TOWNSPEOPLE RUSH ARMED TO BOUNDARY

Hundreds of Citizens Assemble in Few Moments—Cowboys Gather From Nearby Ranches—Inhabitants Fear Invasion of Arizona Was Intended—Retreating Force Leaves Several Wounded Struggling in Brush at Douglas

EL PASO, Tex., March 2.—In a running fight on the border near Douglas, Ariz., early today between Mexican soldiers and troopers of the Ninth United States cavalry six Mexicans were killed. None of the American troops was killed or wounded, according to advices received here late today.

Four American army officers walking on the American line three miles from Douglas are reported to have been fired on by 40 regular Mexican soldiers patrolling the border out of Agua Prieta, opposite Douglas. Sixteen of the negro troopers of the Ninth rushed to the place of the firing and a spirited skirmish ensued.

The American soldiers were holding their position at the international line when reinforced by two troops of the Ninth.

The Mexicans were routed, leaving six killed on the field and other stragglers through the brush, nursing their wounds. It is said that the

MOB HURLS TURF AT SUFFRAGETTES

London Crowd Breaks Up Meeting and Women Are Saved by Police

LONDON, March 2.—Wild scenes were witnessed in Hyde park this afternoon when a mob of several thousand broke up a suffragette meeting held under the leadership of "General" Mrs. Flora Drummond.

Several free fights occurred and masses of turf torn from the ground were hurled at the speakers. It required a strong body of police to protect the suffragettes and escort them to a place of safety.

Similar scenes marked a meeting at Wimbledon common. In both cases women were knocked down and bruised.

FRANKLIN K. LANE MAY ENTER WILSON CABINET

California Believed to Have Been Offered Secretaryship of Interior by President Elect

(Special Dispatch to The Call)

WASHINGTON, March 2.—Franklin K. Lane of California for secretary of the interior is the latest "dope" which the democrats in congress have to offer regarding the Wilson cabinet.

Mr. Lane is a democrat and a single taxer and was appointed to the interstate commerce commission of which he is now chairman by Colonel Roosevelt. He is regarded as thoroughly sound on the subject of conservation and he would meet the approval of the progressives generally, as he was an earnest supporter of Senator La Follette at one time.

It is suggested that having been compelled to drop Mr. Brandeis, Mr. Wilson turned to Lane as a progressive.

It is also asserted that Colonel George W. Goethals has declined the portfolio of war and nothing definite seems to be known regarding the man chosen in his place.

CONSTANTINOPLE THREATENED BY ANOTHER REVOLT

Precautionary Measures Are Taken by Increasing Garrison of Capital City by Two Regiments

THIRTEEN OFFICERS PUT UNDER ARREST

Balkan States Submit Terms of Peace Which They Will Serve on Islam

CONSTANTINOPLE, March 2.—The government appears apprehensive of a fresh revolution since the discovery of a conspiracy on Thursday last, when several prominent officers and civilians, including a former military governor, were placed under arrest.

The Young Turk leaders are nervous, and the garrison has been increased by two regiments. The guards at the porte also have been strengthened and other measures have been taken to enable the immediate suppression of any attempted coup.

Many officers have been dismissed from the army for meddling in politics. Thirteen officers delegated by the army at Tchatalia to make representations to the government were arrested today on their arrival at Constantinople.

The severe weather continues, and the country is covered with snow.

Balkan States Make Demands

ROME, March 2.—According to official information received, the Balkan states will insist upon the following conditions for the conclusion of peace, even through the mediation of the powers:

First—The contracting parties pledge themselves to the immediate and simultaneous cessation of hostilities after the signing of the treaty of peace.

Second—Contemporaneously Turkey must surrender to the allies Adrianople, Scutari and Janina.

Third—The Bulgar-Turkish frontier shall extend from Rodosto to Midia, the exact line to be established by a military commission composed of Bulgarians and Turks.

Fourth—The peninsula of Gallipoli must be ceded to the allies.

Fifth—All the Aegean islands occupied at the present by the Greeks to be ceded to the allies.

Sixth—Prisoners of war and hostages

WOMEN PARADE TODAY STORM CAPITAL CITY

Suffrage leaders of national prominence, both well known in San Francisco, who made addresses at big rally yesterday in Washington.

CARRIE CHAPMAN CATT

Suffrage Movement to Be Typified in Big Line of March

WASHINGTON, March 2.—Women will have a gala day in Washington tomorrow, a fete and pageant day to spur on the cause of equal franchise.

Plans for a suffrage procession have been made on a most elaborate scale and 5,000 women are expected to participate in the pageant, which will move up Pennsylvania avenue from the peace monument to the treasury building and then to the Continental hall, where a monster suffrage meeting will be held.

Accompanying the procession tomorrow, which will consist of seven divisions, will be an allegorical tableaux on the steps of the treasury building in which will be impersonated Columbia, summoning to her side justice, charity, liberty, plenty, peace and hope. These, attended by groups of maidens, will view the procession, after which they will assemble and follow to the hall where the final rally of the day will be held.

TYPIES WORLD MOVEMENT

Mrs. Richard Coke Burleson will be the grand marshal of the parade and Miss Inez Milholland of New York its herald. The first section of the parade will typify the "world wide movement for woman suffrage" and will be headed by Mrs. Carrie Chapman Catt, president of the International Suffrage alliance. The second section will represent "75 years' struggle for freedom, or justice conquering prejudice," and will be exemplified in a series of floats to be piloted by Mrs. Harvey W. Wiley, Miss Grace Ross, Miss Katherine Hitchcock, Miss Hazel Roberts and a mounted brigade of suffrage women.

The third section is to portray the idea that "man and woman make the state; man alone rules the state." Floats here will reveal women in the field, the farm, the home, in patriotic service, in education, medicine, law, labor, government and other fields of endeavor.

APPEAL OF BUSINESS

"The appeal of business and the professions" will be the motto of the fourth section; "the appeal of the states" that of the sixth; the fifth section will comprise nonuniformed women marchers, and the seventh section will consist of delegations of states where suffrage has been wholly or partly granted.

Two large suffrage meetings, guarded by policemen, were held at local theaters this afternoon. The suffrage question was discussed by speakers, who placed upon the shoulders of the men the burden of the white slave traffic, child labor and underpaid women workers in the sweatshops and the factories of the larger cities of the country.

RESPONSIBLE FOR EVILS

Mrs. Carrie Chapman Catt, who made the principal speech, entered upon a general history of the suffrage movement and then charged the "protectors of women" with responsibility for all the evils under which the women of today are suffering.

"General" Rosalie Jones, who led the "hikers" from New York, also spoke briefly and introduced to the audience members of her "army." Other speakers were Miss Inez Milholland, Mrs. Ray

Succeeds in Second Attempt to End His Life After Wounding Woman

CHICO, March 2.—John Letterman, a member of a prominent pioneer family of this vicinity, shot and slightly wounded his wife, Mary Letterman, after a quarrel at their home today, and then sent a bullet through his brain, dying instantly.

He accused his wife of having received attentions from another man.

The shooting was Letterman's second attempt to commit suicide. He shot himself in the head three years ago, after a family quarrel, but recovered. Mrs. Letterman left home, but later returned. Since then, she says, her husband frequently has threatened her life.

INAUGURAL CEREMONIES WILL BE MORE ELABORATE THAN ANY WITHIN MEMORY

Capital Is In Gala Array and Awaits Arrival of New Chief Executive to Take Over Reins of Government—Washington Is Crowded With Visitors, and Members of Future Cabinet Are Gathering for Epoch-Making Event—Military and Civic Pageant Will Be Feature

WASHINGTON, March 2.—Washington tonight awaits the coming of Woodrow Wilson, next president of the United States.

Simple plans to welcome him tomorrow afternoon are ready, and every detail is complete for the inauguration ceremonies and the attendant military and civic demonstration Tuesday.

No president elect ever found the capital of the nation whose destinies he is to guide more brilliantly arrayed or more abundant with enthusiasm than Woodrow Wilson will find it.

Flags and streamers from every staff and building will wave him welcome and cheering thousands assembled in the spacious esplanade of the Union station approach and the streets through which he will be driven to his hotel will stir the patriotism of his heart.

WILL CALL ON PRESIDENT

One of Mr. Wilson's last acts as a private citizen will be to call, with Mrs. Wilson, upon the president and Mrs. Taft. Arrangements for this were made tonight.

The president elect and Mrs. Wilson, soon after their arrival, will receive Colonel Spencer S. Cosh, chief aid to the president, who will escort them to the White House in the president's automobile.

President and Mrs. Taft will receive them in the blue room. All the military and naval aids to the president, in regalia of their office, will be present, but none of the cabinet will attend.

The meeting, as planned, will be brief, and the president elect and Mrs. Wilson will return to their hotel to a family dinner.

CABINET MEMBERS GATHERING

Among the arrivals in Washington tonight were Governor Sulzer of New York and his staff.

With them was William G. McAdoo, who is to be secretary of the treasury, according to unofficial announcements.

The New York executive was the recipient of congratulations, it being the governor's first visit since his inauguration.

Mr. McAdoo received congratulations upon a cabinet appointment modestly without betraying any confidences as to his acceptance of the treasury portfolio.

William Jennings Bryan and Joseph Daniels, generally accepted as the new secretary of state and secretary of the navy, respectively, left Raleigh, N. C., late tonight, and will reach Washington early tomorrow.

A committee will meet them at the train.

FAIR WEATHER EXPECTED

Hope for fair inauguration weather was extended tonight by the weather bureau. Cold and clear weather tomorrow in this section will be followed Tuesday by higher temperature, the prediction is, and this brings relief from fears that the blizzard which swept in the administration of four years ago might be repeated.

President elect Wilson and his family will arrive at the Union station at 3:45 o'clock tomorrow afternoon.

With them in special trains will come students from Princeton university who will form a lane from the trainshed to the president's room in the station, where the inaugural reception committee of senators, representatives and citizens will await the Wilson family.

Thomas Nelson Page, chairman of the committee, will greet the party at the train and escort them through the line of students to the reception room. The ceremony at the station will be brief.

The president elect and his family then will be driven to their hotel without military or other escort.

WILL DINE PRIVATELY

Early in the evening the Wilson family will dine privately with Joseph Wilson of Tennessee, brother of the president elect, and John Wilson of Pennsylvania, his cousin, who will be host at the dinner.

Later in the evening Mr. Wilson will be the guest at a smoker of the Princeton alumni. This will conclude his program for the day.

Tuesday morning Senators Crane, Overman and Bacon and Representa-
