

RONCOVERI FINDS ONE JOB TOO MANY

Superintendent Declares There Is No Need of Overseer of School Buildings

Raleigh P. Hool, Long Recording Secretary of Board, Quits Service of City

C. W. Meehan was named at the meeting of the Board of Education yesterday as superintendent of buildings and repairs, vice Lincoln B. Regan, whose resignation will take effect May 15.

Superintendent Roncoveri declared that he did not see the use of such an official at a salary of \$175 a month, in view of the fact that all repairs must be done by the board of public works. He said that the board of public works has many inspectors, so many that they are stumbling over themselves.

President D'Ancona said that when complaints come as to the need of repairs some one must visit the place to determine what has to be done and he did not think any member of the board of education could make personal examination.

The matter was postponed for one week for further discussion.

REINSTATEMENT REFUSED. Raleigh P. Hool, for thirteen years recording secretary of the board, having received an advantageous offer of a commercial position, tendered his resignation which was accepted.

Director Power was requested to prepare a set of resolutions to be presented to the secretary.

Rev. Mr. Parker of the Plymouth Presbyterian church appealed to the board for accommodation in one of the schools in Potrero, as a teacher for twenty-five or more Russian adults who want to be instructed in civics, government and citizenship. The matter will be given consideration in conference.

Director Power offered a resolution that the board provide an amanuensis for each school principal to enable the principal to devote all his time to teaching and classes. He said that under the present system about one half of the time is taken up in answering telephone calls. This will be discussed in conference.

REINSTATEMENT REFUSED. Helen B. Moyer made application to be reinstated as a teacher. She was appointed a substitute, but refused to report for duty. Her request was denied.

The Courtland avenue improvement association suggested that additional ground be purchased in the vicinity of the Junipero Serra and Portola school to meet the growing demand for a new school in that vicinity.

The Fair Oaks Planting association was granted the use of one of the auditoriums for a lecture this evening on beautification.

The board accepted an invitation to attend a lecture to be delivered this evening in the Junipero Serra school building by Rogers, under the auspices of the South of Army Street association. The subject will be "Playgrounds."

USE OF SCHOOL SOUGHT. The Park-Richmond improvement club made application for the use of the Frank McCoppin school auditorium for regular meetings twice a month. Action on the request was deferred for a week.

The Horace Mann school was granted the use of the high school auditorium in which to hold graduation exercises on June 26.

Principal Murphy of the San Francisco commercial school was granted an audience with the board at 4 o'clock to-morrow afternoon for a discussion of the course of study.

The Parents and Teachers club of the Sherman school was granted the purchase of a lot adjoining the school for a playground.

J. W. Sweeney, on behalf of the Mission Heights improvement association, made an appeal for playgrounds in the immediate vicinity of the Edison school. This will be considered in conference.

The fire department made application for two school lots in the Richmond District. This request was referred to the building and grounds committee.

Elizabeth Harvey and Catherine Lehany were granted leave of absence.

SAN FRANCISCO EAGLES ARRANGE FOR PICNIC. Annual outing to be held at Shell Mound.

The annual picnic and reunion of San Francisco Aerie No. 5, Fraternal Order of Eagles, will be held Sunday, May 26, at Shell Mound park. A special feature of the program will be a tug of war between members of the fire and police departments.

Bats for the park will leave the ferry at intervals of 20 minutes. At the park there will be contests, entertainments and dancing. The picnic committee consists of: W. C. Clark, chairman; W. C. Clark, vice chairman; C. F. McCall, secretary; C. F. Williams, treasurer; G. A. Newman, A. Fiedler, B. Busch, Charles Kennedy, R. Welch, C. F. Ludwig, H. Goldman, J. Newbert, Charles McCall, John Donahue, A. Newman, A. Fiedler, E. S. Sieman, J. W. Bonney, George Bryan, George D. Bogan, John Horgan, A. Schiller, T. Meagher and J. W. McCarthy.

DETECTIVES GET SIX IN POOLROOM RAID. Max Wagner's Place Is Scene of Alleged Gambling.

Under orders from Acting Chief Shea, Detectives Redmond and Jones raided a poolroom run by Max Wagner at 134 Mason street yesterday and arrested the proprietor and five visitors. They were betting on the Idaho races.

Redmond secured charts and tickets, which are held as evidence against Wagner. Wagner's name of William Wilson. While being booked he attempted to erase several figures from a blackboard.

Redmond also raided a room on the thirteenth floor of the Metropolitan Bank building in the afternoon and arrested Marty Rose on the charge of visiting a gambling place.

WOMEN'S TAFT LEAGUE MEETINGS ARE POPULAR. Speaker Each Afternoon Addresses New Voters.

Large audiences continue to assemble each afternoon at the headquarters of the Women's State Taft League in the Hotel Sutter building to hear arguments of different republican orators.

Maurice E. Harrison, a local attorney, set forth many reasons why Taft was entitled to a second term yesterday. Particular attention was called to the many acts of friendship which Taft has done in behalf of San Francisco.

W. E. Dennison of Oakland is to be the speaker at 3 o'clock this afternoon.

Rose Day Turns City Into Flower Garden

Characteristic scenes in the streets yesterday. Doctors' Daughters are pinning blossoms on Mayor Rolph and Policeman Richard G. Spain.

Thousands Buy Blossoms From Pretty Doctors' Daughters for Charity

From the ferry building to Mason street and from Market to Sutter the downtown district yesterday was a veritable garden of roses. The Doctors' Daughters, who celebrated their annual flower festival, maintained booths in all the stores, hotels and office buildings and sold blossoms of every variety for the benefit of their charity fund.

The exact amount of the day's proceeds will not be known until next week, but the probabilities are that they will extend into the thousands.

Every man and woman, and even the children, who were out yesterday responded generously to the flower vendors. Some even went so far as to ask for the flowers when they had not intended to buy.

Not did the buyers stop at the 10 cents which was carefully written upon each stand as the price of a single blossom.

Senator Robert N. La Follette, who lunched yesterday at the Palace, was accosted by pretty Miss Ethel Davis of Santa Barbara with a yellow Marshall-Nell.

"How much is it worth?" he asked, and she answered: "As much as you think."

In response he placed a \$5 piece in her hand.

Mayor James Rolph Jr., on his way to his office, bought a boutonniere for \$10.

Secretary of State Philander C. Knox was another generous contributor to the cause. Miss Lurline Matson was among the fair vendors at the St. Francis during the noon hour, and accosted Secretary Knox in the hotel lobby.

For the rose alone Secretary Knox offered her \$1, but if she would pin it on his lapel he would increase it to \$4. Needless to relate Miss Matson gladly performed the pretty service.

CHARGE OF BLOCKING THEATER AISLES FAILS. As the result of arrests made by Corporal David Russell of the Richmond police station and the subsequent dismissal of the charges in the police court, Irving Ackermann, proprietor of the Republic theater, is considering the advisability of preferring charges of unofficerlike conduct against Russell.

Morris Lebovitz, manager of the theater, was arrested again by Russell two weeks ago for the alleged blocking of the aisles. In Police Judge Deasy's court yesterday the charge was dismissed.

Several witnesses said that the theater on the night in question was not crowded and when Russell made the arrest there were plenty of seats to be had and no one was standing.

'Send Off' Given Delegates to Dallas Convention at the Weekly Luncheon

The regular weekly luncheon of the Advertising association of San Francisco, held at a down town cafe yesterday afternoon, was in the nature of a grand sendoff for the delegates from this city who will leave for the advertising convention at Dallas Saturday.

Henry G. Longhurst of Sacramento, president of the Pacific coast division of the Associated Advertising clubs of America, addressed the club. Much fun was created by the presentation to President William Woodhead of the local club of a birthday cake, with the appropriate number of candles.

DELEGATES FROM CITY. Louis Honig, W. R. Danvenport and R. C. Jewell spoke briefly on the Dallas trip, and the number of delegates going from the Pacific coast to the convention was announced.

There will be 65 representatives of the San Francisco club, five from the Class Advertising association, four from the Berkeley Ad club with Frank H. Abbott Jr. as delegate at large, 12 from the Oakland Ad club with Fred C. Hall as delegate at large, four from the Alameda Ad club with W. W. Cooley delegate at large, three from the San Jose Ad club with Alvin Long delegate at large, 20 from the Los Angeles Ad club with E. K. Hook as delegate at large, 10 from the San Diego Ad club with J. H. Philbrook delegate at large, four from the Honolulu Ad club with Charles R. The Home Industry league will send a delegate, and Florence J. O'Brien, secretary of the state exposition committee, will accompany the party. At Salt Lake City on Monday delegates from the Salt Lake, Portland, Seattle, Vancouver, Walla Walla and Spokane ad clubs will join the train.

LOCAL MEN TO SPEAK. Four members of the San Francisco club have been asked to speak at the convention. Ayres, "Commercial Literature," and George P. Edwards, "Trade Papers of the Pacific Coast."

All the Pacific coast delegates are going to the convention with the determination to bring the 1913 convention to San Francisco.

HOME IS DISRUPTED BY THE TIPPING EVIL. Picture Man's Wife Says He Made It \$10 at a Time.

After several ineffectual ventures in the divorce court, Frances E. Clapham yesterday obtained from Judge J. M. Seawell an interlocutory decree from August John Clapham, moving picture man and oil land operator. The decree was based upon a report of Court Commissioner John F. Tyler. The division of the community property and the question of alimony were settled out of court.

Mrs. Clapham filed a divorce complaint in 1910, in which she charged her husband with infidelity, naming a waitress as the co-respondent. It was alleged by Mrs. Clapham that her husband won his way to the waitress' heart by liberal tipping, beginning with 10 cents and ending with \$10 at a meal. Later, Clapham alleged that his wife sought to obtain control of his interests in a moving picture company by using dummy directors. Neither suit was pressed to trial. The last complaint was filed February 14, 1911, and contained charges of desertion.

The following were granted interlocutory decrees yesterday: By Judge Trout—Christie E. from Henry E. Ostrom, desertion; By Judge Hunt—Heater from C. A. Locke, cruelty; By Judge Graham—Katsuya from Sonaya Ichinose, failure to provide.

The following divorce complaints were filed yesterday in the superior court: Margaret against Philip A. Ray, cruelty; Cora Jane against James Toland, cruelty; Emma H. against Frederick E. Neweller, desertion; Elizabeth against Wesley G. Stewart, cruelty; Grace G. against John D. Bentley, failure to provide.

GOSSIP OF RAILWAY MEN

JUST how the Panama canal is being dug, and why, will be revealed to the California Association of Traffic Agents at a smoker in the Manx hotel next Friday evening.

President W. D. Wells, who is also superintendent of the California-Atlantic Steamship company, and who has just returned from a trip to the isthmus, will do the talking, and an eloquent discourse is promised, in which the clank of the great dredgers will be heard, the chugging of locomotives, the wind sighing through the palm trees and other sounds incidental to the construction of the big ditch.

These noises will be made offstage at proper periods in the discourse. It is understood that Secretary Harrington will take the part of the clanking dredgers, and help represent the wind sighing through the palms. Librarian G. H. Anker will be responsible for the locomotives chugging. Director J. W. Engle will endeavor to reproduce the murmur of foremen communing with the eager Panamanian help.

The association is looking forward to its annual dance at Eagles' hall, Golden Gate avenue, May 29. But that is another story.

H. C. Bush, traffic manager of the Colorado Midland, with headquarters at Denver, is in town being greeted by his old friends in the Santa Fe and other offices. Bush was formerly with the Santa Fe here. He reports that Colorado will give California a close race as a fruit producer sooner or later, and that the railroads there may handle 10,000 cars of fruit this season.

James F. Moses, city ticket agent of the Santa Fe, left Honolulu Tuesday on the return trip to San Francisco.

Charles Orcutt, contracting freight agent of the Cotton Belt, has been compelled by severe illness to resign his position. Orcutt is an old railroad man here, and numbers his friends by the thousand.

George W. Wetherby, formerly secretary to E. Wade, has been made overland ticket clerk for the Southern Pacific at the offices in the Palace hotel.

C. W. Henry has been appointed vice president and general manager of the Lake Tahoe Railway and Transportation company, with headquarters at Lake Tahoe.

The annual convention of the American Association of General Passenger and Ticket Agents will be held in Seattle September 12 next.
