Legal Tangle Solved by Award of Monthly Allowance for Minors

OAKLAND, June 8.—Relief was given today by Judge Brown to the three grandchildren of the late Mary Miller Dyer of Berkeley, who were in want in spite of the fact that their grandmother left them \$45,000. The court decreed that each of the children should have \$25 a month and that \$450 should be used in the payment of bills that have been incurred for their support since their grandmother died.

A peculiar legal tangle resulted from the will of Mrs. Dyer. She left her estate in trust for her grandchildren, all of whom are minors, until they came of age. She made no provision for their support in the meantime, trusting it is believed, to the operation of the law under which beneficiaries of a trust must be given money for their support out of the accumulated income. In this case, however, there was no accumulated income, as the debts of the estate amount to \$2,000, and the law directs that they must be paid first.

HAIR HEALTH

If You Have Scalp or Hair Trouble Take Advantage of This Offer

We could not afford to so strongly endorse Revell "32" Hair Tonic and continue to sell it as we do, if we were not certain that it would do all we claim it will. Should our enthusiasm carry us away, and Revell "32" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements and in consequence our business prestige would suffer.

Therefore, when we assure you that if your hair is beginning to unnaturally fall out, or if you have any scalp trouble, Revell "32" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness, you may rest assured that we know what we are talking about.

Out of one hundred test cases, Revell "32" Hair Tonic gave entire satisfaction in ninety-three cases. It has been proved that it will grow hair even on bald heads, when, of course, the baldness had not existed for so long a time that the follicles, which are the roots of the hair, had not become absolutely lifeless.

Recall "32" Hair Tonic is vastly different from other similar preparations. We believe that it will do more than any other human agency toward restoring hair growth and hair health. It is not greasy and will not gum the scalp or hair or cause permanent staining as is pleasant to use as pure cold water.

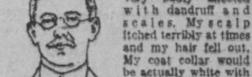

Our faith in Revell "32" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded without question or quibble if it does not do as we claim. Certainly we can offer no stronger argument, it comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at the Owl Drug Store, 775 Market street, San Francisco, and at all drug stores, Fillmore and Geary streets.

COAT COLLAR WHITE WITH DANDRUFF

Scalp Badly Affected, Itched Terribly. Hair Fell Out. Used Cuticura Soap and Ointment. Now Has Thick Growth of Hair and Is Never Troubled with Any Dandruff or Itching of Scalp.

"I am more than gratified by the successful results I obtained by the use of the Cuticura Remedies. For several years my scalp was very badly affected with dandruff and scales. My scalp itched terribly at times and my hair fell out. My coat collar would be actually white with the dandruff that had fallen from my head. My profession being that of a barber, it was particularly about my hair in good condition, and was in a position to try many lotions, etc., for the scalp. These had little or no effect. I had heard so much about the Cuticura Remedies that I resolved to try them. I shampooed my head with Cuticura Soap twice a week and after drying my head thoroughly, I anointed parts of my scalp with Cuticura Ointment. I was pleased from the outset, and continued to keep up this treatment. To think that only three cakes of Cuticura Soap and one and one-half boxes of Cuticura Ointment rid my head of this annoying trouble, made me quite contented. I have now got a thick growth of hair and I am never troubled with any dandruff or itching of the scalp. There is no question but that the Cuticura Remedies cured me. I frequently recommend them to my customers, and they think a great deal of them." (Signed) John P. Williams, 307 Norfolk Street, Dorchester, Boston, Mass., July 28, 1910.
