RIVERS AND KIRKWOOD BOX FAST TO A DRAW

Missourian Scores Knockdown at Start, but Mexican Keeps Coming Stronger

Young Joe Rivers, the Mexican feather weight, started for the first time in a San Francisco ring at Dreamland last night, and his opponent, George Kirkwood of St. Louis, held him to a draw. The contest was a wonder for speed and action, and had it gone a couple of rounds further there is no question that the Mexican would have registered a clean knockout, for he was coming fast at the finish and showed plainly that he is a Marathon performer and not a four round tapper.

Both boys were in excellent condition and at a fast pace. Kirkwood sprang a big surprise in the opening round by bringing over a snappy right to the Mexican's jaw and dropping him like a log. The house was in an uproar, but Rivers calmly regained his feet in two or three seconds and tore right at Kirkwood, so the punch, which looked like a very solid one, did not have much effect upon him.

The first round was all in favor of Kirkwood. Standing away and jabbing with his left and occasionally bringing over his right and then varying with an uppercut to the jaw, the Missourian held a commanding lead. The rushes of the Mexican were cleverly blocked by Kirkwood, and when he finished the round by flooring his opponent it looked as though he would surely waltz away with the verdict.

But it was Rivers' turn to wade in and switch the cut in the second period. He started after Kirkwood once more, but in a more determined way. He showed to advantage at the in-fighting and he never gave his man a moment's rest. Kirkwood, in the meantime kept peppering away, so the honors were just about even up.

Rivers kept up his aggressive tactics in the third and fourth rounds. Kirkwood showed a disposition to break ground and it was evident that he tired a bit when the Mexican bore down on him. The blows which Rivers landed to the body were not at all like the kicking of Kirkwood, which was clean and hard, seemed to eat them all up. The fourth and last round belonged to the Mexican, who landed a long bell tapped. He was right on top of Kirkwood all the time and he whaled away with right and left hands to the body. Kirkwood in the meantime did some fairly good blocking and side stepping and shot in an occasional left, but Rivers had him topped easily in this period.

The decision of Eddie Hanlon was well received, though many of the fans were of the opinion that Rivers should have received the verdict. However, it looked fair enough because Kirkwood was busy all the time, and while his work was not that of a professional as that of his opponent, still it was clean cut and clever.

Rivers is a good boy and will be heard from right along with the long distance route he should prove a bear. He is there with a good wallop in either hand, possesses plenty of gameness and has a clear head. He will learn a whole lot, and from his work last night looks as though he is a boy who is willing to learn and will improve rapidly.

The special event, a heavy weight contest between Joe Willis of Vallejo and Lew Taylor of Oakland, also went four rounds to a draw. Willis registered the only knockdown in the second round, but this was not enough to offset the advantage which Taylor had on his aggressiveness. Willis is not as good as he used to be a year ago, and will have a hard time coming back to top form.

Marty Kane and Jack Schiff also traveled four rounds on even terms. Kane was willing enough, but lacked the skill and the science to get at his more clever opponent. Schiff, who is heralded as one of the best boys of his weight in the northwest, will not do here if his performance last night is a criterion of his ability.

Sailor Gordon and Kid Lafayette furnished another four round draw. Neither of them showed much knowledge of the game and their work was rather rough. Soldier Duncan had little difficulty in putting a knockout over on the jaw of Buck Fitzpatrick in the third round. It was all Duncan from the moment the men stepped into the ring.

In the preliminaries Joe Gordon won a four round decision over State Land and Joe Hill and Al Burrow boxed a draw.

POOR BRITT BITTEN BY "COME BACK" BUG

NEW YORK, May 19.—"Jimmy" Britt, once a noted lightweight contender, is going to make a try for the title again. "But, first of all," he said, "I want a return match with the former champion, 'Bat' Nelson."

Britt stepped ashore today with a commission from Hugh McIntosh, the Australian promoter, to offer Jack Johnson a fight next September with the winner of the McVey-Langford bout.

Battling Nelson Is Stung by Same Insect
ST. JOSEPH, Mo., May 19.—Battling Nelson, who is visiting here, today wired Harry Pollock, match maker of the Twentieth Century athletic club of New York, authorizing him to arrange a match for Nelson with "Jimmy" Britt for September. Nelson is here with Eddie Bennie of San Francisco, who will meet "Jack" White on May 23.

COLLEGES READY FOR FIELD MEET

St. Mary's and Santa Clara Will Struggle for Athletic Honors Today

St. Mary's and Santa Clara colleges meet at 2:30 o'clock this afternoon in the third annual track meet on the St. Mary's stadium, and this will end the athletic activities between the two schools for the present semester.

In the sprints St. Mary's banks her hopes on De Benedetti and Leonhardt, while Santa Clara relies on Best and Captain Bronson. Martin and Stoitz, who finished first and second in the quarter mile, are again on hand and St. Mary's will also be aided by Doran and Latulipe. Santa Clara has Crane, Leake and Frianth entered in this.

Leake and Teall are a formidable combination for Vluh and McDonald of St. Mary's to overcome in the half, and this is likely to be the closest finish of the day.

King and Scholten, point winners in the two mile race, and this combination is likely to win for Santa Clara unless Coach Boek succeeds in uncoiling some good men from the list that is entering. Diller, Malloy and Smith are entered in both stick events. The weights look good for St. Mary's. Wharton has been increasing his mark and it is not likely that he will be beaten by any of his opponents. On his last year's record Barry is the best of the Santa Clara team. Stoitz and Greeley in the shot and Latulipe and Pistoles in the hammer are also possible point getters for St. Mary's.

The results of the high jump, broad jump and pole vault are doubtful. The relay is bound to be close if St. Mary's and Santa Clara's sprinters perform up to expectations, as St. Mary's team will be composed of veteran runners who hold the record for the event.

The student body officers of St. Mary's received a telegram from Brother Joseph yesterday morning in which he expressed his confidence in the track team's ability to win today's meet. Brother Joseph says this morning from New York for Antwerp, where he is to be stationed in one of the houses of the order of Christian Brothers in Belgium. News of the meet will be telegraphed to New York and will be sent to Brother Joseph at sea by means of wireless.

More Than 500 Athletes Meet Today on Stadium Track and Field

The annual outdoor track and field meet of the Public Schools athletic league will be held at the park stadium this morning at 10 o'clock.

The meet is one of the largest in point of entries ever held in this city, more than 500 grammar school boys having entered the various events. This long list of athletes represent more than 20 schools.

As in previous years the league has divided the boys into different classes, according to the weight system, so that in the competition there will not be an unfair advantage gained by large boys competing against smaller ones.

Last year Crocker and John Sweet tied for first place. The latter school is not as strong as last year, but in the competition there will not be an unfair advantage gained by large boys competing against smaller ones.

Mayor P. H. McCarthy has notified Athletic Director Peixotto that he will do his best to be on hand and, in some unforeseen official business will keep him away. The mayor is the honorary referee for the meet. The officials are as follows:

Honorary referee—Mayor P. H. McCarthy.
Referee—L. A. Wolf.
Clerk—A. Scholten.
Timekeepers—Fred Koeb, John Hammersmith, A. J. Clark, G. A. Scholten, William B. Peckham, assistant; Herbert Hauser and D. Erskine.
Judges of the finish—Henry Taylor, Thomas F. Boyd, John Thomas, Graham, William W. Wink, J. C. Astredo, Robert A. Ross, Leon Wing and Henry Raphael.

Inspectors—Alfred Rencovier, M. F. Moran, Brother Gregory, H. G. Vaughn, Henry Raphael, J. C. Astredo, Robert A. Ross, Leon Wing and Henry Raphael.
