

JOHN JOHNSON TAKES REPUBLICANISM

Wins Ovation From San Diego County Men Who Opposed His Nomination

Enunciates Same Principles on Which He Began Fight Six Months Ago

By W. RUSSELL COLE

[Special Dispatch to The Call]

SAN DIEGO, Oct. 3.—"Human republicanism" was the name with which Hiram W. Johnson tonight christened the great national movement of political insurgency.

Here is a city where a strong democratic sentiment exists and before an audience of men many of whom were aligned against him prior to the primary election, the republican standard bearer declared in the most positive language his absolute adherence to the very doctrines with which he began his fight for the republican nomination six months ago.

Though he spoke to men who fought him bitterly at the primaries, and though he enunciated the same principles for which he then stood, he left the banquet hall tonight with the echoes of a spontaneous ovation still ringing in his ears.

HUMAN REPUBLICANISM

"It is human republicanism that I am preaching in the state of California now," he declared. "It is a republicanism that demands that the government shall control the interests and not the interests control the government. It is a republicanism that demands that every child, whether rich or poor, shall have an equal start in the race of life. It is a republicanism that exalts the human being above the mere dollar. It is a republicanism that demands, in fact, a government of the people.

Rather than be swayed one bit from the line upon which I began this fight six months ago I'd lose the governorship of the state of California and every vote in San Diego county. I began this battle with the one great aim in view, to win the election and the government of this state William F. Herrin and the Southern Pacific railroad, and in the fulfillment of that end they shall have no part. No compromise, hesitation, concession nor compromise. COUNTRY IS FOR HIM

"It doesn't make the snap of a finger's difference to me what any city in this state may do at the November election. I have traveled through the state within the last two weeks, from Siskiyou to Fresno and have come from Fresno here. Whatever the cities may do, I know that the country is right and it's going to win this fight just as it won the primary election. Where there has been one Democratic accession of a man who listens to the root of an engine or the rattle of a train of freight cars I've received a vote from a republican under the standard for which I stand."

"The country is for the man who is now speaking to you because it knows he is going to do just exactly what he says he is going to do and because it is afraid of the conservatism along these lines which has been so suddenly developed by my opponent. I believe everybody is entitled to know just what I am going to do. No lure of office nor reaching out after votes can change me one whit in the object I have set out for me to accomplish. I have set out to do within the republican party has been accomplished. The same result is going to be accomplished within the government of California."

San Mateo Meetings

[Special Dispatch to The Call]

REDWOOD CITY, Oct. 3.—The republican county committee has completed plans for a series of meetings to be held in the various towns of the county.

Following is the schedule: South San Francisco, October 7; San Mateo, October 10; Redwood City, October 12; Redwood City, October 15; Belmont, October 17; Burlingame, October 19; special meetings at Redwood City and San Mateo, October 22; Pescadero, October 24; Halfmoon Bay, October 25; Woodside, October 27; San Bruno, October 28; Sausalito, October 31; Colma, October 31; South San Francisco, November 3; San Mateo, November 5, and Redwood City, November 7.

ALL CANDIDATES FOR CONGRESS ARE QUIZZED

Brotherhood of Railroad Trainmen Propound Questions

CLEVELAND, Oct. 3.—President W. G. Lee of the brotherhood of railroad trainmen today made public a list of questions which he mailed to all lodges of his organization, the brotherhood of locomotive engineers and the order of railway conductors, to be submitted to all candidates for congress in this state, legislation affecting the stand on legislation affecting the three organizations.

"Counting our membership of 112,000 and their friends we control a million votes," said Lee. "These votes will be cast as the candidates answer."

The legislation brought into question follows:

Government providing for compensation to workers injured in the service of a railroad. An employers' liability law without a compulsory negligence clause, except in cases of misconduct. Government inspection of locomotive boilers. Compulsory arbitration, which railway workers oppose. An obstruction and clearance bill preventing the building of all structures near railway tracks. An anti-injunction bill. A bill allowing federal magistrates the same privileges as any other publication. A bill requiring the number of experienced workmen in a crew for handling for speed, limits to the 16 hour continuous service law.

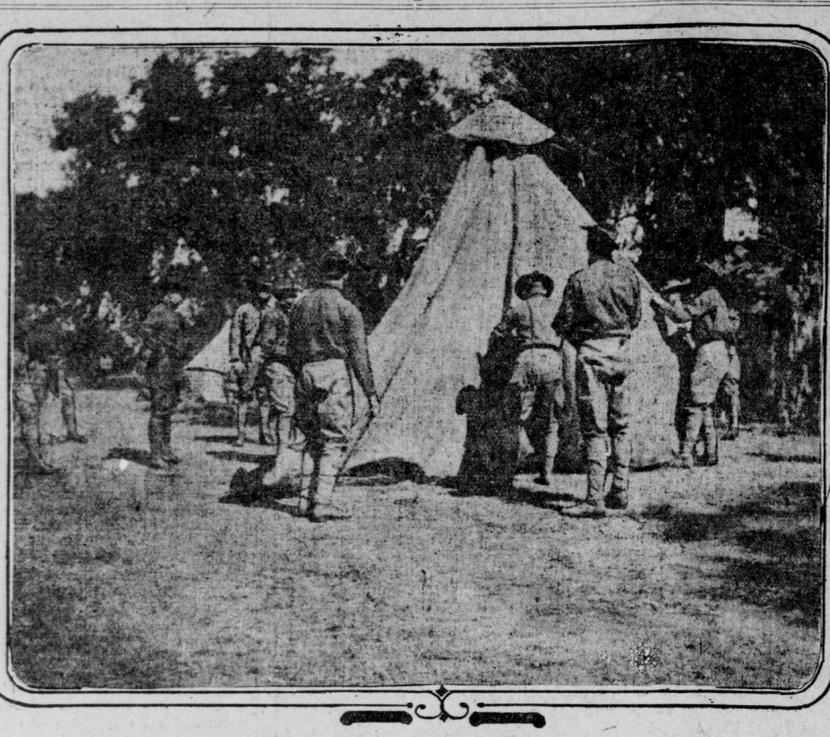

SAILOR IS DROWNED WHILE AIDING RESCUE

Swept Away Trying to Save Woman in the Hudson

NEW YORK, Oct. 3.—While trying to aid Ensign Charles Talley Blackburne of the battleship Kansas to save a young woman from drowning in the Hudson river today, a sailor, believed to be Eugene Audit of the Kansas, was drowned.

Blackburne and Audit jumped to the rescue when they missed her footing as she was stepping from a launch to a boat and fell into the water. Blackburne reached the struggling woman and managed to swim with her to the shore, where they were hauled ashore. Audit was caught in the swift current and was carried out into the river and drowned. The young woman was taken by other members of her party to a waiting automobile and hurried away. Her identity was not revealed.

GIRL WOUNDED BY SHERIFF MAY DIE

Wisconsin Young Woman Shot Resisting Arrest Carried to Hospital

WINTERS, Wis., Oct. 3.—Myria Dietz, the 21 year old daughter of John Dietz, who was shot Saturday when Sheriff Madden and two deputies fired on the Dietz children as they were driving to this town, was carried on a cot to the baggage car of a train bound for Chippewa Falls hospital today. A score of special deputy sheriffs armed with rifles stood about the train watching for John Dietz, who had threatened to come to town and prevent the officers from taking his daughter away.

The girl's condition is reported to be about the same as last night, although her wounds are said to be more serious than at first reported.

Sheriff Madden's order of martial law is still in force, although he is not attempting to prevent the telegraph company from sending press dispatches as he did Saturday.

Every able bodied man in Winters and the surrounding country has been sworn to come to town and help guard all roads approaching the town and are guarded by men armed with rifles, fearing an attack from John Dietz for the shooting of three of his children on Saturday.

Roy of an Alstine, a homesteader and one of the sheriff's party, moved his family into Winters, fearing an attack from Dietz.

John Leslie, a son, aged 20, who escaped from his home with a bullet hole through his right arm after the attack; Helen, aged 14 years; Johnnie, aged 7 years, and Mrs. Dietz are still in the sheriff's cabin at Camanche dam and can not be taken by storming with a heavy loss of life.

Will Attempt Capture

HAYWARD, Wis., Oct. 3.—Sheriff Madden of Sawyer county today issued a statement concerning the shooting of the Dietz children. He said that after consulting with District Attorney Davis he decided not to hire outside help, but capture Dietz with Sawyer county men. He secured Roy Van Thornburn, a neighbor of Dietz, and Fred Hornburn, a merchant of Radisson. He said:

"My two accomplices have the reputation of being the best shots in Sawyer county. After detailing the manner of holding up the wagon in which the Dietz children were driving to town, Sheriff Madden said:

"We demanded that they throw up their hands in the name of the law. They reached for their guns and we fired. We did not try to kill the Dietz children."

STATE GRANGE READY FOR RALLY IN NAPA

Important Action Will Be Taken to Aid Agriculture

[Special Dispatch to The Call]

NAPA, Oct. 3.—The state grange of California will open its session of four days at Flanagan hill Tuesday morning. Already a large number of delegates from San Francisco, San Jose, Santa Rosa and Tulare and San Joaquin counties have arrived, and there will be 200 here by Tuesday night. The Napa grange, of which F. L. Hunt is master, has made elaborate preparations for entertaining the visitors.

The following officers are in charge of the convention work: State master, E. T. Pettit of Santa Clara county; state secretary, Mrs. Emily Jacob of Visalia; overseer, F. J. Stiles of Tulare; treasurer, Joseph Holmes of Sacramento; lecturer, F. H. Babb of San Jose; steward, William E. Stewart of Danville; assistant steward, George Schmeitner of Elk Grove; lady assistant steward, Miss Etta Branscombe of Florin; chaplain, Mrs. C. F. Emery of Oakland.

Important action will be taken by the grange for the benefit of the agricultural interests of the state.

SCOUTS CAPTURED; BATTALION LOST

Regulars and Militia in Exciting Skirmishes at Camp Atascadero

[Special Dispatch to The Call] CAMP ATASCADERO, Oct. 3.—The "blue" army was badly routed in two lively skirmishes today, when it attempted to penetrate different sections of the "red" forces' lines. There was brisk firing and a large number of men were ruled out of action in each fight.

A mounted messenger dashed up to the "red" army's headquarters soon after breakfast with information that numerous mounted scouts of the "blue" cavalry were storming the "reds" outpost at Devils gate. The Thirtieth Infantry and gun platoon, under command of Captain Miller, was dispatched in double time to the scene. An advance guard was thrown out under command of Captain Reams, and the enemy was encountered at McCoppins pass. A short fight followed.

EIGHT SCOUTS CAPTURED

The blue forces had 30 men ruled out of action by the umpires, but succeeded in driving the enemy from his position and capturing eight scouts.

A call to arms sounded through the red camp soon after 1 o'clock and brought regulars and militiamen scurrying to their guns. The blue forces were again attacking the reds' lines.

A force of blue infantry was attempting to cut the railroad and telegraph lines at Assumption station. Major W. H. Wetheran of the Fifth California militia was dispatched with a force of militiamen. An exciting battle ensued and the reds were compelled to retire.

The militiamen displayed their worth in the skirmish by demonstrating their ability to fight. Captain Jenkins, the umpire, gave them praise.

LOST IN CHAPARRAL

The infantry regiments drilled in battalions in close order in the morning and were given simple problems in concentration and outpost duties in the afternoon. At least one battalion became lost in marching through the chaparral to concentrate at a point near Meyers, and their brethren were merry tonight. That more were not lost is an evidence that the officers knew how to read maps and march by them, as the country in this vicinity is very thickly wooded and rugged.

Companies A and B, signal corps, militia, received instructions today in the methods of establishing communication between two advancing infantry columns. Tonight they practiced signaling with acetylene lights and rockets. Lieutenant Paul Beck and Walter Prosser, regulars, were instructors.

SOUND REAL FIRE CALL

Fire call rang out at the Fifth infantry quarters this afternoon, when brush near the officers' camp caught fire. Detachments from all the regiments were sent to the scene and quickly extinguished the blaze with wet sacks.

Saturday night there will be a swimming contest between the militia and regulars at Panojo Robles. The sanitation of the camp is perfect. Rigid rules are enforced by the sanitary inspector, protecting the 5,000 regulars and militia from sickness. The staff officers were enthusiastic about the successful result of their 90 mile annual test ride, which they completed today. All are free from stiffness and physical defects.

The following officers are in charge of the convention work: State master, E. T. Pettit of Santa Clara county; state secretary, Mrs. Emily Jacob of Visalia; overseer, F. J. Stiles of Tulare; treasurer, Joseph Holmes of Sacramento; lecturer, F. H. Babb of San Jose; steward, William E. Stewart of Danville; assistant steward, George Schmeitner of Elk Grove; lady assistant steward, Miss Etta Branscombe of Florin; chaplain, Mrs. C. F. Emery of Oakland.

Personally Conducted Excursions East Leave San Francisco and Oakland three times a week. If going East or Europe write or call at Rock Island Offices, 1120 Broadway, Oakland, or 832 Market Street, San Francisco. C. A. Rutherford, Agent.

FOOD TRUST FINED; ORDER SET ASIDE

Court Dissolves Kansas City Produce Exchange, but Action Is Rescinded Soon

KANSAS CITY, Oct. 3.—Half an hour after Judge E. G. Porterfield dissolved the Kansas City produce exchange and fined three of its members an aggregate of \$8,500 today the court set aside both the order and the fine.

When the first court action was taken today none of the defendants in the suits had a legal representative in court. Within a few minutes after Judge Porterfield had fixed the penalties, however, W. S. Cowherd, attorney for the exchange, appeared and made strenuous protest against the action that had been taken. He said he did not understand that the time for the final hearing of the case had been set for today.

Judge Porterfield then set the case for hearing tomorrow morning. It is understood Attorney Cowherd will ask Judge Porterfield to appoint a commission to take the evidence in the case and submit a recommendation to the court.

Fines assessed today were: The Armour packing company, \$7,500; W. L. Grush commission company, \$500, and Hurst produce and commission company, \$500. Had the court desired it might have ordered the Armour organization to cease doing business in this state.

For years the custom has been for the exchange to meet daily at a hotel and fix the war prices on foodstuffs. A few months ago nine members of the organization were indicted, charged with operating a trust. Later Prosecutor Conkling made a civil case of the charges.

The companies named in the last suit were: Armour packing company, Swift & Co., C. W. Spencer & Co., the Merchants' produce company, Charles M. Marston & Co., F. W. Flynn & Co., the Hurst produce company, J. Hurst & Co., W. L. Grush & Co., the Trimble-Compton commission company, the A. W. Baers commission company, Aaron Baers, regulars, were instructors.

As no notice of the suit had been served upon Swift & Co., Judge Porterfield took no action on its case today. A court citation was made, however, ordering representatives to appear in court Monday to answer a charge that it had been violating the antitrust law.

CHAUFFEURS FINED FOR EXCEEDING SPEED LIMIT

Police Plan Crusade Against Scorching Motorists

Fines for exceeding the speed limit with automobiles were meted out yesterday to some of the chauffeurs who quickly took no action on its case today. A court cleanup of the "speeders" made Sunday afternoon. In Judge Weller's court Arthur Shuck was fined \$20, while 12 other drivers were dismissed with a lecture and warning.

Judge Conlan imposed a fine of \$5 each on Albert Bock, George W. Shaw Jr., William Valdaechl and Ole Toney, while nine other drivers were dismissed with a lecture and warning. The police declare the arrests Sunday are but the beginning of a crusade which will be waged incessantly against all auto drivers exceeding the speed limit.

TURKISH CAFE RUNS ON FINANCIAL ROCKS

Turkish dancers, coffee and pipes and the other allurements of the Alhambra cafe, located at 149 Powell street, failed to appeal to Bohemian San Francisco, and yesterday the corporation running the concern petitioned the United States district court to be declared a voluntary bankrupt.

While the liabilities of \$8,459 are only \$491 less than the value of the assets, there is no ready money, and the corporation is harassed by its creditors. The Western stair works of 2691 Mariposa street is also in financial difficulties, with liabilities of \$6,495 and assets of but \$1,691. The principal creditor is T. E. Pipe, who holds bills against the concern for \$1,212.

DEMOCRATS GREET BELL AND SPELLACY

Democratic Candidates Given an Enthusiastic Reception at Bakersfield

[Special Dispatch to The Call]

BAKERSFIELD, Oct. 3.—Amid the din of cowbells and the music of a band, Theodore A. Bell and Timothy Spellacy were given an enthusiastic reception by the Democrats of this city tonight. It was particularly an ovation to Spellacy, who has hosts of friends throughout the oil fields. He lived in this city for many years and has taken an active part in the development of the Maricopa and other districts.

A meeting that taxed the capacity of Armory hall tonight was the fourth of a series of meetings held in Kern county today. On all sides Spellacy was greeted with a hearty reception. Bell also came in for a hearty reception.

Early this forenoon the candidates, accompanied by Alfred Harrell, publisher of the Californian, T. A. Baker, candidate for sheriff, W. S. Boggs, J. A. Hughes, Tom Kilpstein and newspaper correspondent J. T. Bell and J. T. Bell and J. T. Bell also came in for a hearty reception.

Four Oil Fields Early this forenoon the candidates, accompanied by Alfred Harrell, publisher of the Californian, T. A. Baker, candidate for sheriff, W. S. Boggs, J. A. Hughes, Tom Kilpstein and newspaper correspondent J. T. Bell and J. T. Bell also came in for a hearty reception.

"I received all the votes but one in this precinct. I hope you will be as generous this time with me as you were with Theodore Bell. We shall do our best at Sacramento to give you a square deal."

BELL WINS APPLAUSE

Bell won the applause of his audience by declaring for "equal rights to all special privileges to none." In asserting that he and his opponent Hiram Johnson, were very good friends and had spoken from the same platform in the last municipal campaign in San Francisco, he endeavored to show that Johnson was an untried man. Bell argued that his should be the reward for starting and carrying on the fight against the domination of state politics by the Southern Pacific and other corporations.

C. W. Ayers of Taft then took Bell and Spellacy in his automobile and gave them a thrilling ride past the Lakeview gusher to Taft, where a fair audience listened to the two candidates. Justice Bell and J. T. Bell and J. T. Bell also came in for a hearty reception.

After luncheon at the Alford hotel Spellacy had Bell accompany him to the Mascof property, near by. Here about 50 men employed on the lease gave the two candidates a rousing welcome. The 50 mile drive back to Bakersfield was made by 6 o'clock.

James B. Bente, chairman of the county central committee, called the meeting to order in the armory tonight and presented as the chairman of the evening J. W. P. Laird, candidate for the assembly. Bell and Spellacy were given one of the best receptions yet accorded them during the three weeks they have been campaigning.

Bell and party will leave Bakersfield tomorrow morning at 7 o'clock via the Southern Pacific for Fresno, where a meeting will be held in the afternoon. They will leave Fresno in automobiles at 4:30 o'clock and hold meetings at Sanger at 5:30, Reedley at 6:30 and Visalia at 8:30 o'clock.

Democrats Form Club

[Special Dispatch to The Call]

NOVATO, Oct. 3.—Sixty-one democrats of this town met at Scott's hall here tonight and formed a permanent Bell-Spellacy club.

The members of the Bell-Spellacy club of San Rafael motored here and participated in the formation of the local club.

The following were elected officers of the Novato club: Thomas Sutton, president; W. A. Cassidy, vice president; T. Josephs, treasurer; A. Bidwell, secretary.

PUTTING ON AUTO TIRE IS WORTH BIG MONEY

Grand Larceny Proper Charge, Says Comedian Dill

Comedian Max Dill appeared in a new role yesterday when he took the stand in Judge Conlan's court and gave expert testimony as to the value of automobile tires. Dill caused the arrest of a chauffeur named Fred Reed on a charge of attempted grand larceny. The comedian charged that Reed had attempted to steal an automobile tire from his car. Judge Conlan was not sure a tire was worth enough money to sustain the grand larceny charge, and intimated that petty larceny should have been charged. Dill went on the stand and testified that six automobile tires cost \$60 each and that the anguish and hard work of putting a tire on enhanced its value to such an extent that there was no doubt in the world that an attempt to take the tire from a car constituted an attempt at grand larceny. Judge Conlan put the case over until 11 o'clock tomorrow morning.

BANISHED

Coffee Finally Had to Go.

The way some persons cling to coffee even after they know it is doing them harm is a puzzle. But it is an easy matter to give it up for good when Postum—properly made—is used instead.

A girl writes: "Mother had been suffering with nervous headaches for seven weary years, but kept drinking coffee."

"One day I asked why she did not give up coffee, as a cousin of mine had done who had taken to Postum. But mother was such a slave to coffee she thought it would be terrible to give it up."

"Finally, one day she made the change to Postum, and soon her headaches disappeared. One morning while she was drinking Postum so freely and with such relish I asked for a taste."

W. Frank Pierce, Who Is Critically Ill at His Home

ACCUSED ASSAILANT OF WOMAN ARRAIGNED

Police Seek Accomplices, One of Whom Escaped

Samuel Daisley, the man who was arrested for an attempted criminal assault on Mrs. Herbert Robinson, 2847 Folsom street, last Sunday night, was arraigned and allowed until Wednesday to plead to the charge by Police Judge Conlan yesterday. In the meantime the police are searching for Willie May and two other men who were with Daisley at the time of the alleged offense.

May was captured by Policeman H. Cook at the same time he arrested Daisley. As Cook considered Daisley the most dangerous of the two men, he handcuffed him and turned May over to a store keeper at Twenty-sixth and Capp streets to be guarded while the patrol wagon was being summoned. May broke away from the store keeper, and as he dashed from the store, Officer Cook took a shot at him. The bullet missed May, but tore through the coat of Dr. H. G. Ryan, 497 Guerrero street, who was passing on the opposite side of the street. Doctor Ryan escaped injury.

HEARSAY EVIDENCE OF DEATH WORTHLESS

Because a witness testified that he had seen H. A. King run over by a train at Taft, Mont., had seen him taken to a hospital at Wallace in the same state, saw him dying there and heard two days later that he was dead, but had not seen his lifeless body, the decision in favor of the two children, Margaret and Henry King, was yesterday reversed by the United States circuit court of appeals and remanded for a new trial.

GRAND MASTER OF MASONS IS DYING

Prominent Financier and Holder of Many Honors in Fraternity Sinking

W. Frank Pierce, grand master of Masons in California and holder, probably, of more Masonic honors than any contemporary in the fraternity, was reported last evening to be in a critical condition at his home, 1909 Chestnut street. His illness dates from two years ago, when his wife died. Since that time Pierce has been gradually failing in health. Doctor Moffitt was at his bedside last evening but no hope was expressed for his recovery.

Pierce holds highest honors in practically every branch of Masonry. He is grand master of Masons in California, inspector general of the Scottish rite for California, Arizona and Nevada, the highest office for the district in that branch of the fraternity; he is generalissimo of the grand encampment of Knights Templar in the United States, the third highest office in that branch, and grand treasurer of the grand chapter of Royal Arch Masons in California. He has been grand commander of the Knights Templar in California, and has held exalted rank in other branches of the Masonic fraternity. He is a thirty-third degree Mason in the Scottish rite.

Pierce was prominent in financial circles. He is president of the Bank of San Francisco, was largely interested in electric power enterprises and had many other interests. He was a man of considerable wealth and his circle of friends extended throughout America.

FIRE SWEEPS PAPER MILL—Plattsburgh, N. Y., Oct. 3.—The paper mill and pulp mill of the Lake Champlain mill company in this city was almost completely destroyed by fire last night. The loss is estimated at \$100,000.

NEVER HAD ANY ITCHING

After One Application of Poslam, the New Skin Remedy.

Whenever eczema is present on body, limbs or scalp, the first demand is for something to stop the continual itching. This poslam does. ("Never had any itching after the first application," says Mr. L. J. Brendlinger, Philadelphia.)

In trying the sample of poslam—which is mailed free to any one upon request by the Emergency Laboratories, 32 West Twenty-fifth street, New York City—it is best to use it on a small surface and compare in the morning with the surrounding skin not so treated, noting the vast improvement. Or watch its quick work in clearing the complexion (overnight) removing pimples, undue redness, rashes, eruptions, etc. Unless poslam has been used the best means to rid oneself of a skin affection has not been employed. Poslam has done the work in worst cases of eczema, acne, tetter, salt rheum, psoriasis, all forms of itch, etc., where relief could not be obtained by other means. Poslam is sold in two sizes (trial, 50 cent; regular jars, \$2) by all druggists, particularly The Owl Drug Co.
