Schul Gets Affidavits to Show Favoritism in the County Clerk's Office

Others Accommodated, but His "Pigeon Hole" Rights Were Ignored, He Says

Ferno J. Schulz, an attorney, is preparing affidavits intended to show that the county clerk's office is showing favoritism in pigeonholing complaints filed by certain attorneys.

He said yesterday that he would bring to the attention of Presiding Judge Dunne the fact that his plea to have a complaint placed on the secret file had been disregarded.

Schulz is a member of the firm of Crist, Johnson & Schulz. He objects to the publicity given a suit for \$200,000 damages, by Albert L. Johnson, nephew of Governor Johnson.

The complaint was filed last Friday. In it Mr. Johnson asserts that his wife came to her death from pneumonia because she did not receive proper attention in the hospital.

Attorney Schulz said that the publicity given the complaint was undesired and uncalled for, in as much as he had made a personal plea that it be placed on the secret file.

He would subpoena County Clerk Mulvey, Deputy County Clerk Davis and Chief Philip C. Welch for examination Sunday morning.

Schulz declares that of his own knowledge many complaints are placed on the secret file. The members of Mulvey's office say that Schulz's complaint was not an exception to the code, and deny that other complaints of a similar nature have been so withheld from public inspection.

LIFT PILOTS SEEK WEEKLY DAY OFF

Union Asks Labor Council Aid to Enforce Law in Big Hotels

The Elevator Conductors and Starters' union, local No. 12, 105, in a communication to the San Francisco Council received yesterday, ask the council to assist the labor commissioner in obtaining one day of rest for members in the leading hotels of the city.

The writer says that the men are required to work every day in the week, every week in the month, and every month in the year, from 9 to 12 hours out of the 24 and are never given a full day off, once in seven days as the law requires.

This will be brought to the attention of the council at the meeting tomorrow night.

It is reported that since the recent decision that the International Brotherhood of American Workers is the only recognized organization of electrical workers, many applications have been received from locals that had joined forces with the dual organization to become affiliated with the brotherhood.

Among those that made such applications are locals in Calveston, Kankakee, Ill., La Salle, Ill., Montgomery, Ala., Newport News, Va., Paradise, canal zone, Roanoke, Va., Schenectady, N. Y., Springfield, Mass., and Waterbury, Conn.

Frank Duffy, secretary of the United Brotherhood of Carpenters and Joiners of America, issued notices to all central labor bodies and building trades organizations that under the decision relating to the amalgamation of the amalgamated wood workers with the United Brotherhood, all unions of box makers and sawyers are to join the brotherhood.

Charters will be issued to them by the international officers of the brotherhood.

District Council of Carpenters was addressed last night by Frank Duffy of Indianapolis, general secretary of the United Brotherhood of Carpenters and Joiners of America in relation to the recent meeting of the executive council of the building trades department of the American Federation of Labor and of conditions in this state.

A report received at the central labor council from the American Federation of Labor is that a dairy in Great Falls, Mont., was recently unionized in all its departments and that the A. F. of L. union is now appearing on all its products. This is said to be the first instance of the kind in this country.

The executive board of the Janitors' union has called a special meeting Monday night to take up several matters. It was also voted that any member who fails to attend that meeting shall be fined one day's pay.

J. A. Murray, general president of the United Brotherhood of Cement Workers, who is in this city for a few days, visited local No. 1 of that organization last night. Tonight he will visit the Building Trades council.

The United Laborers' association No. 1 has voted \$50 to the shoemakers on strike at the Frank & Hyman factory, payable in five weekly installments. Fourteen candidates were initiated.

Local No. 106 of the Bakery Salesmen's union has voted to celebrate the twelfth anniversary of its institution by giving a ball in Mission Turn hall March 29.

The San Francisco Labor council, in its efforts to prosecute the boycott declared against the Frank & Hyman boot and shoe factory, is sending a letter to each labor union in the state requesting members not to purchase any of the products of this factory, also asking the central labor bodies to appoint committees to wait on merchants and ask them not to handle the firm's goods.

Mme. Nordica says of the Steinway Piano

"After all, there is no instrument in the world like the Steinway."

The fame of the Steinway, by which all other Pianos are measured and judged, is not merely local or national. It is international, universal, world-wide, and is the recognition, in the strongest possible manner, of a work of art that in its line is unequalled and unrivalled.

We sell Steinways on moderate terms.
