

The Weekly Herald. LOCAL. NEWSPAPER DECISION.

We publish the following for the benefit of those who do not understand the law in such cases. 1. Any person who takes a paper regularly from the postoffice, whether directed in his name or another's, or whether he has subscribed or not—is responsible for payment.

2. If a person orders his paper discontinued, he must pay all arrears, or the publishers may continue to send it until payment is made, and then collect the whole amount whether the paper is taken from the office or not.

3. The courts have decided that refusal to take newspapers and periodicals from the postoffice or removing and leaving them uncollected for, is prima facie evidence of intentional fraud.

New Billiard Table. Mr. F. P. Kelly respectfully calls attention to the fact that he has opened a Billiard Room in the Simmons Hall and has a new table. He solicits a liberal patronage.

The Memphis papers are at present reduced to half sheets on account of the yellow fever.

Many of the cities are contributing liberally to the aid of the yellow fever sufferers.

Last Sunday was one of the warmest days of the summer—mercury standing at 95 in the shade.

Why were the Plugs at Knoxville not like Lazarus? Because they were not licked by dogs.

Jim Steed and Ben. Woods have returned from the springs much improved in health. Ben. looks as fat as a match.

MARRIED—At Sale Creek, Tenn., on the 14th inst., by Rev. W. K. Grimley, Mr. J. W. Holt to Miss Julia C. Bolton.

The Valley Fair will be held at Rhea Springs October 15, 16, 17 and 18th. The premium list will be published the 1st of September, says the "News."

The city of Cincinnati voted \$2,000,000 more last week to complete the Southern railway. The majority for the loan was 5,800 votes. We suppose Chattanooga feels better now.

If you hear anybody say that "Old Jap." was at Knoxville Saturday it is not so. But if you hear them say that he went to jump in bed and jumped under, that is so.

Some fellow remarked that the Plugs knocked thunder out of Sneed's balls. "Yes," says Old Jap., "they knocked thunder out of me, too."

A correspondent writing from Charleston on the 16th, says: "The little six-year old son of F. A. and M. J. Haubright died near here today of diphtheria. This is three deaths from this terrible disease in the last two weeks in this vicinity."

Yellow fever is slating in Memphis, and it is hoped that in a few days the terrible scourge will have taken its departure from that city.

The members of the Plugs return thanks to the citizens, especially Capt. J. E. Raht, for their liberal donations for defraying the expenses of their recent game with the Knoxville Reds.

If your constitution is broken, or you find it necessary to purify and cleanse the blood, use Dr. Bull's Blood Mixture.

The "Big Greenbacker" has gone to the Republican State Convention which meets in Nashville to-day. Look out for a better paper this week—the devil is in charge.

Mr. W. T. Gaunnon, near Georgetown, has presented this office with a beet weighing 6 lbs. He knows exactly how to grow them. Though the beet was dead, still he is no "dead beat."

Mouse Creek is 18 inches wide and 2 inches deep at the ford, in the narrow place. Good time for all those who are afraid of being drowned to be baptized.

The Reds and Plugs. The match game of base ball in Knoxville last Saturday between the Plugs of this city, and the Reds of Knoxville, resulted in a victory for the Reds by a score of 18 to 10.

The following are the tallies: Reds—Hunt, 2; McMillin, 4; Roth, 3; Condon, 2; Houck, 2; Sneed, 2; Compton, 1.

Plugs—Cate, 4; Montgomery, 3; Rogers, 3; Burgess, 1; Rainey, 2; Hardwick, 2; Cottrell, 1.

Though the score run up rather high this is to be accounted for by the game being played with a "live" ball. The game was interesting throughout, and both clubs done all in their power.

The Reds did excellent catching and poor batting, while the Plugs did worse catching than we ever before knew them to do, but their batting was excellent.

It is understood that the Plugs will shortly challenge the Reds to play a game in Cleveland.

Notice is hereby given that the partnership heretofore existing under the firm name of W. W. Wood & Co. is this day by mutual consent dissolved, and B. S. Wood assumes all liabilities of the firm of W. W. Wood & Co. and will be paid to the said B. S. Wood who is authorized to collect the same, and he will in the future be the sole proprietor of said business. Aug. 21st, 1878.

W. W. Wood. B. S. Wood. Capt. J. C. Morgan and L. L. Osment happened with what came very near being a serious accident Monday evening while out driving. They were turning the corner at the Ocoee House very suddenly and the buggy turned over, throwing them both out.

Mr. Morgan fell on the step-stones and hurt his head and hip joint considerably. Osment was not injured.

Fletcher Emmett, one of the murderers of the revenue officer John Cooper, was caught in Washington county last Thursday and brought to Knoxville Friday. From there he was sent to Maryville to await his trial.

At a meeting of the Plug Uglies last night the following officers were elected: J. P. Cooper, President; Creed F. Bates, Secretary; W. S. Tipton, General Manager; T. M. Montgomery, Captain; A. Traynor, Treasurer. The club is now reorganized and will give Knoxville a tight rub in the next game which is expected to come off shortly in Cleveland.

Here is what the Cartersville (Ga.) Express says of one of Cleveland's boys: "Will McNeelley, a hand in this office, only sixteen years old, set an average of 1,000 runs per hour, of Burge type, for eleven hours yesterday. If there is a boy of his age in the State who can beat this, by all means trot him out."

As yellow fever is raging now almost throughout the South, people can not be too careful about keeping their premises clean. Although the citizens of Cleveland pride themselves on living in the healthiest spot in the world, they cannot afford to let such a disease come in their midst.

A bright and beautiful child shows in its very expression that its babyhood was not associated with Opium which is antagonistic to health. That valuable and highly recommended remedy for the disorders of babyhood, Dr. Bull's Baby Syrup, is absolutely free from Morphia and all other dangerous agents, and can be safely employed at all times. Only 25 cents per bottle.

The Cleveland "Why-nots" and the Georgetown "Hooper-houzers" play a match game of base ball next Saturday we understand.

Plug Uglies have quit playing ball and gone to playing "mumble-peg." The Knoxville Reds think of herding "killees" the remainder of the season.

The "Lazy Nine" have retired to the shade of private life, and the "shirtil Rangers" are thinking of re-organizing.

The "wind mill" gives the Valley Herald a few raps over the head for not being a true Democratic paper. The "wind mill's" attention is called to a card from a Democrat in the HERALD of Aug. 8th, who wants to know what the "Banner" ever does for Democracy.

Mr. John F. Slover, one of the most highly respected citizens of Athens, died last Monday, after a confinement of two weeks. Mr. Slover was one of the oldest and most prominent Masons in the State, and has filled the office of circuit clerk of McMinn county for about twenty years.

We spent Saturday in Knoxville, the metropolis of East Tennessee—everything was as lively as a corpse—suspect everybody were busy in their houses—nobody on the streets. Market Square on Saturday morning was full of watermelons—that's all those Knoxville folks have to eat.

Special Offer. For a short time only. I will sell bran at five dollars per thousand pounds. Will charge seventy-five cents per hundred pounds, for less than a thousand. W. C. CARSON, At Cleveland Mills, Aug. 29-31.

YELLOW FEVER. MEMPHIS, August 20.—Postmaster Thompson has been notified that Memphis mail matter will not be received at Vicksburg and other points South.

NEW CASES AND DEATHS. MEMPHIS, Aug. 20.—There are twelve new cases from 5 p. m. yesterday to noon today.

BOSTON'S NOBLE RESPONSE. BOSTON, Aug. 20.—Responding to the request for assistance from the Mayor of Memphis, Mayor Pierce, of this city, authorizes the former to draw on him at sight for fifteen hundred dollars. The citizens will meet at noon to-morrow to take measures to relieve the distress in Memphis.

MOST MALIGNANT EVER KNOWN. MEMPHIS, Aug. 20.—The Howard Association of this city is advised from Grenada that the epidemic there, considering the size of the town, appears to be the most malignant and fatal ever known in the country. The great want is nurses and money.

ONE HUNDRED CASES IN VICKSBURG. VICKSBURG, Aug. 20.—The health officers are unable to give official figures but estimate that there are one hundred cases in the city, and the number is rapidly increasing. Four internments took place yesterday from yellow fever patients. There have been eighteen deaths to date. The City Council have abolished the quarantine.

A Chattanooga Defiant. Commercial: "Charles Moore, formerly of Gallipolis, Ohio, who has been in the employ of D. Kirkpatrick & Co., at this place for the past three years, has absconded with upwards of \$1,000 of his employer's money. Young Moore has always been trusted by his employer, and until a few days since was never suspected of dishonesty.

Two or three weeks ago he returned from a trip through Alabama, and a few days afterward started out on a collecting tour in a private conveyance of Mr. Kirkpatrick's. For a few days he reported promptly, then, however, he seems to have left the team, and traveling by railroad as fast as possible, went to a number of places where persons were indicted to Mr. Kirkpatrick, representing that the latter was in special need of money, and forcing collections as fast as possible.

Mr. Kirkpatrick hearing of his presence on the Selma, Rome & Dalton road, and knowing that he should not be there, started after him, but failed to catch him. He traced him as far as Decatur, Ala., from whence it is supposed that he took the train for either Nashville or Memphis.

The Cotton Crop. The August returns to the Department of Agriculture show the average condition of the cotton crop in the ten cotton States to be 95 per cent; a decline of 4 per cent North Carolina 82, a gain of 2, S. C. 97, a loss of 7; Georgia 92, a loss of 13; Florida 99, a loss of one; Ala. 98, a loss of 4; Mississippi 92, a loss of 6; Louisiana 90, a loss of 5; Texas 108, a gain of 2; Ark. 98, a gain of 7; Tennessee, a loss of 6. Of two hundred and ninety-six counties, 63 report 100; 83 above and 153 below.

The condition of crop is somewhat better than in August 1877. In the Northern portion of the cotton belt, many counties complain of the extreme drought, causing the plants to shed and the bolls to open prematurely. Further south the rain fall has been excessive, causing rust. Insect injuries at date of correspondence were inconsiderable, but later reports to Prof. Riley, the entomologist, show a considerable injury from this source.

The report that the yellow fever is in Nashville seems to be unfounded.

Hampton's Requisition for Ex-Governor Scott. A Columbia, S. C., dispatch says it is reported on good authority that Governor Hampton has forwarded to the Governor of Ohio a requisition asking for the extradition of Ex-Governor A. R. Scott, who lives in Napoleon. He is charged with having bought a majority of votes of members of the Legislature during the session of 1871-72, in order to defeat his own impeachment for "high crimes and misdemeanors," and that in order to raise money to buy the votes he issued fraudulent warrants on the treasury, in the names of imaginary persons, to the extent of \$100,000.

Disraeli in Prophecy. Buffalo Express:—Our attention to the eighth chapter of Zachariah, and asks if it might not well be regarded as a prophecy of Beaconsfield wonderful pre-eminence in the Congress of Berlin. It is as follows:—"Thus saith the Lord of hosts; in those days I shall come to pass, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying: We will go with you; for we have heard that God is with you."

This is certainly a remarkable prediction, bearing in mind some of Disraeli's early writings. We respectfully suggest the verse as an appropriate text for a sermon upon the "Juke of Jerusalem."

Send your orders to J. M. Crow for Cane Mills and Evaporators, and if you wish to pay it in Sorghum you can do so. Also be sure you see his grain drill before you buy elsewhere, and when you come to town be sure and go to Wood's pump shop and see the little Giant Engine at work. For we know it will suit you. July 11, 1878.

The Recent Elections. From the Methodist Advocate. The recent elections in the South have hardly been mentioned in the press dispatches or Southern papers, and when spoken of, the facts have been concealed or but half stated except in reference to Alabama.

In North Carolina the Republicans have made considerable gain, adding largely to their number of members in the Legislature, and have made it apparent that they will elect several members of Congress, next November, if there is anything like a fair election and honest returns. In Kentucky the Republicans elected a large number of county officers in various parts of the State. In Tennessee the Independents have made themselves felt, carrying the elections in Memphis and Nashville, and in Chattanooga the Republicans were victorious, but in Alabama the bulldozers had every thing their own way.

If the people of the South rally and shake off the rebel leaders they will save themselves and the country from a disaster of the most fearful nature. Every Christian ought to remember the country before God, daily, and do the duties of a citizen on Christian principle, and every patriot and honest man ought to give the most careful attention to the interests of the nation and act intelligently in its behalf. The people must measure up to the responsibilities upon them or they will be led into ruin as in 1860.

An Undeniable Truth. You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you—your unreasonable prejudice and skepticism, which has killed thousands. Personal knowledge and common sense reasoning will soon show you that Greene's August Flower will cure you of liver complaint, dyspepsia, with all its miserable effects, such as headache, palpitation of the heart, sour stomach, habitual costiveness, dizziness of the head, nervous prostration, low spirits, &c. Its sales now reach every town on the Western Continent and not a Druggist but will tell you of its wonderful cures. You can buy a sample bottle for 19 cents. Three doses will relieve you.

For the Legislature. The HERALD stands ready to announce any one as a candidate for the Legislature for the small sum of \$5.00. Now is your chance, come this way.
