Disgusted With Life, Robert Widney, Whose Home She Wrecked, Writes Pathetic Letter

MESSAGE BRINGS BROTHER TO SCENE

Woman Who Twice Before Attempted Lover's Life Now Willing to Leave

Lived a riotous life. He has been drinking heavily of late, and I intend to take him away with me. A long rest is what he is most in need of now. We shall go into the country for a while, and then I'll take Bob back to Los Angeles with me.

Widney had a long conference with District Attorney Pickert yesterday. He agreed to separate from Mrs. Lyons, who expressed a desire to return to her old home in Denver.

Widney agreed to pay her expenses back to Colorado, and it is believed that she will leave today.

Judge R. M. Widney of Los Angeles, father of Robert Widney, arrived from the south late last night. He hurried to the city prison, where he made inquiries concerning his son, and was informed that young Widney had been taken to Livermore to be treated for poisoning.

SHOT HIM LAST WINTER Widney was shot by Mrs. Lyons in her apartment at the Sorrento hotel December 4 last by a bullet from the revolver of the fair divorcee.

Widney was taken to a private sanatorium and hovered between life and death for six weeks.

The police arrested Mrs. Lyons on a charge of assault to commit murder. At all times she protested her innocence, claiming that the revolver was accidentally discharged. She secured release on \$2,500 cash bail, obtained by paying her jewels.

When Widney recovered from the gunshot wound he took the stand before Police Judge Weller and testified that the woman's version of the affair was correct. Mrs. Lyons' case was then dismissed.

Mrs. Lyons is the divorced wife of William H. ("Billy") Lyons, Denver politician, who secured his divorce early in 1912, naming Widney as respondent. Widney and Mrs. Lyons went to Los Angeles, where Widney's wife and mother reside.

In October, 1912, they were discovered in an apartment house. Two weeks later Mrs. Lyons attempted to kill the realty broker in a bungalow in South Flower street which he had provided for her.

She had threatened to leave her on that day. The shots went wild. She then came to this city, and it was on Widney's farewell visit here in December when he brought letters and her photographs to return to her that she shot him, nearly causing his death.

OFFICER'S WIFE TO SEEK DIVORCE

Colonel's Daughter, Mrs. R. D. Goodwin, Announces Plan for Separation

After sharing its weight for seven years, Mrs. Robert D. Goodwin, the pretty wife of Lieutenant R. D. Goodwin, Fourth United States Infantry, has decided that the yoke of matrimony is too heavy.

She arrived here from Manila yesterday on the army transport Thomas and, early in December, will begin suit against her husband for divorce.

Mrs. Goodwin is an army girl. She was Miss Mamie Tillson, the daughter of Colonel J. C. F. Tillson, commanding the Eighth Infantry, and sister of Second Lieutenant J. C. F. Tillson Jr. of the Seventh Infantry.

She has been visiting her father in Manila and will make her home in this city until after she secures her divorce.

"It is true," said Mrs. Goodwin, "that I am going to sue my husband for divorce, but I don't think I should discuss the matter as I haven't yet told him of my intention. I do not care to say on what grounds I will sue for a decree, but I should like much, that no other woman's name will be involved. My husband is now stationed at Galveston. It is more than a year since I saw him."

CANAL TRADE EXPECTED

Shipping Organizations in Antwerp Want Harbor Enlarged

ANTWERP, Aug. 30.—In view of the approaching opening of the Panama canal, trade and shipping organizations here are appealing energetically to the government to hasten the harbor extension which was voted in 1905. The new canal, it is pointed out, will revolutionize Antwerp's trade, and attention is called to the wholly inadequate condition of the port at present.

SMART SET OUT IN FORCE AT CARNIVAL REFINES LEAVE MEXICAN WHEN BARRING GAMES

"Harvest Moon Fete" Is Highly Democratic Festival Patronized by Socially Prominent, Yet Is Not Society Affair

BURLINGAME, Aug. 30.—San Francisco and San Mateo county society attested its interest in the effort of its members to provide one of the rarest treats of the season by being present in large numbers this afternoon and evening at the street carnival in Park road, Burlingame, which, under the pseudonym of the "Harvest Moon fete," will go down in local history as one of the most cleverly managed charity affairs that has ever been given here.

But it wasn't exclusively a society affair. Everybody came to the fete. There were visitors from a half

dozen cities and the great democracy was received by patrons, maids and debutantes of the smart set in their daintiest costumes for the occasion. Every one met every one and the hundreds that took in the carnival went away quite happy and thoroughly tired.

The aeroplane overturned, but fortunately both Loughead and his passenger escaped with a few minor cuts and bruises.

Mr. Gannon says he notified the state department of the expected arrival of the refugees and twice wired for instructions, but late tonight nothing had been received from Washington. Without such instructions Mr. Gannon would take no action in the name of the Red Cross.

Fourteen of the party came from Burlingame, the capital of which has been in the hands of rebels for some time. Mrs. Mary A. Brackett told of seeing a visit to the federal garrison and how with drawn pistols and swords they robbed her of almost everything in her home.

Frank Abbott, also a miner, said he recently was held up by rebels and told he was to be shot. His captors tied him to a tree, but before the order was given the commander unhurt, but took his clothing.

"The killing of the Englishman, Palmer, in a Durango mining office, seems to show that the Mexicans dislike all foreigners, not particularly Americans," said Frank S. Brackett. "Because he would not open a safe, the combination of which he did not know, Palmer was shot."

EL PASO, Tex., Aug. 30.—Juarez tonight is being stripped of every available fighting man, its artillery and all arms and ammunition, in preparation of a hurried trip to Chihuahua tomorrow morning on a special train to reinforce the federal troops at El Paso, threatened by General Carranza's combined rebel forces of 8,000 fighting men. Carranza has swept away the federal outposts in the Carrizalito city, and his victorious rebel troops are rushing in to make the main attack on Chihuahua City. The attack on the city itself is expected momentarily.

Military Governor Salvador Mercado telegraphed the Juarez military authorities yesterday to hurry as many of the federal troops as possible to Chihuahua, and active preparations to move the troop train, which has been ready for departure for the last few days, are being carried on. Besides the federal troops many of the city volunteers are being impressed into service with the regulars. Only a sufficient force to police the town will be left in Juarez. General Francisco Castro, federal commander in Juarez, will take personal command of the troops which will go to Chihuahua.

The order for mobilization for all federal forces in Chihuahua has been general throughout the state, and refugees arriving from Chihuahua today stated that General Caraveo and the other federal commands which have been operating along the Mexican Northwestern railway have been recalled to Chihuahua. General Salazar with his 600 federal troops has departed from Villa Ahumada for Chihuahua.

Tonight unconfirmed reports of fighting in Chihuahua were received at the border, but the federals in Juarez denied the Carranza side the attack on the federal stronghold in Chihuahua. A rumor that General Pasqual Orozco and the volunteer federals had routed against Huertista in Chihuahua was also denied by the federals.

Wilson Visits Family CORNISH, N. H., Aug. 30.—Though in close touch with departments in Washington and with Mexico City, President Wilson announced no

change in the Mexican situation tonight. He spent the afternoon and evening at home. On his arrival here he received two long cipher messages relating to Mexico, but their nature was not revealed. The president, however, dispatched none in reply.

In the quiet seclusion of the summer capital he enjoyed the first reunion of his family in two months. The president's eldest daughter, Miss Margaret Wilson, has been visiting in the west since June and Mr. Wilson himself had not seen her since early in July. He was pleased to observe that his second daughter, Miss Inez, had entirely recovered from the injuries received when she fell from a horse recently. Miss Eleanor Wilson, the youngest daughter, and Mrs. Wilson accompanied the president on the trip from Washington.

The president plans to stay here until Tuesday, but may prolong his stay if developments in the Mexican situation permit, as his physician thinks a week of mountain air and exercise would greatly benefit him. The strain of the last few weeks in Washington.

WEST POINT, N. Y., Aug. 30.—Viscount Haldane, lord high chancellor of Great Britain, who is en route to Montreal, visited the military academy today. Lord Haldane came to the Hudson from New York on J. Pierpont Morgan's yacht Corsair.

The Corsair dropped anchor off West Point at 11 o'clock and was immediately boarded by Captain Clarence P. Townley, superintendent of the academy, accompanied by his staff and members of the academic board. In the boarding party also were Hon. Charles J. Doherty, minister of justice of the dominion of Canada, and Sir Lomer Gouin, premier of the province of Quebec, who came from Canada to meet the lord high chancellor at West Point.

After the usual courtesies had been exchanged on board the yacht, the whole party came ashore and was escorted to the "Plains" by a troop of colored regulars. A salute of 19 guns was fired and the battalion of cadets was drawn up in review formation on the grass plain. Lord Haldane was enthusiastic in his praise of the cadets' appearance and congratulated Colonel Fred W. Slaton, commandant of cadets, on their excellent showing. After a reception the various academy buildings were inspected.

In the party with Lord Haldane were his sister, Miss Elizabeth Saunders Haldane; Sir Kenneth Muir-Kenzie, clerk of the crown; Hon. Charles J. Doherty and Mrs. Doherty; Sir Lomer Gouin and Lady Gouin; Miss Allen; J. F. Martin, president of the bar of the province of Quebec, and Mrs. Martin; J. E. Hackett, secretary to the minister of justice, and Mrs. Hackett; Jacob M. Dickinson and Mrs. Dickinson; Alton B. Parker, Mr. and Mrs. C. A. Severance, J. Pierpont Morgan and Nicholas Murray Butler and Mrs. Butler.

The party left here at 4 o'clock in a special train for Albany and Montreal.

PROGRESSIVE PARTY HOLDS ANNIVERSARY Chicago Leader Claims That Woman Suffrage in Illinois Is Due to Its Efforts

CHICAGO, Aug. 30.—The first anniversary rally of the local members of the progressive party was held at an amusement park here today.

It was attended by several thousand persons and speeches were made by progressive leaders.

Credit for the passage of the woman's suffrage act was claimed for the progressive party by Prof. Charles E. Merriam of the University of Chicago.

Losses in recent engagements, they declared, are not nearly so heavy as reported, totaling not more than 300 or 400 on each side. The Huertista forces have 30 cannon and 40 machine guns. The constitutionalists are poorly equipped in this respect.

CONGRESSMAN DENIES CHARGES BY MULHALL

Lobby Committee to Put McDermott's Accuser on Stand Again

WASHINGTON, Aug. 30.—Representative James T. McDermott today concluded his testimony in his own defense before the house lobby committee, maintaining his general denial of charges against him by Martin M. Mulhall and I. H. McMichael.

The committee spent some time on the charges that McDermott had to do with the use of a secret room in the basement of the capitol by the National Association of Manufacturers as a headquarters for spies on congressmen.

Chief Clerk South, the house locksmith, and others were called. South testified at McDermott's request that he had six keys made to the room.

McDermott denied having received them.

The committee will meet again on Tuesday and continue cross examination of Martin M. Mulhall.

Eureka, Cal., and Anaconda, Mont., were the only towns not represented at the festival. Seattle holds the honor of sending the largest delegation.
