WOMEN TO ERECT STEVENSON TABLET

Clubs of Napa County Unite in Building a Memorial on Mt. St. Helena

[Special Dispatch to The Call]
NAPA, April 24.—Clubwomen of Napa county will dedicate a handsome tablet to the memory of Robert Louis Stevenson on Mount St. Helena Sunday, May 7. The New Century club of Napa, Sierra club of San Francisco, Study club and Browns Valley club of Napa, the St. Helena ladies' improvement clubs will attend in a body.

The monument will be erected at the site of Stevenson's cabin, where the novelist wrote the story, "The Silverado Squatters." The Silverado was a silver mine on Mount St. Helena, which produced a rich grade of ore in the seventies and eighties.

The monument will consist of an open book of Scotch granite, with a quotation from "The Silverado Squatters" engraved in it, supported by a pedestal of quartz taken from the Silverado mine. It is being constructed by J. B. Newman of this city.

The plan of the Stevenson memorial was first conceived by the history and landmarks section of the New Century club of Napa a year ago. Mrs. W. T. Rutherford was the president of the club and Mrs. P. F. Powers the chairman of the history and landmarks section. The women of the St. Helena improvement club have rendered valuable assistance to the Napa women in raising funds for the memorial tablet.

A month ago local dramatic talent in this city produced a melodrama, "May Blossom."

PLAY RECEIPTS FOR MONUMENT
The proceeds went far toward making up the funds needed for the Stevenson tablet.

Fifty members of the Sierra club of San Francisco will attend the unveiling exercises. Railroad Man Writes Remarkable Letter

In 1903 and 1904 I was a terrible sufferer for about five months with kidney and bladder trouble. I could not sleep nights and was obliged to get up 10 or 15 times to urinate. I passed mucus and blood continually. One doctor said I was going into consumption and gave me up to die. Had two other doctors, but received no help from either of them, and am sure I would have been in my grave had I not seen your advertisement in the "Daily Eagle Star." After taking several bottles of Dr. Kilmer's Swamp-Root I was entirely cured.

In the last two years I have been a railroad fireman and have passed two examinations for my kidneys successfully, so that I know that my kidneys are in excellent condition now as a result of your great preparation.

Yours very truly,
GEORGE KENSLE,
1422 Mary st., Marinette, Wis.

Personally appeared before me this 25th of September, 1909, George Kensler, who subscribed the above statement and made oath that the same is true in substance and in fact.
