

# AND GOLD ATHLETES, OTHER SOUTHERN RIVALS

## SHATTUCK'S WORK WITH THE HAMMER STARTLES CROWD

### Stanford and Southern Boys Will Line Up on the Palo Alto Cinder Path Today

The University of California track and field athletes had an easy time disposing of the combined Occidental-Pomona team, the locals winning by a score of 84 3-7 to 37 4-7, yesterday.

The southern boys only showed two men who really classed with the blue and gold, they being Annin, who took the double in the mile and the 800 and Kirkpatrick, who took both hurdle events.

The big performance was Carl Shattuck's great heave of 170 feet 4 1/2 inches with the hammer. The intercollegiate champion was in his best form and looks like a sure bet to break both the world's intercollegiate mark, held by Lee Talbot, and the Pacific coast mark, held by Al Plav.

He showed great speed in the ring yesterday and was unfortunate in losing his balance and just stepping out of the ring when he sent the missile 175 feet 8 inches, which, had it been a fair throw would have taken both the mentioned records.

The finish of the two mile race was the hair raising spectacle of the meet. Sturgess, the California man of Occidental, tagged Earl Crabbe the whole distance. At the last lap he rushed to the front, and with a fine, long stride, got a lead of fully 10 yards on the California. This he held right up to the turn into the home stretch. From that point on Crabbe gained and sprinted the whole last 100 yards in great style.

The blue and gold veteran showed all the wonderful finishing ability that has brought him victory after victory in the two mile runs, and yesterday he kept up his reputation. He won by a good three yards in a remarkable finish and was fresh after the effort.

Ful-Wood of California showed his best form in the sprints and took both the 100 and 220 events with plenty to spare. The results were as follows:

Hammer throw—Won by Shattuck (U. C.); Why (U. C.), second; Barnes (P.), third. Distance, 170 1/2 ft.

One mile—Won by Annin (O.); Wood (U. C.), second; Wright (U. C.), third. Time, 4:22.5.

100 yards—Won by Woods (U. C.); Haseline (U. C.), second; Stanton (U. C.), third. Time, 1:10.5.

120 high hurdles—Won by Kirkpatrick (O.); Preble (U. C.), second; Maker (U. C.), third. Time, 2:15.5.

220 yard dash—Won by Wood (U. C.); Gillette (U. C.), second; Stanton (U. C.), third. Time, 2:49.5.

440 yards—Won by Todd (U. C.); Cook (O.), second; Straub (U. C.), third. Time, 5:14.5.

Shot put—Won by Thomas (U. C.); Shattuck (U. C.), second; Straub (U. C.), third. Distance, 40 feet 8 1/2 inches.

Two miles—Won by Crabbe (U. C.); Sturgess (O.), second; Straub (U. C.), third. Time, 10:53.5.

220 yard low hurdles—Won by Kirkpatrick (O.); Why (U. C.), second; Baker (U. C.), third. Time, 2:13.5.

800 yards—Won by Wood (U. C.); Gillette (U. C.), second; Stanton (U. C.), third. Time, 2:49.5.

Broad jump—Won by Allen (U. C.); Beckis (O.), second; Bradley (U. C.), third. Distance, 22 feet 2 inches.

580 yards—Won by Smith (U. C.); Griffiths (U. C.), second; Wood (U. C.), third. Time, 2:50.5.

High jump—Won by Brown (U. C.); Becker (O.), and Hill (U. C.), tied at 9 feet for second. Brown won on a tie breaker.

Pole vault—Gavin, Wright, Bangs, Frisbee, Gower (all U. C.); Barnes (P.); Wilson (O.). All tied at 11 feet 11 inches.

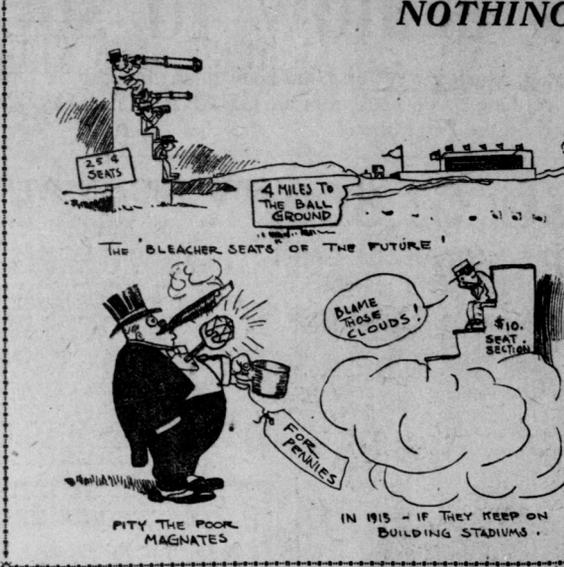

Relay won by California (Woodruff, Meyer, Clark, Todd). Time, 3:29.5.

### Ready for the Pistol

(Special Dispatch to The Call)

STANFORD UNIVERSITY, April 2.—With every man on both the rival teams ready for the starter's pistol, Stanford and the University of Southern California, promise to provide an afternoon of keen competition on the track tomorrow. Coaches "Dad" Moulton of the university and Dean Cromwell of the southern team are both confident of victory.

Captain Erroll Campbell of Stanford has announced a change in the events in which several of his men will compete. The Cardinal leader will not enter the hundred yard dash, but will leave the duty of winning to McKee and Freshman, Nedman. Campbell will compete in the furlong, quarter and relay. J. E. Woolley, four times a point winner in the weight events against California, is to compete in place of Shattuck, who is still nursing an injured hand.

### 'Big Chief' Talks on the Famous Thorpe Case

### Public Athletics for Girls Critized by A. A. U. Secretary in His Address

By WILLIAM UNACK

"Jim Thorpe might have been reinstated by the Amateur Athletic union had he appealed to that body immediately after his disqualification for playing professional baseball.

"Thorpe lied when he signed his A. A. U. trial blanks for the Olympiad, the Olympiad entry blanks and the Swedish entry blanks—all of which define the amateur."

"These startling sayings on a topic that has recently stirred the athletic world were a part of the address made by James E. Sullivan, secretary-treasurer of the Amateur Athletic Union, at the banquet tendered to him last night at the Olympic club.

Mr. Sullivan in his talk had much to say on the Jim Thorpe case which threw a new light on the case locally.

"Thorpe," he said, "is a lovely character of man, modest to a degree and a perfect gentleman, but he made a serious mistake and broke A. A. U. laws on the amateur, for which he had to be penalized."

"The 'Big Chief' declared that the A. A. U. laws were the greatest bulwark of good citizens in the world. Athletics, he contended, made the best type of citizens, as amateur laws teach 'thou shalt not steal' and an athlete consequently leads a moral life. Athletics, he maintained, are better than religion or education, as they bring about a sound body that carries a man through life."

He showed the necessity for playgrounds and play for children, both for the poor and rich, and prophesied that the day is coming when mayors will run their office on a "playground platform."

He told the meeting that he had not yet definitely accepted the athletic directorship of the world's fair games, but that if he did, he was in favor of home rule and that local athletic authorities would be a big factor in running the games in 1915.

The question of girls' participation in athletics was also touched on by Mr. Sullivan. He said that he had been accused of being opposed to the woman in athletics. This he denied, saying that he was in favor of the girl entering athletics so long as she kept to her own class, but was emphatically opposed to the girl entering public competition.

"The moment you make a girl a show girl," he said, "it is all off with the girl. The A. A. U.'s duty is to protect the woman and the girl, and this can not be done by allowing her in competition. I am in favor of girls' competition, as I realize that swimming and athletics are healthy exercises for them, but let them keep in their own class and not enter public competition. Vassar, Bryn Mawr and other large women's colleges never hold dual meets, but the girls have their athletics among themselves."

Mr. Sullivan looks for the 1915 games to be the greatest ever-splashed off in the history of this country under the A. A. U.

All the prominent athletic authorities of northern California were present at the banquet. President William Hamner, of the Olympic club presided and made an interesting speech on the good work done by Mr. Sullivan.

President John Elliott of the local branch of the A. A. U. gave reminiscences of the olden days and recalled the time when 268 boxers were expelled from the amateur ranks for professionalizing.

Other speakers were Frank Form, Tim Fitzpatrick and John Hammer-smith.

## HARD LUCK COSTS MALONE VICTORY

### Error of the Judges Loses a Bout for Clever Local Boy

VANCOUVER, B. C., April 2.—Officially, Vancouver Athletic club boxers made a clean sweep over the visiting San Francisco amateurs at the international tournament held last night, but error of judgment on the part of the judges deprived Frank Malone, the coast 125 pound champion, of a clear victory over Billy Soules.

Malone had the bout won in three rounds, but the judges failed to see it, and an extra round was ordered, in which the Vancouver boy had a shade and got the verdict. In the first three rounds, however, he was outpointed by the Californian, the local boy lacking the cleverness of his Olympic opponent.

The victories of Paul Pederson and Charley Patton were clean-cut. The battling Dane met Billy Jensen, the clever 125 pounder of San Francisco, beating him decisively.

Patton, the Canadian 125 pounder, defeated Phil Noonan easily.
