

NEWS & TIMES.

ISSUED EVERY SATURDAY MORNING BY THE ORANGEBURG NEWS COMPANY.

Geo. Holliver, Business Manager.

We are not responsible for the views or opinions of our correspondents.

SATURDAY, Dec. 25, 1875.

Christmas Greeting.

We wish one and all of our readers a merry Christmas. We have labored hard during the past year, and as printers should have a happy season as well as others, we trust our readers will excuse the small quantity of local and editorial news which we present to them this week.

Lamen and Ministers.

As a child of adoption by the Father of us all, a layman is no better nor any worse, any higher or lower, than a minister, and vice versa. The bodies and spirits of both belong to Him who has bought all with a price.

From this "chosen generation, royal priesthood, holy nation, peculiar people," some are called to preach. Yet many laymen of only equal ability do more for Christ than some that preach.

That's all right. We are ready for you Captain Dawson.

NOTICE.

The Subscribers are local Agents for the Security Life Insurance and Annuity Company of New York, and for Fire Insurance Companies; and will be pleased to receive from their friends, and all others, applications for insurance of either kind.

For Sale.

On the Third day of January next, I will sell in front of the Court House to the highest Bidder for Cash, One Dark Bay Horse, levied on as the property of John Kelly Summers, at the suit of Geo. H. Cornelius, under Mortgage.

Whether a preacher labor in the local or itinerant department, is a question of expediency, to be determined by the preacher with the aid of the best available lights.

Real Estate for Sale.

has been a member of the House of Representatives of that State since reconstruction, with the exception of two years. He is regarded by those who know him as a good and sound lawyer, an honest and impartial man.

The First Judicial Circuit includes the city of Charleston, in which reside some of the ablest and most refined members of the old bar of the State. Whipper being the first black circuit judge elected in that State, it is hoped that he and the members of the bar will act harmoniously.

The Taxpayers' Convention.

[From the Charleston News and Courier.] The meeting of the Taxpayers' Convention last week, if we count by events and feeling, was held an age ago, and what we have to say of its proceedings must be said briefly.

That's all right. We are ready for you Captain Dawson.

Notice is hereby given that I shall one month from date file my final account with the Honorable Judge of Probate for Orangeburg County, S. C. as Administrator of the Estate of J. M. Garrick, and ask for Letters of Dismissal.

J. N. ROBSON, 68 EAST BAY, COMMISSION MERCHANT AND DEALERS IN FERTILIZERS.

CHALESTON, S. C. November 1, 1875. Having been engaged for twenty years in the Guano Trade with eminent success, I deemed it advisable to introduce Fertilizers under my own name and guarantee. I have made arrangements to have prepared a Guano under my inspection and control, called ROBSON'S COTTON AND CORN FERTILIZERS. This Guano is of the highest standard. It contains, among other valuable ingredients, three per cent. of Ammonia, one and a half per cent. of Potash, and fourteen per cent. of Available Phosphate. I also have prepared for me a COMPOUND ACID PHOSPHATE of the highest standard. These Fertilizers are compounded of the purest materials, and are manipulated and tested under the supervision of Dr. St. J. Ravenel, of this city whose name gives a warrant for their high character and adaption for our soil. I offer these Fertilizers to Planters on the following favorable terms:

ROBSON'S COTTON AND CORN FERTILIZERS. Cash \$41 per ton; on time, \$50.

ROBSON'S COMPOUND ACID PHOSPHATE, Cash, \$28 per ton; on time, \$33.

Planters ordering immediately will be allowed to the first of April to decide which they prefer, cash or time. An order for a car load of eight tons will be sent free of drayage; but for a less amount \$1 per ton will be charged. On orders for large lots from Grangers or dealers, a liberal discount will be allowed.

I take this occasion to return my thanks to those who have so largely patronized the Fertilizers hitherto offered by me, and in soliciting their favorable attention to another, I pledge my best efforts to merit a continuance of confidence by keeping the highest standard of Fertilizers adapted to cotton and corn.
