

They All Pull for San Jose Sectionalism Is Forgotten

OUR NEIGHBOR IS SUPE OF BEING A SEAPORT CITY

Banquet of Boosters a Big Success; Other Cities Send Well Known Speakers

SPECIAL DISPATCH TO THE CALL
SAN JOSE, Nov. 21.—On the eve of an election that undoubtedly will change San Jose, by the annexation of a 10 mile strip of territory, from an inland city to a seaport, 250 of the leading men of Santa Clara county, from Palo Alto to Gilroy and from Los Gatos to Evergreen, gathered at the widely heralded boost banquet of the Port San Jose organization tonight at the Hotel Vendome.

The speakers were from Oakland, San Francisco and Los Angeles. Enthusiasm ran high and one spectacular feature after another kept the boosters cheering and applauding.

The bitterness that was apparent during the three cornered race between San Jose, Santa Clara and Sunnyvale to reach the bay apparently has not survived the new spirit of anti-sectionalism born of good fellowship at the banquet. Henry E. Hoff, president of the boosters' association, presided, and introduced the toastmaster, Willis S. Clayton, president of the First National bank of San Jose. Mayor Thomas Monahan welcomed the visitors.

The speakers were William R. Wheeler, representative of the San Francisco Chamber of Commerce, who spoke on "Deep Water"; Joseph E. Scott of Los Angeles, who told the story of "Los Angeles by the Sea"; H. C. Capwell of Oakland, who addressed the gathering on "The Merchant, the Shipper and the Port"; and N. Richmond, president of the San Jose Chamber of Commerce, who told of the work of that body and what it hoped to establish in the way of docking facilities on the city's new water front.

NEW YORK EXPOSITION CHIEFS DUE MONDAY

Banquet for Site Commissioners Set for Tuesday; Visitors Stay Until December 1

The New York exposition commission will arrive Monday night. Norman E. Mack, former chairman of the democratic national committee, will head the delegation.

The New Yorkers have accepted the invitation of the local New York society to attend the "vacation day" banquet Tuesday. The banquet was postponed one day to accommodate the visitors.

They will remain until the morning of December 1. During their stay they will dedicate the site for the New York building at the exposition grounds. The empire state has already made an appropriation of \$700,000 for the building.

A telegram was received yesterday by the state railroad commission from John M. Eshleman and Max Thelen, its delegates to the convention in Washington, D. C., of the National Association of Railway Commissioners, reporting that the association has decided to hold its 1915 convention in San Francisco. Hitherto all the conventions of the association have been held in Washington.

FIRE DEPARTMENT TEST IN CIVIL SERVICE SET

Examinations to Promote Battalion Chiefs to Engineers' Posts in February

At the regular meeting of the civil service commission last night it was announced that examinations for promotion of battalion chiefs to assistant chief engineers of the fire department will be held in February after the examinations for policemen and clerks.

The fire commission submitted to the civil service commission a transcript of testimony in the case of Lieutenant Franklin Smith of the fire department. Frank P. Kennedy, secretary of the fire commission, said that Smith was not suspended, but merely relieved from duty temporarily because of lack of proper accommodations. The papers will be submitted to Mayor Rolph for ultimate decision.

At the next meeting of the civil service commission the list of eligibles for inspectors of the municipal railroad will be announced, followed later by the announcement of the eligibles for engineering draftsmen, motormen and marine engineers.

SHIPMENTS OF FRUIT CAREFULLY WATCHED

Seizure of Fruit Artificially Ripened Made in Chicago on Information From Washington

WASHINGTON, Nov. 21.—Extra precaution is being practiced by the inspectors of the department of agriculture and the bureau of chemistry in watching all shipments of fruits from distributing centers for artificially ripened or colored fruit.

On information furnished by the department here the first seizure of fruit artificially ripened was made in Chicago several days ago. This case is being closely watched by a chief detective of the chemistry bureau, as future operations will depend largely on the outcome of the Chicago action.

In the Chicago case at present in the courts, libels were filed against five cartons of oranges, the proceedings being directed against the fruit growers instead of against the shippers or the consignees.

Fairness to all, malice toward none is the policy of the New Independent Call.

EDUCATORS BACK RECALL

Three Faculties Represented on Petition to Oust Indicted Senators

SPECIAL DISPATCH TO THE CALL
SAN JOSE, Nov. 21.—Bearing the signatures of members of the faculties of the universities of Stanford and Santa Clara and the College of the Pacific, the petition of Herbert C. Jones, recall candidate for the state senate from the twenty-eighth district was filed today by Prof. R. L. Green, chairman of the progressive county central committee. Jones is the candidate agreed upon as the recall opponent to Marshall Black, the imprisoned secretary of the Palo Alto Building and Loan association, whose seat in the senate will be contested at a special election on January 2. The gate was set by acting Governor A. J. Wallace in response to the petition of the local progressives.

LOST ENVELOPE LEADS TO BANDIT'S IDENTITY

Name of the Dead Shasta Holdup Is Positively Established

SPECIAL DISPATCH TO THE CALL
REDDING, Nov. 21.—An empty envelope addressed to a butcher in Towles and picked up near Delta the morning following the holdup of the Shasta Limited a week ago last Friday was the means of identifying the two bandits as Frank Martinez and Joe Bresida.

Martinez, who was killed by a trainman in the holdup, is buried in Redding. The police are still hunting for Bresida, but they have a fairly good description.

The empty envelope was taken by Sheriff Montgomery to the butcher in Towles, who said it had probably been used by him to give away some salt for traveling hoboes, who frequently buy meat and beg for salt. He always hands out the salt in an envelope discarded from his opened mail. The postmark date caused Sheriff Montgomery to inquire of the Pacific Gas and Electric company's timekeeper regarding dispatches about that date. The books show that Frank Martinez and Joe Bresida had taken their time October 30.

It was found also that they had cashed their checks with a merchant in Blue Canon next day. It was not known when these facts were gathered that the dead bandit had already been identified in Redding as Frank Martinez, a fisherman, by a miner from that state.

Photographs of the dead bandit in several poses were sent to Towles and Blue Canon, and the Towles butcher, timekeeper and Blue Canon merchant identify the dead man as Frank Martinez.

BURGLAR RISKS LIFE IN DESPERATE ESCAPE

Runs Along Narrow Ledge and Flings Self Into Churchyard When Detected in Hotel

Running along a ledge half a foot wide in an effort to avoid capture early yesterday morning, a burglar made a spectacular escape when caught attempting to loot rooms in the Malaballe apartment house at Bush street. He landed in the backyard of the Sutter street synagogue and disappeared.

Pickpockets on a Haight street car yesterday stole a canvas sack containing \$10 from H. W. Gray, 1555 Waller street.

May Hull, living at the Grand Southern hotel, was the victim of a purse snatcher at Kearny and Post streets. The purse contained \$55.

Silver ware was stolen from the room of Miss Ella Van Wien, 730 Eddy street.

Burglars robbed Basile Lowery, 1052 Kearny street, of articles worth \$85. Chris Christensen, 252 Sixth street, was robbed by a beggar he had given 10 cents of his watch and \$2.25.

T. A. Duffie, Garage house, was held up by two men at Washington and Front streets and robbed of \$25.

E. A. Dicks, 25 Clay street, reported a \$210 burglary.

ANOTHER ATTRACTION ADDED TO CHINATOWN

Newly Completed Four Story Hotel Structure in Grant Avenue Will Include Oriental Cafe

Another attraction was added to San Francisco's Chinatown last evening when the Hotel Republic, at 708 Grant avenue, was formally opened. The new structure is of four stories and will be used as a hotel for Chinese and a cafe in which both orientals and occidentals will be served.

The new hotel is a handsome structure and is equipped with all the modern improvements necessary in a first class establishment. The company conducting the hotel and chop suey restaurant is headed by Jung Hoi and Yung Kay. The main cafe is on the second floor, as are the private boxes. On the third and fourth floors the hotel rooms are located.

Last evening's program consisted of a banquet and speeches. The guests included many prominent federal officials and local business men as well as prominent Chinese. A Chinese menu was served.

BURGLAR HOTLY PURSUED

Stewart McNab and Clifford Jones Pat Intruder to Room

A burglar who entered the residence of Stewart McNab, nephew of Gavin McNab, at 2724 Jackson street at 11 o'clock last night was given a merry chase over high fences by Stewart McNab and Clifford Jones, an insurance man, who was a guest of McNab after bursting two 10 foot fences Jones and his host were compelled to give up the pursuit.

The man had entered the residence through a rear window and was ransacking the rooms of the second floor when the maid, Miss Eva Duobee, discovered him.

Shortly afterward the residence of Timothy R. Sullivan of the Metropolitan Construction company at 3248 Washington street was entered by a burglar. The man was discovered by Rowena Sullivan, whose screams frightened him from the house.

YOUNG MOTHERS

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both herself and the coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles and tendons, involved, and keeping the breasts in good condition, brings the woman to the crisis in splendid physical condition. The baby, too, is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

RICHMOND RESIDENTS WANT PARK SEPTIC TANK

Commissioners Get Plea and Women Withdraw Objection to Plan

A large delegation of property owners and residents in the western end of the Richmond District appeared before the board of park commissioners yesterday in relation to the placing of a modern septic tank in the park. This is to be used until the sewer is completed.

Mat Eilery, an engineer, on behalf of the delegation, said that it is proposed to erect the best type of tank. Mrs. O'Donnell, secretary of the Richmond Women's club, stated that the objection presented by the club at a previous meeting against the construction of the septic tank were withdrawn.

Charles J. Page submitted plans for an ornamental fountain in the park in accordance with \$5,000 willed by his late father for that purpose. He announced that he and his sisters will add \$2,300 additional in order to build two fountains, instead of one, near the music stand. The offer was accepted.

Health Officer Brodrick, in answer to the notice to remove the detention hospital from Jefferson square, gave notice that a detention hospital is now being constructed in Stevenson street, in the rear of the city hall. The shacks complained of will be removed within 30 days.

The fish commissioners made a request for mounted specimens of the common birds of the state to be used in connection with an exhibit to show the results of the food habits of certain birds.

R. S. Lovett, chairman of the Harri-man system, who has just completed a country place on Long Island sound, through R. P. Schwerin made a request for three or four young redwood trees to plant in his grounds. The request was granted.

The commissioners decided to pay for the transportation of the regimental band from the Presidio to the park and back twice a week, for practice concerts, Wednesdays and Saturdays.

Residents of the Richmond district asked for the opening of a footpath at Nineteenth avenue and Fulton street. The matter was passed to the superintendent.

S. Ruoker offered a bronze in his relief of the late D. B. Murphy, pioneer of San Jose, to be placed in the museum. It was accepted.

The curator of the museum was requested to prepare a letter of thanks, which is to be engrossed and sent to Mrs. James de Fremery, for the loan of 52 oil paintings by Dutch masters.

The Mission Promotion association objected to the unnecessary removal of palms and shrubbery from Mission park.

The athletic union announced that it has planned to hold its annual road races Thanksgiving day, and has selected a course starting and finishing in the stadium and continuing on the south drive along the ocean boulevard and in the main drive, and asked the board to sanction this. This was referred to the superintendent.

The circulation books of The Call are open to every one. We court investigation.

Y., to make good the \$200 which his son is said to have taken from P. Mills has been heard from in Sinaloa, Mexico, and extradition papers are being sought for his return.

LANDSCAPE LIKE VEGETABLE SOUP

Irishman Puts F. G. Athearn to Flight in Describing Speed of Trains

While F. G. Athearn, chief of the bureau of economics of the Southern Pacific, was in Arizona a few days ago, he met an Irishman fresh from the old country and attempted to impress him with the speed of the Southern Pacific trains in California.

"Why, in California," said Athearn, "our company runs its trains so fast that the telegraph poles look like a continuous fence."

The Irishman was not astonished. He rather looked at Athearn in pity. "Do they now," said Pat. "Well, sir, I was wain day on a train in Ireland and as we passed first a field of turnips, then wain of carrots, then wain of cabbage and then a large pond of water, we were going that fast that I thought it was vegetable soup."

The Transportation club has decided to hold its annual Christmas links Monday, December 23. Santa Claus will be given an order to supply all the members with presents. The club will keep open house New Year's eve. The women will be present and dancing will be one of the features of the entertainment.

Judge R. S. Lovett has been elected chairman of the executive committee of the Chicago and Alton with offices in New York.

S. Campanella of Santa Rosa, agent for the French line of steamships, was in San Francisco yesterday.

F. M. Jenifer, general freight and passenger agent of the Tonopah and Tidewater, has just returned from a trip to southern California.

D. Aspland, general agent of the Tonopah and Tidewater at Goldfield, has just returned after a visit in this city.

John M. Beall, who was for several years general agent of the Southern railway in San Francisco and recently general passenger agent of the Mobile and Ohio railroad at St. Louis, has resigned the latter position to become general manager of the A. H. Pugh Printing company at Cincinnati.

The Union Pacific office in the Flood building has received 15,000 calendars for 1913. These are the first calendars to make their appearance in the local railroad offices.

CONTRA COSTA LOSES SUIT

Verdict for County Reversed, But Second Action to Be Pushed

SPECIAL DISPATCH TO THE CALL
MARTINEZ, Nov. 21.—It was announced here today that the supreme court had reversed the Contra Costa court's decision in the suit against the defunct Metropolitan Surety company. The county had been awarded the decision in the action to recover \$18,000 on the bond of a former county treasurer.

Nevertheless, District Attorney A. B. McKenzie asserted the second suit filed against the United States Fidelity and Guaranty company would be pressed, and every effort to collect the \$18,000 was presumed to have taken place during the second term of the late George Wiley.

IMPROVEMENT CLUBS PASS ON AMENDMENTS

Registrar and Park Secretary Appear in Behalf of No. 7 and No. 16

The Civic League of Improvement Clubs approved of 18 of the proposed amendments to the charter of San Francisco, and disapproved of 12, at a meeting held last night in the city hall. Seven other amendments were disposed of last week. Registrar Zemansky appeared to speak in behalf of No. 7, creating an office force in the elections department, and Secretary de Suca of the park commission read a letter from Superintendent John McLaren regarding No. 16, increasing the park maintenance appropriation. These were both approved.

The following amendments were favored: No. 7, creating an office force in the elections department; 12, appropriating \$1,000 a year for an Admission day celebration; 13, exempting certain city officials from residence requirements; 14, increasing the park maintenance fund; 17, giving pensions to the exempt firemen; 18, regarding procedure in street work; 19, allowing tunnel proceedings to be in one proceeding instead of more; 20, removing the limitation of the 50 per cent of valuation of the property requirement in case of street work assessments; 21, creating a revolving fund for street work; 21, authorizing the sale of land adjoining the relief home; 27, reducing the size of the police, fire and health commissions; 28, creating a bureau of supplies; 31, giving the police commission power to subpoena witnesses; 32, allowing the erection of a central fire alarm station in Jefferson square; 33, creating a director of works instead of the present board; 34, regarding street railway franchises; 35, allowing 1904 library bonds to be sold at less than par, and 37, creating a city planning commission.

Those disapproved were: No. 4, increasing salaries in the offices of the sheriff, county clerk, assessor and coroner; 5, establishing the two platoon system in the fire department; 6, raising salaries of police commission; 8, raising salaries of the offices of the treasurer, auditor, tax collector and city attorney; 9, creating a department of electricity; 10, increasing the salaries of the city detective force; 11, raising the salary of the chief of police; 14, excluding bonds to buy water systems from the 15 per cent limit; 15, permitting certain taxes to be outside the 15 per cent limit; 27, local option for 50 block districts; 29, allowing vacations to employees in the registrar's office, and 35, permitting taxes to be levied and charged on unsold bonds.

John M. Beall, who was for several years general agent of the Southern railway in San Francisco and recently general passenger agent of the Mobile and Ohio railroad at St. Louis, has resigned the latter position to become general manager of the A. H. Pugh Printing company at Cincinnati.

Everything Comes to Him Who USES CALL WANT ADS

Don't use Butter in Your Kitchen

Do you know why butter is so high? Housewives from years of habit have come to use more and more of it for particular cooking—where they want something better than lard. It's a wasteful habit—highly expensive—and wholly unnecessary.

Use butter on your table, where it belongs; discard it from your kitchen. The use of Cottolene in cooking, will give just as good results as butter. Besides, two-thirds of a pound of Cottolene will go as far as a pound of butter, and Cottolene costs no more than lard. Use more Cottolene and cut down your butter bill.

Cottolene

Makes Delicious Pastry

Cottolene makes light, flaky, crisp pie-crust. It makes deliciously light, tender doughnuts. For cake making Cottolene creams up beautifully and gives the best obtainable results. Muffins, fritters, short cake, and all other pastry, are best made when made with Cottolene. It makes food rich but never greasy.

Cottolene is a vegetable product, and makes food that is healthful and digestible.

Try This Recipe:

ONE EGG CAKE	
1/2 cup of Cottolene	1 egg
1 cup sugar	1 cup milk
1 teaspoon cream of tartar	1/2 teaspoon vanilla
	1/4 teaspoon soda
	2 cups flour

Rub the Cottolene and sugar to a light cream, add well beaten yolk of egg and vanilla, mix together the soda, cream of tartar and flour, stir it into the creamed mixture, alternating with the milk. Add well beaten white of egg last. Bake in shallow pan in moderate oven about one-half hour.
