

CARDINALS-TO-BE SALUTED BY RECEIVING THEIR RED HATS

Thousands Chant Farewell as Churchmen Begin Voyage to Rome

Archbishop Farley and Most Rev. Falconio Begin Devotions Before Sunrise

NEW YORK, Nov. 14.—Cardinals designate Archbishop John M. Farley of New York and Most Rev. Diomedo Falconio, apostolic delegate to Washington, sailed on the Kron Prinzessin Cecilia today for Rome. A throng of many thousands shouted and chanted farewells and good wishes for a mile along their path to the river. Each cardinal designate bared his head throughout the demonstration and bestowed his blessing.

"I have been for some time among the American people," said Archbishop Falconio, "and I admire and love them for their intelligence, their warm hospitality and their loyalty. My heart goes out in thanks to them for this magnificent farewell; my blessing is upon them."

Archbishop Farley said: "Please thank for me the American people for their many kindnesses. I leave my blessing with them." The cardinals designate were at their devotions before sunrise. At 8 o'clock they heard in St. Patrick's cathedral a chorus of 6,000 children's voices chanting hymns of farewell. At 9 o'clock an automobile was carrying them at the head of a long line from the cathedral to the Hudson river, through streets affluster with flags and bunting.

A squad of mounted police cleared the way and the train passed between thousands massed along the curb the music of brass bands scattered along the way was drowned in the singing and cheering.

At the foot of Fifty-fifth street the cardinals designate boarded the steamer Rosdale amid cheers and to the tune of "Onward, Christian Soldiers" by the band aboard. With Bishops Cusack of New York, Farrelly of Cleveland and Pitival of Santa Fe they held a reception aboard.

The Kronprinzessin Cecilia was stormed by followers of the cardinals designate, who flocked aboard, and it was several minutes after schedule time for sailing when it made its way into the river.

DAY BOOK PUBLISHED TO AID NEIGHBORHOOD WORK

Telegraph Hill Association Offers Dainty Calendars

"Rosemary for Remembrance, a Day Book by Elizabeth Hammond" is the title of a calendar of unusual literary merit and attractiveness offered for sale by the Telegraph Hill Neighborhood association for the holiday trade. It is a compilation of a series of clever, witty, apt quotations that show an unusually wide range of reading and a wonderful selective power.

The cover design and border decorations are the work of Henry Atkins. The proceeds of the sales of these calendars will go toward the debt incurred by the Telegraph Hill association in 1909, when the property in Stockton and Filbert streets was purchased and the neighborhood house was built for carrying on the social work in that section of the city.

A window of the White House has been given to the association this week to show the calendars and the exhibit of the San Francisco Housing association at the recent conference of charities and corrections. This is a model of a block on Telegraph Hill showing the houses there and also the dolls in the number of persons that live in the block.

This exhibit is an example of overcrowded and insanitary conditions and demonstrates the need for the work of the association in teaching the people better living methods.

The calendars are for sale.

PUBLISHERS URGE COMPLETE INQUIRY

Ask Governor to Continue Textbook Investigation

Asserting that the publishers of school textbooks in California had been misled by persons using the term "textbook rings" and "textbook trust" in connection with the recent investigation of the state printer, the managers of five publishing companies here yesterday wired Governor Johnson to continue the inquiry.

The publishers allude to Johnson's statement that the inquiry would be discontinued following the resignation of State Printer W. W. Shannon. They ask that the senate committee shall investigate until all phases of the educational and economic relations of the publishers with the state shall have been revealed.

In addition, the publishers ask careful scrutiny of their relations with the state board of education with regard to contracts about to be signed. Those who signed the letter to the governor were Fred T. Moore of the American Book company, S. C. Smith of Ginn & Co., C. H. Chilcote of D. C. Heath & Co., T. C. Morehouse of the Macmillan company and W. G. Hartman of Silver, Burdett & Co.

OPERA SINGER FAILS TO APPEAR FOR TRIAL

Court Threatens Bench Warrant in Perjury Case

When the case of Rose O'Day, member of the Lombard Opera company and known behind the footlights as Rose Rankin, charged with perjury, was called in Police Judge Shortall's court yesterday morning, the defendant did not appear. Her attorney told the court that he did not know where she was.

Shortall informed the attorney that unless he appeared in court this morning, bringing proof that Miss O'Day is still in California, he will issue a bench warrant for her arrest.

The perjury charge against the opera singer was made by Professor E. S. Bonelli, money lender and music teacher, of 401 Fillmore street, who has been named by Dr. George W. Leek as correspondent in his suit for divorce against Mrs. Jessie V. Leek.

Miss O'Day recently testified in the superior court that she saw Bonelli and Mrs. Leek coming from a lodging house at Fifth and Market streets in 1904.

MELODY OF "LES HUGUENOTS" TO RING OUT GRAND OPERA OPENING TONIGHT

Stars who will appear in "Les Huguenots," which will open the opera season at the Valencia tonight.

GREAT DEMAND FOR SEATS AT VALENCIA

Stars of Grazi's Company Will Sing the Principal Roles in Meyerbeer's Masterpiece

A brilliant audience will welcome the opening opera tonight at the Valencia theater when Grazi's Paris Grand Opera company appears in Meyerbeer's masterpiece, "Les Huguenots." Nearly every seat in the big theater was sold yesterday and as the opera is presented is calculated to display the strength of any company which attempts to present it. San Francisco will know tomorrow morning whether the French organization will answer the musical needs of this community and whether it is fit to provide it with opera every season.

"Les Huguenots" calls for a big cast of singing principals, a big and harmonious chorus, a competent ballet and effective stage settings. The fact that Grazi chooses the Meyerbeer masterpiece as the initial offering is regarded as evidence of his confidence in his company.

Mme. Vallemont will sing the role of Valentine; Mme. Ruiss will appear as Urbano; Mme. Chambellan will sing Marguerite. M. Affre, one of the stellar tenors of the company, will appear as Raoul; Marcel will be sung by Colglio and the roles of De Nevers and St. Brle will be sung by M. Espaa-Carric and M. Demangue, respectively.

"Faust" on Friday night will serve to introduce an American prima donna who has never sung in her native land. Mme. Richardson will be heard as Marguerite. She is a native of Boston, but has been in Paris for the last eight years and was engaged from the Gaiete-Lyrique by Grazi.

Mme. Gustin will be heard in the role of Siebel; Mme. Tarry will sing Martha; Pascal-Wronsky will sing Faust and Demangue will be heard in the role of Mephisto.

Rehearsals yesterday afternoon pointed to a splendid performance of the opening operas. The orchestra is of symphonic proportions and the chorus and ballet are trained to a point approaching perfection. The principals will prove, it is promised, artists of the first class.

ATTORNEY SUES CITY TO RECOVER TAX MONEY

Special Levy for Geary Street Railway Attacked

The special 20 cent tax levy of 1907-1908 made by the board of supervisors June 24, 1907, to cover the cost of the initial steps in the proposed Geary street municipal railway and for an increase in the salaries of primary and grammar school teachers, which was passed over the veto of former Mayor Schmitz, is the basis of a suit against the city filed in the superior court yesterday by George D. Perry, an attorney, with offices in the Mills building, to recover \$5,218.62 alleged to have been collected illegally.

The levy was in excess of the dollar limit as prescribed in section 11, chapter 1, article 3 of the city charter, and further that the objects specified did not come within the purview of the law limiting such special levies to matters of great public necessity.

Perry is attorney for 15 claimants named in the complaint, the largest of whom are John F. Boyd and the Hooker Estate company.

RESERVE SOME CHRISTMAS MONEY FOR TAG DAY

Proceeds From Sale on Dec. 23 Is for St. Joseph's Orphanage

Out of the Christmas money that San Franciscans are beginning to set aside, the friends of the Mt. St. Joseph's orphanage are hoping there will be enough to buy Christmas tags on December 23, which has been designated as Tag day. Archbishop P. W. Riordan has addressed an open letter to the public asking co-operation in the Charity bazaar that will open at Bagley hall, December 2 and continue for seven days.

The purpose of the bazaar and tag day is to provide a fund of approximately \$150,000 with which to meet payments for the construction of a new orphanage. The new home is already under construction and \$75,000 is available. A Charity ball will be held at the Scottish Rite hall, November 17, and a cafe chantant and card party at the St. Francis hotel on November 25 in aid of the fund.

Tickets for the ball are on sale at Sherman, Clay & Co.'s store.

WIFE CHARGES PERJURY—William E. Morrison, who was arrested last week in Portland, Ore., on a warrant charging perjury, was brought back to San Francisco yesterday. Morrison is accused by his wife, Mrs. Kate Morrison, of swearing falsely in a divorce action. He was arraigned in Police Judge Sullivan's court and the case continued until tomorrow.

GIRL SAYS SHE SWORE FALSELY

Daughter of Florist Serveau En- deavors to Clear Him of Heinous Crime

The case of C. E. Serveau, a Fillmore street florist, arraigned on a statutory charge preferred by his 15 year old daughter, Zoe Serveau, came to a halt in Judge Cabaniss' court yesterday, when the daughter repudiated her testimony given in the preliminary hearings in the police court. She asserted yesterday that her father was innocent of the offense charged, and that she had made the accusation originally because her father had cruelly whipped her. The judge continued the case until today at 10 a. m. to enable the prosecution to produce additional evidence.

CATARRH OF THE STOMACH

A Pleasant, Simple, But Safe and Effective Cure For It.

Costs Nothing to Try

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloated sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue, and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure of this common and obstinate trouble is found in a treatment which causes the food to be ready, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do, and when regular digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harrison, the safest and best treatment is to use after each meal a tablet composed of Diastase, Asceptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

The plan of dieting is simply another name for starvation, and the use of prepared foods and new fangled breakfast foods simply makes matters worse as any dyspeptic who has tried them knows.

As Dr. Bennett says, the only reason I can imagine why Stuart's Dyspepsia Tablets are not universally used by everybody who is troubled in any way with poor digestion, is because many people seem to think that because a medicine is advertised or is sold in drug stores or is protected by a trademark it must be a humbug, whereas, as a matter of truth, any druggist who is observant knows that Stuart's Dyspepsia Tablets have cured more people of catarrh of the stomach, indigestion, heartburn, heart trouble, nervous prostration and run-down condition generally, than all the patent medicines and doctors' prescriptions for stomach troubles combined.

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals.

For sale by all druggists at 50c a box. Send your name and address today for a free trial package and see for yourself. Address: F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

CLUB IS PLANNING SCHOOL OF AVIATION

Plans of the Pacific Aero club for the establishment of a school of aviation took definite shape yesterday with the announcement that a tract of land in Marin county, on the bay shore east of Corte Madera, had been leased for four years by the organization. The club proposes to erect hangars and to lay out a field for aviation meets should the school be successful.

Soft, Velvety Skin For Every Woman

(From Housekeeping Magazine)

Frequently the excessive use of powder or cosmetics causes the skin to become furrowed, sallow or blotchy, and a prematurely aged look to the complexion then follows. An excellent lotion for removing wrinkles, "moth patches," blackheads and other complexion defects, can be made for a trifle by dissolving a small original package of mayatons in a half-pint witch-hazel.

This lotion, massaged into the skin, quickly frees it of all impurities and makes it clear, smooth and richly beautiful. The continued use of the mayatone lotion will give to the complexion a rich embellishment impossible any other way, and as long as it is employed no powder is necessary.

'I'LL REMAIN CHIEF' WHITE DECLARES

Head of Police Department Dis- credits Rumor That Resig- nation Will Be Asked

In spite of rumors to the contrary, Chief of Police White declared yesterday that he would remain head of the San Francisco department when the McCarthy administration vacated in January.

For several weeks the chief topic around the hall of justice has been White's chance to stay in the chief's chair.

"Do you believe that you will remain chief of the department after McCarthy vacates?" White was asked yesterday.

"I think so," he answered, as he began to sort a pile of papers.

"Suppose, chief, that Mayor-elect Rolph asked you to resign, what then would you step out?"

"Wait until Mr. Rolph asks me," said White, apparently not surprised at the question. "Then I will consider it. The police commission has the power to say whether I am to stay or not and my fate is in his hands."

White then switched to the Chinatown situation. Monday night the chief changed the entire personnel of the Chinatown squad and his reason was the time worn statement that "it was for the good of the department."

"I do not believe there is gambling going on in Chinatown," he said. "Lieutenant Sylvester is an efficient officer and did his duty in that quarter, but I believe that a change should be made in that detail every three months. The officer in charge of the squad must work from 15 to 18 hours each day. That is too much for one man to stand for longer than three months and, hence, the reason for the change."

BURNHAM ANSWERS WIFE ABUSED HIM

Blows Struck in Public Is One of Charges Made in the Cross Complaint

In a cross complaint filed yesterday by Robert Leslie Burnham of the Burnham Plumbing company, 1312 1/2 Buchanan street, in answer to the divorce petition of Helen Louise Burnham, he denies her charges of cruelty and makes the counter accusation that his wife repeatedly struck him in the face in streets of the city, September 2, 1911. Answering the charge that he endeavored to prevent her from giving medicine to their baby, he said that he merely remonstrated with her when she threw the child violently on the bed in a fit of anger over the spilling of the medicine.

He said that he was willing to have his wife return to him, as he attributed their difficulties to outside influence and did not hold her entirely to blame.

The Burnhams were married in this city August 7, 1907, and separated September 7 of this year. Mr. Burnham asks for \$40 a month alimony and \$100 counsel fees.

Following the failure of Charles Hansen, a carpenter, to answer a summons to show cause for his failure to pay \$90 accrued alimony, Judge Van Nostrand in the superior court yesterday ordered him committed to the county jail for five days and a bench warrant was issued for his arrest. Mrs. Rose Hansen obtained a divorce from him about six months ago on the charge of desertion and was awarded \$25 a month alimony.

An interlocutory decree of divorce was granted yesterday by Judge Van Nostrand to Valine K. Chatfield from George K. Chatfield for failure to provide.

The following divorce complaints were filed yesterday: Dolores against George Blighelmer, Florence against G. M. Thomas, cruelty; John D. against Iva Campbell, desertion.

More than 50 valuable automobile robes which have been stolen during the last month were recovered yesterday by Detectives Murphy and Driscoll with the arrest of Frank Johnson in a Third street lodging house.
