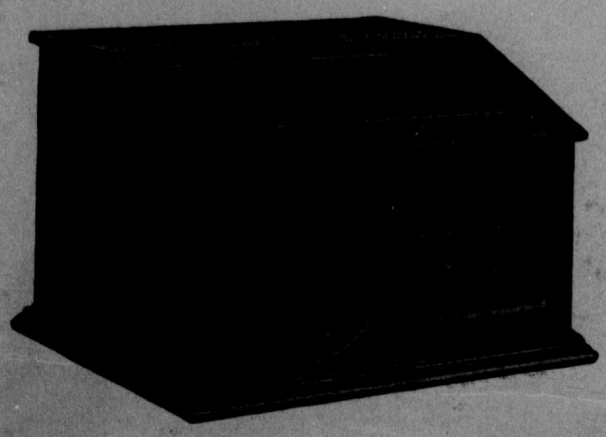
"SONORAPHONE"

The Perfected Talking Machine

THIS NEW HORN-LESS PHONOGRAPH
UNEQUALLED IN FINISH AND DESIGN
PLAYS EVERY MAKE OF DISC-RECORDS



So clear and loud it will fill a hall and has a tone softener for use in a small room. Its magnificent tone quality is not marred by the usual metallic scratch. We furnish not only superior quality needles in three tone values but also a

Sapphire Permanent Point

which may be used indefinitely without wearing your records. This is the first instrument made to combine every point of merit.
