

EVENTS IN THE COUNTIES BORDERING ON THE BAY OF SAN FRANCISCO

OAKLAND HAS FIRST NOISELESS FORTNIGHT

Sports, Literary Exercises and Music Take the Place of Explosives

OAKLAND, July 4.—The national holiday was quietly but fittingly observed throughout the city today, the principal celebration being held on Lake Merritt under the auspices of the Merchants' exchange and other commercial organizations.

The ordinance against the use of fireworks in every form was rigorously enforced and the only sign of the oldtime July 4 was found at Lake Merritt, where day and night fireworks were given under a permit granted by the city officials.

The exercises at Lake Merritt began at 11 o'clock with an overture of national American airs by an orchestra.

Following the overture Major E. A. Sherman, a veteran of the Mexican war, raised the colors to the top of the flagstaff which had been placed on the platform where the exercises were held.

W. E. Gibson, chairman of the literary committee, then delivered a short address, after which Rev. William Day Simons of the First Unitarian church delivered the invocation.

Vocal selections were given by Clement P. Howlands, His "Swind of Bunker Hill," wartime melodies were sung by the "boys" choir of Appomattox post, G. A. R., in pleasing style.

Following the reading of the declaration of independence, the exercises were attended by about 3,000 persons.

At the Tomkins school playground, the program was similar to that at the Garfield. In the morning literary program the participants were: Miss Romona King, John Cava, James San-guinetta, Antonio Balino, Miss Dolly Wobbs, Antonio Dalto, Miss Katherine Shirk and several others.

The Clawson school playground accommodated several hundred children, who gave a morning parade of horribles, decorated floats and vehicles.

Events of the program included speaking, folk dancing, illustrated songs, and patriotic airs. There were athletic contests, and match games between teams of the playground.

Program at Richmond RICHMOND, July 4.—Independence day was celebrated with an elaborate program at Grand Canyon park today under the auspices of the Colonel John M. Stotsenburg camp No. 46, United Spanish War Veterans.

The exercises were attended by about 3,000 persons, the celebration being one of the largest ever held in Contra Costa county.

The program opened with a flag raising, which was followed by an assembly call. Following this the declaration of independence was read by Commander G. F. Russell of the McCourt camp, Berkeley.

Patriotic addresses were delivered by the different department commanders and by Mr. and Mrs. A. M. Duff, who were delegates to the recent convention of the camps and auxiliaries held in San Diego.

During the afternoon athletic contests were held, a feature being a ball game between two picked teams.

Beginning at 6 o'clock this afternoon a regatta under the auspices of the Dolphin swimming and boating club and the Olympic club was given on Lake Merritt.

The events consisted of a rowing regatta, swimming races, tub races, water polo, high diving, motor boat races and others.

Day fireworks were given at the close of the aquatic program and from 10 until 11 o'clock tonight a magnificent display of fireworks and set pieces was held on the lake.

Four bands furnished music at the lake throughout the afternoon and two bands were stationed in the city hall in the afternoon evening.

The executive committee in charge of the main celebration, which was held on Lake Merritt, was composed of A. Jones, chairman; E. A. Young, vice chairman; Theodore Gier, treasurer, and Wilber Walker, secretary.

PLAYGROUND PROGRAMS Children of the city held celebrations at the various playgrounds, where programs were given under the direction of the playground directors and the mothers' clubs.

At De Fremery playground there was a similar celebration, with a flag raising at 10:30 o'clock. The junior and senior girls gave dances and marches and several athletic events took place. A basket ball game between the De Fremery team and the Spartans was played, besides several

STATE CONTROL OF WATER IS URGED

Federal Irrigation Engineer Sees End to Litigation and Waste by Regulation

BERKELEY, July 4.—The agricultural development of the state is seriously handicapped by the lack of state control of the water sources, according to Victor M. Cone, irrigation engineer, who has issued a bulletin on "Irrigation in the San Joaquin Valley" under the joint auspices of the University of California and the department of irrigation of the federal government.

Cone complains of "too great opportunity offered for the unscrupulous land and water schemes, whereby the settler stands the loss."

There is plenty of evidence in various parts of the valley, where appropriators are running more water than their patrons can use, apparently for the purpose of establishing rights to as great a flow as possible.

This prevents other ditches from getting as much water as their patrons should have, and curtails further development. It waters the land and thus proves a loss to the settler, but by overappropriating this natural resource the promoter is enabled to sell land at a fancy price where no sales could be made if the lands were dry.

During the Mexican rule 17 grants of land, aggregating 63,000 acres, were given in the San Joaquin valley, and of this area 30,000 in the valley basin. They were early valued for their water rights, and were sold to a few men, who, by a combination of riparian and appropriator's rights, involved their neighbors in litigation, secured injunctions stopping others from diverting water for irrigation, and a separate lien for litigation and include litigation charges in the annual maintenance cost.

Much money has been wasted in the construction of irrigation systems which have had to be abandoned and some of which never carried water because of the fact that the water was appropriated in violation of the law.

An appropriation of water is valid can be determined only by constructing the canals and ditches and diverting the water which will precipitate litigation. This manifestly is wrong, and such wastes would not be possible if the state authorities had to be consulted regarding the validity of water rights before construction of heads, canals or ditches was permitted if the water supply were sufficient.

Within a fortnight Mrs. Lawrence Bogie will come to Oakland from her northern home to spend several weeks as the guest of her parents, Mr. and Mrs. W. E. Amann. Mrs. Bogie will be remembered as Miss Ethel Amann, whose wedding was a brilliant event of a few seasons ago.

Her husband will join her here, and they will return to their Portland home together.

Mrs. Horace Hussey and her daughter, Miss Evelyn Hussey, are established in their summer home in the Santa Cruz mountains for the season.

Mr. and Mrs. Ralph Kinney and their daughter, Miss Loraine Kinney, who spent several weeks in the Hawaiian islands, are being welcomed back to town. They have opened their home in East Oakland.

Director of Experiment Stations Visits Davis School

BERKELEY, July 4.—That the work of the university farm at Davis is a great benefit to the farmers of the state was the declaration of A. C. True, director of experiment stations of the United States, who is on the coast for a tour of inspection and to attend the meeting of the National Education association in San Francisco.

True inspected the farm yesterday, accompanied by members of the faculty of the University of California. It was his second visit to the school of practical farming, accomplishing much good," said True at his apartments at the Berkeley inn.

The experiments conducted there are of a practical nature and of every variety. The farm is a great help to agriculture.

PATRIOTISM AT CLAREMONT CLUB

Golf, Concert, Fireworks and Ball Make Up Independence Day Program

OAKLAND, July 4.—Independence day was celebrated at the Claremont country club in an informal way, although every detail was arranged to make the annual observation of the holiday as elaborate as usual.

A number of the best golf players of the Claremont club are in Del Monte for the tournament, while many more are spending the midsummer in Santa Barbara, where the links of the country club offer some good games.

Mr. and Mrs. Wickham Havens are planning an eastern tour for the midsummer, leaving this month for the Atlantic coast. They probably will go directly to New York.

Mr. and Mrs. Duncan McDuffie, formerly Mrs. Jean Howard Schoemaker, will sail Thursday from New York for Europe, where they will remain until the holiday season.

After an absence of two years, Mrs. W. H. Richardson will be welcomed to the bay cities within a few days. She plans to spend several weeks at the house guest of her father, Stephen T. Gage. Since her marriage several years ago, which took her to Dallas, Tex., to live, Mrs. Richardson has made many visits to her former home and kept up her girlhood friendships.

Mrs. George McNear, Miss Elizabeth McNear and Miss Elizabeth Sherman, who have been enjoying a year's travel abroad, will reach California within a few days. The trio will find a cordial welcome. Their itinerary included the orient, Egypt and the Holy Land.

During the latter part of the year, H. S. Dobbins and Mrs. Dobbins, with their daughter, Miss Rosemary Dobbins, will tour the orient. After completing a journey through Japan they will go to China to be the guests of Miss Dobbins' brother, E. Dobbins, who is engaged in important educational work in the orient and is director of one of the large colleges. Miss Dobbins has been prominently connected with the local clubs.

Mr. and Mrs. Milton Johnson are spending their honeymoon in Del Monte. A new home in the Claremont district awaits their return to town. Mrs. Johnson was formerly Miss Ethel Louise Perry.

Mr. and Mrs. Charles E. Parcels are spending the week in Salinas, having closed their Kingston avenue home over the holiday.

The summer place of Mr. and Mrs. Clinton Walker in Lassen county has been opened for the season and the young matron will remain there until the late fall. Mrs. Walker will have a number of the local smart set as her guests during the coming months.

Mrs. Horace Hussey and her daughter, Miss Evelyn Hussey, are established in their summer home in the Santa Cruz mountains for the season.

Mr. and Mrs. Ralph Kinney and their daughter, Miss Loraine Kinney, who spent several weeks in the Hawaiian islands, are being welcomed back to town. They have opened their home in East Oakland.
