

**DANCE TO BE HELD
IN HORTON SCHOOL**

Young Folk Will Enjoy Second Party Preceding Friday Night Assembly

Miss Edith Cramer of Alameda Becomes Bride of Los Angelen Tonight

OAKLAND, Dec. 12.—The closing dance at the Horton school auditorium during the midseason will take place tomorrow evening. Eighty of the younger set will enjoy the informal affair. The dances were planned to fill in the interval preceding the series of Friday night dances. Miss Elizabeth Orrick, Miss Irene Farrell, Miss Cleo Posey and Miss Charlotte Morrison arranged the details. The patronesses are Mrs. Oliver S. Orrick, Mrs. John R. Farrell, Mrs. A. C. Posey and Mrs. E. C. Morrison.

The first dance of the Friday Night club will take place the evening of January 10 at Hotel Oakland. Several hundred acceptances have been sent to the patronesses in whose name the invitations were issued. Already a number of hostesses are arranging dinners preceding the function, which will include the debutantes and younger married set. Miss May du Val is planning to entertain a coterie of friends who later will join the dance.

Miss Hazel Palmanteer is the most extensively feted bride elect of the midwinter. The latest compliment for her is the tea at which the sisters of her fiance will receive Friday afternoon, December 20. Miss Kate Grunsky and Miss Clotilde Grunsky will entertain at the family home across the bay, sharing their hospitality with friends from San Francisco and Oakland.

Mrs. William G. Palmanteer will issue cards shortly for the marriage of her daughter to Edward Grunsky Jr., the ceremony being planned as the first to take place in St. Paul's church. Miss Ethel Palmanteer will attend her sister as maid of honor. Mrs. Frederick Snowden and Mrs. Howard Burns Rector will be the matrons of honor. Among the bridesmaids will be Miss Kate Grunsky, Miss Helen Weston and Miss Bina Moseley.

Today Miss Bina Moseley entertained in honor of Miss Palmanteer, asking a number of friends to meet her at bridge followed by tea.

The marriage of Miss Edith Cramer and Frederick Anderson of Los Angeles will take place tomorrow afternoon at 4 o'clock at the Cramer home in Alameda. Only members of the family connections will witness the ceremony, which will be read by Rev. Everett Couper, rector of Christ Episcopal church. Miss Cramer will wear a white cloth tailored suit and large plumed hat. Neither she nor the bridegroom will be attended. After a wedding supper the couple will leave immediately for the south, where the new home will be established.

The bride elect is the daughter of Mr. and Mrs. W. H. Cramer, one of the oldest families of the Encinal city. She has been popular with the younger set, who have entertained extensively in her honor since the announcement of her betrothal early in the winter. Anderson is in business in Los Angeles.

The young folk who have taken a part in "Jappyland" will be the guests at a dance which is being arranged for the later month. The date has not yet been named.

Miss Winn Shepard has arranged her wedding with John N. Lewis for Christmas day. The marriage will be solemnized at a house ceremony in the presence of a half hundred guests. Miss Hazel Dow and Miss Lillian Lewis will attend Miss Shepard in the bridal party. Roy E. Lewis will assist his brother as best man. The bride elect is the daughter of Mrs. Ella N. Shepard of Alameda.

Alameda Activities

ALAMEDA, Dec. 12.—Miss Louise Frances Young and Ralph S. Leeman

**ALAMEDA'S LIGHT
PLANT DOUBLED**

Contracts for \$150,000 Improvements Provided in Bond Issue Awarded

Institution Largest Municipal Concern on Coast to Get Turbine Generator

ALAMEDA, Dec. 12.—The capacity of the city's electric light and power plant, one of the largest municipal systems of its kind on the Pacific coast, will soon be more than doubled. The contracts for improvements aggregating \$150,000, provided for in a recent bond issue, have been awarded and work is under way. An immense turbine generator to cost \$44,000 is to be added to the plant's equipment. Hunt Mirk & Co. obtained the contract for installing the generator.

Two 200 horsepower boilers are to be added to the present battery by the Charles C. Moore company. Kaufman & Edwards were awarded the contract for erecting a steel frame reinforced concrete building to house the machinery of the plant. The structure is to cost \$31,000. This firm was also awarded the contract of constructing two small buildings adjoining the power house, one to be used as an office and the other as a battery room for the fire department alarm system. The battery equipment is located in the tower of the city hall. It has been discovered that the fumes from the acids used in the batteries have had a deteriorating effect on the metal roof of the building. The moving of the battery equipment to a building close to the electricity plant will make it more convenient for the electricians.

Another improvement to be made to the plant will be the construction of a wharf and pipe line from the works out 1,200 feet to the southside channel in the bay. The pipe line is to be used in carrying fuel oil from barges into the reservoirs at the plant. The contract for this work has not yet been awarded. The contracts for the construction of the buildings and the installation of machinery allow 90 days to complete the work. Superintendent Joseph B. Kahn of the municipal electricity department is in charge of the improvements.

DR. EWER RETURNS FROM TRIP

OAKLAND, Dec. 12.—Dr. E. M. Ewer, city health officer, returned today from a four months' trip to Europe with his wife and children. Doctor Ewer visited Berlin, London, Paris, Vienna and other cities. It is expected that the reorganization of the health department on plans laid out by the civil service commission will now be made with Ewer's return. Under the new arrangement, a health director, to devote all of his time to the city's needs, will be appointed.

were the principals in a pretty wedding celebrated last night at the home of Mr. and Mrs. N. Kalnin, 624 Taylor avenue. The attendants were Miss Lulu Hoffman and Colin McKenzie. The wedding service was read by Rev. C. N. Walton of Christ Lutheran church. The guests who witnessed the ceremony were: Mr. and Mrs. J. P. Murphy, Mr. and Mrs. J. C. Murphy, Mr. and Mrs. Collin Mackenzie, Mrs. E. Lee-man, Mr. and Mrs. L. S. Probst, Mr. and Mrs. M. Kalnin, Mr. and Mrs. R. S. Leeman, Mr. and Mrs. G. A. Raynor, Mr. and Mrs. A. S. Young, Miss Lulu Hoffman, Miss Alice Kalnin, Mrs. R. Schwartz and Miss Edith Probst.

Miss Lucy Grimes became the bride of Albert Burton last evening at the home of Mrs. Alice Haggood, 1214 Chestnut street. Rev. C. L. Mears of the First Congregational church officiated. The bride came from Reno and the bridegroom from Fallon, Nev. The minister who read the marriage service was formerly stationed at Reno and is an old time friend of the bride's family. Mrs. Burton was formerly a teacher in the Reno school department. The couple will make their home in Fallon.

STETSON

SAYS:—

I must unload at least one-half of my Fall and Winter stock. My store is just packed full of Fall and Winter cloth and I don't believe in carrying over goods from one season to the next.

I carry a complete assortment of staple blue and black serges, unfinished worsteds, black clay worsteds, fine imported black broadcloth and doeskins. The very latest rough chevots and West of England diagonals in blues and browns.

These goods I never sell for less than \$35 and up to \$50 for a suit or overcoat made to measure. But I have too much Winter goods on hand, and if you will help me unload I'll give you a chance of a lifetime. I am going to give the choice of my entire stock of imported woollens at one price.

\$ 20

**IT MUST FIT

Values**

**For Any Suit or Overcoat in My House
Made to Order
Tailored Especially to Your Figure**

**TODAY
ONLY**

So the People May Know

Give me one minute of your time and let me explain why I have broken all selling records in the tailoring trade. I have opened my store in Oakland, and have shown at least 5,000 men the difference between ordinary clothes and first class tailoring. If I could sit down and talk one minute to every man in town there wouldn't be any one in the tailoring business in Oakland but Stetson when I got through. I could show you why my coats—made with concave shoulders—will fit you closely at the collar.

I would point out to you that the fronts of my coats can not break down, because they are made with a special construction—strengthened where the strain comes. I could explain the interior workmanship that's put into each garment. And you could see the class of merchandise I carry. Those are not all the arguments that can be made in my favor. I am more particular with the trimmings I put in the suit than most tailors, and have the ability to produce a suit just like every man wants it.

During the special sale I am having just now price is no object. I am forgetting profits. I simply want to unload my heavyweights and make a lot of friends—at the same time keep my force of tailors and cutters working. Today, Saturday, I will make up suits and overcoats at absolute cost.

Beware of Counterfeiters

Many Oakland tailors are offering you clothes at small prices. They make their profits by having the garments made in sweatshops, where cheap help turn out machine work that violates every principle of good clothes making—no fit, no matching of patterns, no consideration for linings, buttonholing, etc., etc. OUR clothes are made in our own workrooms, by our own high priced hand tailors, insuring "clothes to be proud of."

Do you like a stylish Suit? Do you like a good fitting Suit? We can't be beat for Clothes That Fit. Our Prices are to every one marked in plain figures. Come inspect a good piece of cloth and a hand made garment. All we handle is Fox's Australian and west of England Woollens.

All Orders placed by Wednesday, December 18, will be finished for Xmas.
