2d, 3d, 4th, 5th, 6th Awards Five Eilers Bungalow Player Pianos, \$3,000

The Bungalow Player Pianos which are offered as the Second, Third, Fourth, Fifth and Sixth Grand Prizes in the great Booklovers' Contest were picked as most certain of all possible prizes to start everybody to playing the game of guessing titles.

Being one of the latest creations among player pianos, these popular players embody the best improvements of earlier instruments, and add many distinctive charms of their own. The feature that has especially endeared them to California homes is their compact construction, which puts all the details of the big players into very small space.

The Bungalow Player Piano fits into small apartments, flats and bungalows, yet nothing has been sacrificed in the way of fullness and volume of tone, or in attachments which secure the performer complete control of expression.

Every standard roll can be played on this little wonder; it has on its way into the hearts of noted vocal soloists, who play their own accompaniments for practice; you can render all the old favorites in the hour of song when all the family gather about the piano; without knowing one note from another, if you play the means of rendering all the melodies you like best with the expression of an artist.

Another thing that will interest everybody in winning one of these wonderful prizes is the chance to learn all the great masterpieces which may have been strangers to you in the past, but which you have always wanted to know. It is an education in itself. Few indeed, are they who are able to afford time or tickets to hear the big symphonies that everyone wishes to enjoy.

Whether for simple enjoyment or for pleasure coupled with musical education you will have a lifetime's benefit by winning one of these Bungalow Player Pianos. They may be seen at

FINAL REPORT OF GRAND JURY MADE

New County Infirmary Suggested by Delegation of Citizens

County Building Janitor Is Fired for Taking "Petty Graft"

OAKLAND, March 11.—The grand jury swung into line with the Tax association to further the project of a new county infirmary in its final report filed today. In addition the jurors advised the erection of a building at the infirmary to be set aside for the use of citizens of the county who were able to pay for necessary expenses for high class treatment, but who could not afford private hospital charges.

The jury criticized the janitor service in the county buildings, recommending that Head Janitor Al Williams be discharged. It was said that Williams charged the court reporters \$1.50 a month for services in apartments which they occupy. Williams admitted this "petty graft" and the jurors held that it should not be tolerated.

Investigations into conditions at the receiving hospital resulting in the discharge of two employees for misconduct, was cited.

The jury reiterated its findings as regarded recommendations for salary increases and additional deputies in the various county offices, to be made to the Alameda county delegation at the legislature.

The report detailed several minor investigations made on complaints, no indictments having been returned.

The jury advised the supervisors to cut down the grade on Bulmer hill on the Dublin of the white settlers, as several accidents have happened there.

The jury was discharged after filing the report.

TWENTY YEARS CLERK; THREE YEARS FOLSOM

Joseph H. Neal sentenced to three years for embezzlement.

Pleasanton Official Peculates to Buy Lottery Tickets and Entertain Woman

OAKLAND, March 11.—Joseph H. Neal, 58 years of age, for 20 years town clerk at Pleasanton, was sentenced to a three year term in Folsom today for embezzling the municipal funds over a period of four years. More than \$2,500 was taken by Neal so far as could be ascertained by an expert, but as he destroyed the records of the personal property tax and admitted stealing from this fund no accurate report could be had on the total.

Deputy Probation Officer Wright reported that Neal frequently manipulated records so that his salary was paid twice in one month; that he held out cash paid to the town of Pleasanton for water used on the county roads and practiced other irregularities.

That he spent the money on lottery tickets and in entertaining a woman who has left town was Wright's explanation, the investigation exposing Neal's statement that the funeral expenses of his wife and two daughters in a year had started him stealing.

Neal informed Judge Wells that he had worked hard and held responsible positions all his life.

"So much the greater blame attaches to you for betraying your trust as a town clerk," said Judge Wells in passing sentence.

CATHOLIC LADIES' AID GUESTS AT LUNCHEON

Various Topics Discussed at Gathering Held in Capwell Roof Garden

OAKLAND, March 11.—Members of the Catholic Ladies' Aid society were guests today of the Alameda County Social Workers' club at a luncheon in the Capwell roof garden. Mrs. H. E. Magee, grand president; Miss Mary Lambert and Mrs. T. P. Hogan were the chief speakers.

Mrs. Magee said that Pope Leo XIII had called the nineteenth century that of the Catholic layman, and she believed the twentieth was that of the Catholic woman. Mrs. Hogan suggested that a plan be agitated for patients at the county hospital to pay for medical attention, as many who are unable to pay the fee demanded by private hospitals could pay a smaller sum and would prefer to do so rather than bear the humiliation of being taken to pauper's.

Other speakers were Mrs. W. T. Morrow, secretary of the Catholic Ladies' Aid society for Alameda county, and Mrs. Margaret Byrnes, A. T. Shine president.
