

PAW MUST BE TOGETHER TO RAISE

PAW MUST BE TOGETHER TO RAISE AS HIS FIGURES

Meanwhile Where, Oh, Where, Is Billyum Reidy in All the Trackless East?

By JOE MURPHY

From a statement made by Harry Krause, the crack pitcher whom J. Cal Ewing is trying to get for his 1913 Seals, there is but little chance of the local club annexing him unless it pounces on the dough. The clever southpaw, who was turned over to Toledo by Connie Mack of the Athletics, pitched a sterling article of ball for the American association team during the time he was with it, and as a result the management of the club has a high regard for his ability as a pitcher and values his services.

Krause has intimated that it would cost the Seals \$4,000 if Cal Ewing wanted him. Some weeks ago Cal Ewing announced that he was desirous of getting Krause and promises to give what he had wired Billy Reidy, the club manager, who is in the east, to see if he could not get Krause's release from Toledo.

So far Reidy has not been heard from. In fact, so little has been heard from Billy that the impression exists that J. Cal has put the rollers under him and advised him to get a better offer. Whether this impression is true or not will be known soon, as Ewing has put a time limit on him to report here.

Nothing has been heard of Reidy, says Ewing, and it is not known what progress made by him in securing Krause for the Seals, Ewing apparently does not know anything about it.

The latest Seal to send in his contract is Bill Yohe, the fleet third baseman who played during the latter part of the season. Bill affixed his signature to a contract and promises to give the contenders for third sack honors a run for their money.

Joe Gedeon, the big, lanky Seal who will play this year with the Washington club of the American league, dropped into town yesterday. Joe has been in his home in Galt for several weeks, resting up. He is one of the boys who got into shape, Gedeon has not received his contract from the Senators and he believes that it has gone amiss in the mails. However, he is not working as he figures it will all be straightened out within a few days.

It is expected that the matter of the 1913 spring training quarters of the Oaks will be settled on today, as Manager Mitze is expecting a communication from J. O. McKown of Livermore. On a visit with Mitze last week McKown listed to what the Oaks wanted and returned to Livermore to tell the Merchants' association there what they must do to bring the Oaks to the Oakland club. Mitze stated that he would communicate with Mitze tomorrow, telling him how the Livermore people looked on the proposal. No trouble in making the proper arrangements in the Oaks as the Oaks only want a little work on the diamond and rebuilding of the clubhouse. The hotel and other rates were satisfactory and the Oaks are ready to get on their feet kindly about fixing things up. If the Livermore people do the right thing the Oaks probably will settle on Livermore right away.

There was a rush on at the new park yesterday and an augmented crew of workmen was busy in laying the pipes in the outfield which will water the grass in the gardens. There will be a network of pipes laid across below the ground with fountains at convenient distances, so that the whole park may be watered and the grass to hose around. The faucets will be buried so that the players will not fall over them.

"Wild Bill" Malarkey was heard from yesterday from Guthrie, Okla., where he has been attending a convale of the Mystic Shrine. Bill wintered at his home in Cleveland, Ohio, and was out on time. The bushier, Wells, also took it on himself to write to the club yesterday, saying that he was ready to come out when sent for.

Busy Week for Oakland "Y" Athletes

OAKLAND, Jan. 27.—A busy week has been outlined for the athletes of the local Young Men's Christian association. The Y. M. C. A. today started its winter department with the P. A. A. basketball championships. The local association will be represented by six teams, including the unbeatens, 145 pound, 130 pound, 120 pound and two 110 middle fives. With six strong teams in the field the Oaklanders expect to bring out at least one championship.

The 145 pound Y. M. C. A. team will play the Mission high school five at San Francisco at the Oakland courts on Thursday evening, and on the same evening the members of the boys' department will give a series of acrobatic and circus features.

The big swimming meet of the boys' department will take place Friday evening. The entries will close tomorrow and in the meet will be represented by the junior, intermediate, high school and business boys' classes. The events will be in two divisions, as follows:

100 yard, 200 yard, 400 yard, 800 yard, 1600 yard, 3200 yard, 5000 yard, 10000 yard, 15000 yard, 20000 yard, 25000 yard, 30000 yard, 35000 yard, 40000 yard, 45000 yard, 50000 yard, 55000 yard, 60000 yard, 65000 yard, 70000 yard, 75000 yard, 80000 yard, 85000 yard, 90000 yard, 95000 yard, 100000 yard.

NEW HAVEN, Conn., Jan. 27.—Yale defeated McGill university of Canada in a dual swimming meet here tonight, 23 to 14. Four intercollegiate records were broken. Yale won the 600 foot relay race in 1:42.5, breaking the record of 1:48.5. Headley of Yale won the 50 yard swim in 25.5, breaking the record of 26 seconds. Hodgson of McGill lowered two records. He won the 220 yard swim in 2:29.5, breaking the record of 2:37. In the 100 yard swim he made the distance in 18.2.5, a record.

A Throttling Victim With Strap—Marcel Mason, Charles Lawrence, Lawrence Sanborn and August Legall were arrested yesterday and identified by Arthur Gingsberg, Alameda, as the four men who rolled in on the Barbary coast of \$10 after throttling him with a leather strap.

FREE SUGGESTIONS TO BOXING CLUB MANAGERS—By Edgren

ST. MARY'S TOSSERS TO OPEN SEASON TOMORROW

Line Up Against Stanford Nine Down Yonder at the Farm

OAKLAND, Jan. 27.—St. Mary's baseball team opens its intercollegiate schedule Wednesday afternoon when the lads go to Stanford to play their first of a series of six games with the university nine. Three games are to be played with the University of California.

Three victories already have been credited to the St. Mary's team since the opening of the season, but at the cost of three of the twirlers who are now on the sick list, Oeschger, Johnson and Treacy. Neither one of the boys will be able to perform for some time. Glavinich twirled the latter part of last Sunday's game against the Clarks and will be used in the opening contest by Coach Luzzana.

The elimination process already has started and a further reduction in the squad will be made this week. Two games last week suffered for some reason and the squad is now in workable shape. Several candidates for infield positions were dropped. The outfielders are the next to be changed.

Guisto, Doyle and Merani were tried out on first and all three have been retained. Captain Gingsberg filled the second and short positions and placed in good shape. Moran loomed up strongly at third in both contests. Childs at short and Hayden at second were two other infielders to be retained.

Pappa in left field is a sixty with the other two places in doubt. Walbridge and Wilson were used by the coach. The hitting of Twirler Johnson may be a trial in the outfield, where he has already performed. In two games played he led the team in hitting.

Saturday afternoon the Phoenix play a second game with the Port Miley squad on the college diamond and Sunday afternoon perform against the Fraser Photo team.

The intercollegiate schedule is as follows: St. Mary's versus Stanford, at Stanford, January 27; St. Mary's versus Stanford, at Stanford, February 12; St. Mary's versus Stanford, at Stanford, February 19; St. Mary's versus Stanford, at Oakland, February 26; St. Mary's versus California, at Berkeley, March 5; St. Mary's versus California, at St. Mary's, March 12; St. Mary's versus Stanford, at Stanford, March 19; St. Mary's versus California, at Berkeley, March 26.

When Tom Sharkey Met The Lobster

Tom Sharkey's first meeting with a lobster is one of the most interesting incidents in his long and varied career, and one of the stories the sailorman-pugilist-cafe proprietor loves to tell on himself.

When Tom first went to New York he was well on his way toward fame in the prize ring and was beginning to roll in wealth. One night shortly after his arrival in the metropolis, Tommas and his manager visited one of the town's leading lobster palaces. Up to that time Sharkey had been subsisting on much plainer fare than lobster, but the manager suggested that they try one of the deep sea birds. Tom said he was willing and lobster it was ordered.

MRS. BAT NELSON CALLS BAT'S TOWN A DISEASE

Fighter, Not Disheartened Over Her Slam, Yearns to Get at Ritchie

(Special Dispatch to The Call) CHICAGO, Jan. 27.—Bat Nelson's home town has received a rude shock. Hege-wisch has been dubbed a "disease" by the battler's bride.

Nelson, even by the wildest stretch of the imagination, has the little burg been classed as a garden spot, but it has its esthetic side and this, with modern structures built and owned by Lord Oscar Emil Nelson, caused the men, women and children to feel proud of their town. Also, there was Bat himself.

Now comes Mrs. Bat Nelson, formerly Miss Fay King, Denver cartoonist, who asserts that the home of the former lightweight champion of the world is a "disease," and in this estimate she is backed up by her husband's fight promoter, Jack Robinson.

But this is not all. The famous fighter is putting a polish on his Chesapeake manner with the aid of a French valet and is battling with the Parisian accent. Furthermore, Mrs. Nelson has a special corps of maids who are kept busy furnishing her with materials for the cartoons she is making of the many visitors who throng their sumptuous apartments at the Congress hotel.

Nelson, who firmly believes he will regain his lost ring honors if Willie Ritchie will give him a chance at the lightweight title, today began training at Nate Lewis' gymnasium for his fight at Racine February 5 with Ray Sorenson.

Gotham Ring Gossip

(Special Dispatch to The Call) NEW YORK, Jan. 27.—A match probably will be arranged for Atlanta, Ga., between Jim Savage and Al Falzer. The club has offered \$10,000 to Falzer to fight the Jerseyite and although he is not in the best of shape now, he thinks he will be able to round into form to accept the challenge.

The prospects are bright that within the next day or two the long awaited match between Jack Britton and Packer McFarland, Chicago's two cleverest ring exponents, will be arranged. Danny Morgan, manager of Britton, received a hurry summons to come to this city and suddenly brought his southern campaign to a close and took the first train back home.

MAY BE SO IN GOTHAM; NOT HERE

Hay Balers Not Used at Local Boxing Bout

Though we are away out here in the far west and usually get our pointers from our brethren in the east, it seems that we are a little in advance of them in the promotion of boxing contests and the handling of patrons at championship contests where large crowds attend.

Our friend, Bob Edgren, makes a few suggestions to the eastern promoters as to how the fans could be handled. We out here have been through it all. Time and experience, however, have taught the promoters that it is possible to handle a fight crowd just as easily as a theater crowd, and it would not be a bad idea for some of the eastern promoters to import Jimmy Coffroth, recognized as the king of boxing promoters, to give them a few instructions how to handle throngs.

Jimmy Coffroth has made it possible for a person to attend a boxing contest and see it without being made jam. Other promoters have followed his footsteps with success, but apparently New York has not got on to the knack up to date. It is true that the game had a long rest and the promoters are still pretty rusty, so probably it is unfair to deal with them so harshly.

Moran-Driscoll Draw Proves Disappointment to the Fans

(Special Cable to The Call) LONDON, Jan. 27.—The 20 round bout at the National Sporting club here tonight between Jim Driscoll and Owen Moran for the feather weight championship ended in a draw.

Besides the title the men fought for \$500 a side and a purse of \$7,500. It was the largest sum ever given in London for a feather weight contest.

The bout was extremely disappointing to the spectators. Both men did considerable clinching and had to be cautioned more than once by the referee. The fighting was altogether uninteresting to two such the boxers.

No match in modern times has aroused so much interest in England and it attracted one of the largest crowds ever seen at the National Sporting club. Before the men entered the ring the betting was 7 to 4 on Driscoll.

Tom Jones Talks Money; Whitney's English String Gives Promise

LONDON, Jan. 27.—Harry Payne Whitney's race horses, in training with A. J. Joyner, at Balaton Lodge, Newmarket, show promise of providing their popular owner with a more successful season during 1913 than was the case last year.

That fine sprinter, Whisk Broom, whose two victories last year included the Snaryell stakes, at Newmarket, and the Victoria cup, at Hurst park, is to be kept in training for another year to have a further chance of distinguishing himself in handicap races, and Borrow, which ran into the first three in nearly all its races last year, two of which, the Wokingham stakes and Windsor castle stakes, he won, has also been retained in the stable.

Flinders, the four year old Burgo-master colt which was running at its best toward the end of last season, is likely to be found a much improved animal next year, as it has been given a good rest. It is expected, however, that the three year olds and two year olds will make the best showing.

Prominent among the rising three year old colts are Harmonicon, Miranchi, Meeting House, Cabaret and Double Six.

These are a highly promising lot of colts that will belie their looks and greatly disappoint if they fail to win certain of their three year old engagements, provided all continue to go on well with them in their training.

Harmonicon is without exception one of the most commanding and shapely of his age and sex in training. The colt is entered in the 2,000 guinea stakes and is just the stamp of animal to act well over the straight Rowley mile course. He is not at all unlikely to be brought into prominent notice for that race before it is decided.

Miranchi is also a colt of promise, but, according to his public displays, is better endowed with speed than stamina. However, this chestnut colt by Volet can safely be depended on to win races.

SPRECKELS' COLT GALAR BREAKS INTO PICTURE

At 4 to 1, Clever Two Year Old Beats a Classy Field

(Special Dispatch to The Call) EL PASO, Jan. 27.—A. B. Spreckels' clever 2 year old colt Galar, which has been knocking at the door during the last couple of races, finally earned brackets. FANS ALL HET UP OVER HOPPE-MCFARLAND BOUT

Take It From the Man on the Street—'Twill Be a Cyclone

Willie Hoppe and Tommy McFarland, the pair of lightweights who are to meet in the headliner of the Observatory club's card Friday night at Pavillion rink, have started to work for their coming contest. Both boxers realize the importance of their bout and will be in the best possible shape when they clash.

Hoppe is training in his own gymnasium out in Girard street, where his home is located. The Butchertown boy has fitted up a place of his own and he is very particular about his condition. McFarland is located over at Al White's saloon in Oakland.

Both boxers put in a busy day yesterday. Hoppe boxed with Willie Meehan and Joe Mackey. His nose was a bit bruised after last Friday night's battle, but it is rapidly healing.

The bout between Johnny O'Leary, the crack feather weight from the northwest, and Young Abe Attell of Denver is another that has the fans talking. The two are new to the local fans, but from what said fans have seen of them they are satisfied that they are good ones. Attell is a speed wizard, while O'Leary appears to be very clever. There is no doubt about these lads' delivering.

Promoter Irwin has nine bouts on his card. The contestants appear to be well matched. Lennox Kogge will try conclusions with Young Wussow of Milwaukee. Both boys have agreed to make 125 pounds.

Bubbles Robinson, the colored lightweight of Los Angeles, will try conclusions with Phil Morgan, a local product. There are five other bouts on the card.

Promoter Irwin reports that all the contestants are in training.
