WOODLAND, Aug. 20.—It took but four and three heats, respectively, to settle the 2:24 trot and the 2:12 pace here today, May Mac, bay mare out of Lady Whips, by Arthur Wilkes, owned by Charlie de Ryder of Pleasanton, and Della H, brown mare, out of Jessie M, by Adrian, owned by F. L. Smith, also of Pleasanton, being the winners.

May Mac stepped her fastest mile in 2:114.

Della H paced the fastest heat of the day in 2:1034.

It being Woodland day, every business house and office in town was closed tight as a drum, with the result that the crowd was a record breaker for an opening day.

Under the management of Harry Dowling, superintendent of John W. Considine's Woodland stock farm, the first day race meeting is being held in connection with the Yolo county fair. May Mac caused some uneasiness to the De Ryder stable when she broke in the third heat and falled to do better than get sixth place. But the little black mare showed that in the future she will be reckoned with on the circuit by coming back in the fourth with an easy win of the heat, race and purse.

VANCOUVER, B. C., Aug. 20.—After several days spent in talk and the securing of surgeons' estimates as to how long it will take Welsh's ankle to heal, Willie Ritchie last night insisted on getting down to business to the extent of posting forfeits for the match for September 20.

Ritchie is ready with \$2,500, and is insisting that Welsh's backers put up a similar amount today.

In the meantime, the arrangements for the "fillin" match on Labor day are the subject of change every other hour.

A scheme was developed last night to have an elimination contest for Saturday of this week to decide as between Ray Campbell and Eddie Moy, which would be the best opponent for Ritchie on Labor day.

The arrangements for this, too, are subject to alteration. CHERBOURG, Aug. 20.—Louis Tellier, the French golf professional, sailed today for New York to compete in the national open golf hamplonship at Brookline.
