The Chattanooga markets of Tuesday: Corn, 47c; Wheat \$1.95 @ \$1.10.

Four and a half pounds of coffee for \$1.00 at the Pickens corner. J. M. T. ROGERS, Clerk.

Uncle Billy Stevenson says he found a man at Chatata that can out-talk him. "Take him out!"

Remember that J. M. Crow is the only agent in Cleveland for the "VICTOR CASE MILL," or the "COOK EVAPORATOR," the best in use. Call and see them. Aug. 11, 11.

The Democrats in Cleveland swear they will not vote for the colored Yardley.

By reference to our first page it will be seen that all National Banks are required to "brand" all counterfeit money—None other than National Banks will be allowed to do so.

Sheriff Hays left Monday evening with Alfred Coole, colored, bound for the penitentiary for three years. The way of the transgressor is hard.

Maine voted last Monday. It gives an increased Republican Majority. However we will not blow about it—our Democratic friends are hurting bad enough.

Lewis Wagner of the Cleveland Foundry makes all kind of Hollow Ware, give him a call.

Religious.

The Fourth Quarterly meeting of the M. E. Church of this city will take place next Saturday at 10:30 o'clock a. m. Preaching also at 7 p. m.

SABBATH. Preaching at 10:30 a. m. after which Sacrament of the Lord's will be administered. Preaching at 7 p. m. All are invited. J. B. FORD, P. E.

Attention is called to the card of J. E. Clayton of the Ore Knob Mines in North Carolina. He wants sixty men and pays liberal wages. There is a chance for the many that are out of employment in this section. Address J. E. Clayton at Ore Knob, Ashe Co., N. C.

The Republican majority in Vermont is something less than fifty thousand. Arkansas ain't nowher! "Bah for Tilden, Tweed, Porter, Morrissy, Harris, and all other reformers."

The south span of the London bridge was blown down Sunday last by the storm. It is being rebuilt, and trains will probably run over it to-day. No delay in the mails, as transfers were regularly made by a steamer.

The Sunday School concert at the M. E. Church Sunday night last was a nice affair. The children sing well. The recitation by Master Winston McNabb was as good as we have ever heard from a boy of his age. Rev. Mr. Hyden deserves the thanks of the community for his efforts in behalf of building up one of the best Sabbath schools in this whole section.

Eggs and good Butter taken in exchange for coffee and Sugar. JOHN T. ROGERS, Clerk.

It is said Col. Fleming of the Knoxville Tribune is a warm friend of Yardley, the colored Democratic candidate for Governor, and receives calls from him very frequently. Won't it make Porter jealous?

In Knoxville the Democrats have formed a "Yardley and reform club." Sam McKinney is President and Mat Swan is Secretary. They meet once every week in Yardley's old office and have a good old time generally. The club is composed mostly of white Democrats, and few negroes—"bring in another horse."

Messrs. Baneser & Co. of Baltimore have secured the services of Mr. W. H. Tonkin of this city to travel for them. Mr. T. was long with Spurlock & Co. of Nashville, and proved himself to be a good salesman. We congratulate Messrs. Baneser & Co. on securing the services of so prompt a man and clever "feller."

Mr. George Drake, the Republican candidate for Congress, and the late editor of the Chattanooga Commercial has severed his connection with that paper and is now on the stump warming up Dibrell.

Ten Candles for twenty-five cents at the Pickens corner or twenty cts. per pound cheaper than oil and a great deal safer. JOHN T. ROGERS, Clerk.

PERSONAL.—Squire Yardley, Conservative candidate for Governor, passed down the road last Sunday bound for Lebanon, where he opens the canvass with his brethren, Thomas and Porter.

Col. S. D. Frye, who killed Gen. Zallieffer at Mill Springs, in battle in the late war, has been appointed United States Marshal in Kentucky.

Base Ball.

A match game was played Friday evening last between the "First Nine" and the "Plug Uglies," all of this city. The First Nine are: Jo. Hardwick, Ed. Tipton, John Legg, Tom Hayes, John Johnston, Tom Montgomery, Jo. Cash, John Hardwick, and John Cowan. The "Plug Uglies" are: John Ramsey, Swartz Burgess, John Rogers, Charles Newell, Theo. Rogers, Alex. Maples, Will Cate, Jeff. Montgomery and Polk Cooper.

They played to the seventh inning when the "Plug Uglies" were 15 ahead of the First Nine. They commenced on the eighth inning, but darkness came and they had to quit, leaving the "Plug Uglies" only 2 ahead—the First Nine being entitled to the last inning. Had the game been played out there would have been no telling who would have gained the victory.

The Athletics of this city and the Excelsiors of Chattanooga, will play a match game on Saturday, Oct. 7th, in this place. Seats will be arranged for ladies—all are invited.

Five of the Plug Uglies of this place have challenged the first nine of the Athletics, and will play the game to-day (Friday) commencing at 2 o'clock p. m.

To Whom it May Concern.

There are a great many parties in the city doing business whose License have expired. I can not delay the collection longer. If you want to save cost come up and settle and renew your License. W. S. TITTON, Recorder.

Sixty Men Wanted.

Wanted at Ore Knob Mines, sixty men to bore by the inch, on stopes. Pay 24 cts per inch. All Mine cost furnished free of charge. Board \$10 per month. Railroad station, Marion, Va. 45 miles to mine. Cash advanced to men of family between pay days—none but sober men need apply. JAS. E. CLAYTON, Agent.

The Editor of the Chattanooga Times who has five years to serve in the penitentiary for lying, has sold out, and a new firm will grind the organ in a few days. We fear it will be impossible for the new Editor to tell half so many lies as the old—as big ones.

Messrs. John Church & Co. of Cincinnati have our thanks for a copy of the H. & W. Campaign Songster. It has many good songs—some of which are set to music—price 10 cts. We can't sing much, but we know a gal that can.

A little daughter of Mr. W. M. Cate of this city fell from a stable loft last week hurting herself severely. At first it was thought her skull was fractured, but on examination, as we understand, it was not. She is doing as well as could be expected at the present.

John Campbell, our new Constable is a man of first class business qualification, and will make the best officer this district has ever had. He is one of those officers if you put papers in his hands they are executed at once. He will not hold up papers in order to let guilty parties escape, or let some fellow leave the country with his property whom there is an execution against.

Abel Smith the leader of the colored people of Middle and West Tennessee has written to the Knoxville Chronicle giving his views on Yardley's race for Governor, the letter will be found in another column in this paper.

Our Schools.

Prof. Chalmers of the Cleveland Masonic Institute has been and is doing good work for this community. His school opened with a much larger attendance than was first expected. If our people will only co-operate with Mr. Chalmers they can have one of the best schools in the whole section. To build up a school, the teacher must have the good will and patronage of the community.

The Free School in charge of Prof. S. Selvidge and Montgomery are doing well also—the attendance being larger than usual.

The Democracy of Polk and Bradley counties meet in convention here to-morrow to nominate a candidate for the Legislature. It makes no difference whom they put up, he will be beaten by Squire William.

Died.

Sept. 8th, at his home in this city—MR. P. M. CRAIGMILES, at the age of about 62 years. He had been confined to his bed some time previous to his death, suffering a great deal. Mr. Craigmiles was a highly esteemed citizen; was well known throughout East Tennessee. He was at one time President of the City National Bank of Chattanooga, and at his death was President of the Exchange & Deposit Bank of this city. He was a member of the Cleveland Board of Aldermen and was a faithful officer; he leaves a wife, son and daughter and many friends to mourn his loss.

The latest thing is the Chattanooga Times accusing the New York Herald of being a "Grant organ," because it is friendly to Hayes. The "Times" man must either be a fool, knave, or a jack-ass—we are inclined to think the latter.

Rev. J. B. Ford will preach his last sermon in this city next Sabbath at the M. E. Church. Conference meets shortly, and he will not likely come back here as he has been here a long time and wishes a change. It will be hard for the church to find a man that can fill his place.

Hon. Henry S. Foote spoke to a large audience in the city Wednesday evening. He handles the great "railroad wrecker" with gloves off. He proved the slanders being circulated against himself by street corner and grocery politicians to be false. He made Democrats set restlessly in their seats while he "skinned them alive." Mr. Foote is doing a good work for the cause of truth and justice. We hope he will visit us again before the canvass is over. Col. Edwards tried to answer him but failed. Our advice to the Col. would be to "lay low" from this on while such men as Foote are around. The Col. simply opened his mouth and put his foot in it. It is said that a little salt is all that will save the Col.

The Yellow Fever is raging at some points South. The dispatches from Savannah on Tuesday say there were twenty two deaths that day.

The Strangest Thing Yet!

That people will go through life or any part of it, with the system debilitated and run down, the liver kidneys and blood failing to act properly, rendering the person a burden to himself and disagreeable to his friends, when a few doses of Harris' Antibilious Discovery will remedy it all.

"Boss" Tweed is caught again, not at the "North pole using snowballs," but in Vigo, Spain. The report is confirmed; as times are getting a little hot, he will be back in time to use his influence for Samuel J. Rutherford for President.

Rev. Mr. Gray, of this city, met with quite a sad occurrence a few days since. In company with his mother and sister he left for the Centennial on Tuesday of last week. They arrived at Philadelphia all right; but a few hours later his mother died very suddenly of apoplexy. They passed down the road with her remains on Monday last bound for her home in Middle Tennessee.

Some white roughs broke up a Hayes & Wheeler meeting in Baltimore the other day; and some black roughs broke up a Tilden & Hendricks' meeting in South Carolina. All guilty parties were punished. Still the world wags.

The growth and structure of the human hair, is very plainly set forth in a pamphlet, published by R. P. Hall & Co., Nashua, N. H., proprietors of Hall's Vegetable Sicilian Hair Renewer, for gratuitous distribution. The deservedly high reputation of their preparation has wholly been gained by its merits. Being free from oil and alcohol, it has a healthy action on the scalp, restoring gray hair to its natural color without dyeing it, cures itching of the scalp, removes and prevents dandruff, and will thicken up the thin locks. Such are the benefits which are conferred upon the consumer. No one should neglect to give it a trial.

The Event of the Season.

The event of the season, John Robinson's Great World's Exposition, will be in Cleveland Oct. 11th. The Cincinnati daily papers have been recently publishing extensive editorials describing the many additions to the already vast concern, and it seems the great show is now the grandest one on the continent. Old John Robinson is a man of immense wealth, and he spares no money to make his Menagerie, Aquarium and Circus beyond even an attempt at rivalry. His additions and improvements this year outstrip every former effort, and his whole ambition is to sustain his well-earned reputation for having the most complete exhibition on earth. The assessed value of his show is over one million dollars, and its current expenses are over two thousand dollars a day. He has forty cages of wonderful wild beasts, a magnificent Giraffe, the largest performing elephant in America, an immense black Samatran Rhinoceros, a giant Ostrich, a school of Sea Lions and Seals, a large of Siam, Lions and Seals, some large Asiatic and African Lions, and numberless other remarkable novelties not owned or controlled by any other concern. On the day of each exhibition a splendid holiday street parade will be given through the place, and none of our readers should miss seeing it, as it will be a moving panorama of dazzling beauty, containing chariots, cages of wild beasts, dens of strange animals, cars of triumph, performing animals loose in the streets, kept in abeyance by experienced male and female trainers, bands of music comprising forty men, and, in fact, such a show has never yet visited Cleveland, and no one within 50 miles should fail to witness its grandeur. The brilliant street parade is, of course, free to all, while the admission to the three great shows is only one price, including Menagerie, Aquarium and Circus.

Circuit Court.

Alfred Coole, the colored man who has been robbing stores in Cleveland "on a sly," and in whose possession the stolen goods were found by marshal Burgess, had his trial last week and was sentenced to the penitentiary for three years.

A colored man whose name we did not learn, who was charged with stealing wheat, was released. In the case of J. R. Clifton vs. the E. T. V. & G. R. R., judgment in favor of defendant.

Murder Will Out.

A few years ago "August Flower" was discovered to be a certain cure for Dyspepsia and Liver complaint, a few thin Dyspeptics made known to their friends how easily and quickly they had been cured by its use. The great merits of Oakes' August Flower became heralded through the country by one sufferer to another, until without advertising, its sale began to become immense. Progress to EVERY TOWN in the United States an "August Flower" is a great suffering with Sour Stomach, Sick Headache, Constipation, palpitation of the Heart, Indigestion, Low Spirits, etc., can take three doses without relief. Get your August Flower, A. B. Sengster, and get a bottle for 25 cents and try it. Sample bottles 10 cents.
