

THE AMERICAN CITIZEN.
Butler, Pa. Wednesday, Dec. 4, 1867.

TEACHER WANTED.—A good Teacher can get a School in Butler township, by applying immediately to A. Cuthbert, or to GARRET PIERCE, Pres. of Board.

We are informed that the Sunbury M. E. Sabbath School has closed for the season until the opening of spring. At the last session held a few Sabbaths ago, there were one hundred and forty seven scholars present.

The good people of Sunbury and vicinity are alive in the Sabbath School cause. Persevere in the good work and you shall be richly rewarded.

It seems that the energetic and liberal U. P. congregation at Sunbury is leading its children in the same path in which it walks. They have lately handed over, through Mr. Christy, \$33.20 for the Foreign Mission Fund of this church. This is the result of a few Sabbath School collections, and should stimulate them and Sabbath School children everywhere to do what they can.

Gray hairs may not mar one's good looks and in many cases even improve the appearance, but as a general rule are considered objectionable and many devices are resorted to prevent or get rid of them. We know of no more so little troublesome or objectionable as the use of Ring's Vegetable Ambrosia, an article which of late has become so immensely popular as a toilet article and beautifier.

OUR SCHOOLDAY VISITOR. Certainly bears the palm of being not only the cheapest and best, but absolutely the handsomest of all the Periodicals for the Young Folks, that we have seen.

THE TRIBUNE FOR 1868. The January number for 1868, the first number of the TWELFTH VOLUME, is already upon our table. It is beautifully printed and embellished with quite a number of fine engravings; its list of contents is, throughout, a rich feast of good things from some of the best writers our country affords, and the whole is neatly bound in a tinted cover, printed in color.

DEDICATION OF THE ST. PAUL'S ORPHANS' HOME.—The New Orphans' Home near Butler, will be dedicated on the 10th day of December, 1867, at 2 o'clock. Clergymen of several Classes will be present and participate in the exercises. The public are respectfully invited to attend.

A SPECIAL CLASS MEETING will be held in the St. Paul's Reformed Church, in the evening, at 7 o'clock, Dec. 10th, '67.

IRON CITY COLLEGE.—This is one of the most popular and certainly one of the most successful institutions in the country. It is no institution of an hour, possessing a "bubble reputation," but it has merit, age and an established reputation—one which other schools may, and some do envy. The number of young men annually fitted for business here, exceeds that of any other school in the country, and what is still more important, their education is thorough and practical. From our personal knowledge of its Principals and Professors, we take great pleasure in recommending it to those in pursuit of a practical business education.—Stevensville Herald.

On Wednesday morning, the 27th instant, some place between Jacob Shanor's and the Court-house: one Note of Two HUNDRED DOLLARS, on Wm. S. Boyd; one One Receipt, and one Receipt of THIRTY-THREE DOLLARS AND FIFTY CENTS, and a Receipt for POLL TAX. The finder will be liberally rewarded by returning the same to the undersigned, or to the Editor of the CITIZEN.

THE TRIBUNE FOR 1868. PROSPECTUS. The year 1868 will long be remembered for its settlement of the boundary question between Aristocracy and Imperial Humanism. The War of the Rebellion being closed, we have now to decide whether the fanatical idea which impelled and justified the Rebellion shall dominate over our whole country, moulding institutions and shaping her destiny.

Only a few more subscribers are required to insure the speedy issue of the Great Illustrated Paper.—THE WEEKLY PRESS, which in size and appearance will resemble HARPER'S WEEKLY, but in value will far transcend that publication.

THE PRESS will be an embodiment of the spirit of the age. Its department will sparkle with the genius of the most eminent writers of the day.

THE ILLUSTRATIONS will be entirely original and of the most attractive style and nature. The great expense and labor involved in this enterprise render it necessary that we should start with an ENORMOUS CIRCULATION.

THE TRIBUNE has decided to be lured or turned aside from the Main Question. It has persistently refused to swell the clamor for vengeance on the defeat of the Rebels, whether by execution or by confiscation.

A SPECIAL CLASS MEETING will be held in the St. Paul's Reformed Church, in the evening, at 7 o'clock, Dec. 10th, '67.

A NOBLE RESPONSE.—Too much praise cannot be given to the noble response with which the Washington Library Company of Philadelphia is meeting in their patriotic endeavors to raise the required funds for the endowment of the Riverside Institute.

THE PROGRESS OF THE WAR IN CRETE, which is the precursor of a still greater war, has been watched by one of these special correspondents, while another telegraphs from Constantinople each novel phase of the critical diplomatic situation.

colored the advice of our correspondents at Vera Cruz and other correspondent accounts. National expedition to fill the first or whatever our splinter of the Pole may be called, and is now reported on the aspect and capabilities of that region. Bayard Taylor is writing in a vein from Central Europe, while our correspondents report to us from Colorado, Montana, &c., more copiously than we find room to publish. Our Review and Literary Department are a part of the ripest American scholars. Agriculture, under a competent editor, is a leading place in our Semi-Weekly. In short we have for years spent great efforts to render THE TRIBUNE a better and better newspaper; and, if we have succeeded, the fault is not explained by a means or efforts, whether on our own or on that of a generous and discerning friend.

THE TRIBUNE is sent by mail daily (Sundays excepted) for \$10 Semi-Weekly for \$4. Weekly for \$2 per annum, payable in advance. To clubs for the Semi-Weekly we send two year for \$7; for the Weekly we send two year for \$7; for the Weekly to clubs of five for \$9; ten copies or over addressed to names of subscribers, each \$1.70; twenty copies addressed to names of subscribers, \$3.10; ten copies to one address, \$16; twenty copies, to one address, \$30. An extra copy will be sent for each club of ten.

Iron City College. NATIONAL Telegraph Institute. Largest, Cheapest and Best Act Business College in the United States.
