAIRMAN

For chairman only two names are prominently mentioned—Ralph L. Hathorn and A. G. Boggs. Hathorn is a member of the state executive committee of the Lincoln-Roosevelt league.

HAD BID FAREWELL ON CHICKAMAUGA BATTLEFIELD

[Special Dispatch to The Call] SACRAMENTO, Sept. 7.—Forty-seven years ago, Jack Dineene and A. F. Baker, pals then, were taken off the field of battle at Chickamauga apparently dying. As they parted they shook hands, each thinking the other would expire in a few hours.

POPE'S CARDINAL FALLS IN A FAINT

Vannutelli, Representative of Pius X, Is Overcome at Brilliant Reception

MONTEAL, Sept. 7.—Cardinal Vannutelli, the aged representative of Pius X at the Eucharistic congress, fainted tonight in the midst of a brilliant reception given in his honor by the Canadian government.

There were 4,000 persons in the great drawing room of the Windsor hotel when Sir Charles Murphy, the secretary of state, caused the announcement to be made that the prelate was unable to continue the reception.

Doctor Cuernin, mayor of the city, however, advised him to abandon the reception and he was taken to the Episcopal palace. Several physicians offered their services, but to all the prelate said in broken English:

"I am just tired, that is all. You would not have a young man like me be frightened in the presence of my colleague, Cardinal Logue."

Cardinal Vannutelli had received perhaps 1,500 persons when he collapsed. He had intended to attend a night service at Notre Dame and the structure was packed to its capacity—about 15,000 persons—and 5,000 more were gathered outside when word came that the cardinal would be unable to be present.

Monsieur Bruchesi also intimated that it might be necessary to cancel several of the minor engagements of the legate, for it was evident his strength was being taxed.

The social features of the congress were begun this afternoon with a luncheon given by the provincial government. Sir Lomer Gouin, premier of Quebec, presided. Arrayed in their robes were archbishops and bishops from all parts of the world.

BING KONG TONG DRAIN INVO WAR

President Louis Toon Hires White Gunmen for Allied Suesy Sings

OAKLAND, Sept. 7.—The connection of Wong You, the wealthiest Chinese resident of this city, with the Suesy Sing and Bing Kong tongs has involved the powerful Bing Kong society in the tong war between the Hop Sings and Suesy Sings. Louis Toon of 365 Seventh street, president of the Bing Kongs, may fall a victim to the Hop Sing gunmen at any time, and he not only has a bodyguard and wears a shirt of Chinese mail next his body, but he has put three white men at the Suesy Sing headquarters, 365 Seventh street, in readiness for the next move in the fight.

This means that if more blood is shed by either Hop Sings or Suesy Sings, which the police realize may occur at any time, the Bing Kongs will enter the war for their allies, the Suesy Sings. If this comes about there will be another coalition of tongs such as was made three years ago, when the Bing Kongs, Suesy Sings and Suesy Dongs fought against the Hop Sings, Hip Sings and Suesy Sings.

Wong You is the pivot around which circles the politics of Oakland's Chinatown. A member of both the Suesy Sings and the Bing Kongs, he advances the money needed by both organizations in their wars and their members' business enterprises. His own business affiliations are represented by the Suesy Sings, which is the richest tong in the country.

[Special Dispatch to The Call] PORTERVILLE, Sept. 7.—Merle Nase, 12 years of age, confessed yesterday during the trial of Judge Wallace released had entered and looted no less than 10 houses, during the absence of the families on their summer outings.

Secretary J. M. Eddy of the chamber of commerce and L. H. Rodebaugh, traffic manager of the Central California traction company, are making arrangements for the trip.

The boosters' special will leave for Sacramento Saturday morning at 8:35 o'clock.

A number of San Joaquin residents have exhibits of fine stock and chickens at the fair.

Weather and Mishaps Hinder Aviator, Who Makes Only Brief Ascensions

Delegates to Stockton Session Anxious to Take in Admission Day Program

[Special Dispatch to The Call] SACRAMENTO, Sept. 7.—The Fiesta of the Dawn of Gold and state fair drew a large crowd to see Charles K. Hamilton soar in his new Hamiltonian aeroplane.

Owing to weather conditions and unfortunate mishaps the aviator was unable to make more than a few brief ascensions and the spectators had to turn their attention to the contests between the Wyoming cowboys and riders from all parts of California in various tricks in cow punching and horsemanship.

The preliminary rounds of the wild west tournament and the finals will be held on Friday and Saturday.

Orday of Newman surpassed all competitors in roping and tying a steer when he completed the trick in 32 seconds.

The sensation of the contests was in the bull dogging event in which the rider was required to ride up to a wild steer and jump from his saddle to the steer's back and throw the beast either by the use of his hands or teeth. Blaisdell of Los Angeles gave the best performance. It took him 33 seconds to do the trick.

Advertisement for Castoria medicine. Text: "Don't Poison Baby. FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison" The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. CASTORIA DOES NOT CONTAIN NARCOTICS, if it bears the signature of Chas. H. Fletcher. Letters from Prominent Physicians addressed to Chas. H. Fletcher. Dr. J. W.
