collamed both sides, and a terrible war cut's six votes and still have one vote to

spare.

This is the closest kind of a count against the Democrats. We have taken no note of Nevada with her three votes, The October Elections The elections in the October States have passed off quietly, and the victory is ours. It used to be said, "As Pennsyl- There is Oregon, which gives very strong gains. Oct. 20-3t. indications of her three votes going for vania goes, so goes the Union," and the Democracy. Senstor Morton has with as much truth it may be said, as the gone post-haste to look after Calafornia's October States go, so goes the Union. six votes, but what can he do there? The The Republican party recognized this bloody-shirt will be thrown away on Califact, and bent their whole energies, and fornia, and even Bob Ingersoll's fanconcentrated all their forces, sparing tastic pictures of the war would make no impression. The golden State has no neither money nor speakers, and practiswar reminiscences, and is not over ing the most outrageous frauds ever sentimental. Senator Morton's horknown to the ballot box, making one rible pictures of the injustice dealt out grand effort to carry them, either by fair by the whites of the Southern States to or foul means. The result has proven arouse very fierce passions of resentment

succeeded. The people are at last thora ring the charge of being not over just to the heathen Chinee. The whites of Calughly aroused to a knowledge of their ifornia and of South Carolina are not far ights, and not willing to wear the yoke apart in their experiences with a distinct any longer. Neither are they willing to element of population. [Parenthetically, let us say that the result in Indiana makes doubtful States of Illionois and Pennsylvania, while our Wisbe blinded by the "bloody shirt." The result in Indiana, where the infamous author of this cry lives, has forever setconsin friends assure us that her votes will go for Tilden—though for the sake of tled this question. Senator Morton, with all his eloquence and zeal, carried aloft | a calculation which the Republicans can not dispute, we shall leave them out of this standard, Kilpatrick thought that our estimate.] t would win, provided there was money Throwing out South Carolina and Flormixed along with it; but it was all of no ida, 127 Southern votes may be counted avail. Blue Jeans was more popular,

for Tilden. Dropping Connecticut from the group of three States to which the and the Hoosiers sung an anthem over the graye of the bloody shirt, to the tune ticular attention, Tilden may count on 44 more votes, Indiana will give him 15 more, making in all 186 votes, one over a majority. Giving him the probability of Oregon and California, 9 more may be uphonored and unsung." Ohio, instead added, which will make 195, ten over a of going for the Republicans by 30,000. majority. These figures seem within the range of strong probabilities, next door to certainty. They show that all that is as they claimed, has given Barnes, their leading eandidate, the meagre majority eded to secure the November election of about 6,000, and this makes Ohio, a is for the Democrats not to let their pres-State they counted as certain for ent prospects drop off. In other words what is needed is a stout, vigorous figh Hayes, doubtful in the great contest all along the line and everywhere so as to in November. Hayes's own State make probability certainty by securing enough votes to allow a margin for mis

The Home-stretch.

Springfield Republican, (Hayes paper.)]
The indecisive October result means ing the Radicals made a fight here, hopich a last month of the canvass as thi ing to carry the State, so as to gain two untry hasn't seen but once or twice ring its whole political existence. I In Georgia, the Democrats have swent the home-stretch that is to decide this year. The election will not be over un I the men are actually elected. The clinch and tug will now come over the States of New York, New Jersey, and by the party in power is ridiculous, and Connecticut, with the advantages of posis on and present chances appreciably i ears on its very face absurdity. The favor of the Democrats. All three o South now for the first time since the nese States have Democratic governors ne of these governors is the party can-Eastern and Western States, and all are didate for the presidency, and withal as xperienced and astute an organizer of ictory as modern American politics has een. Every week now the probability of solid South approximates more close to certainty. Add to the Southern ectoral votes those of three States (New party in power has been weighed in the ork, New Jersey and Connecticut) with ose of the ex-slave and border States. Mene! Mene! has been written on the which are conceded to the Democracy, and the total is 188-three more than are needed to elect. This without Indiana, without California, without Nevada or Oregon, all three States conceded to Tilden in the estimate put forth the American Alliance, Governor Hayes ome time ago by the Republican Naremarked, apparently in response to a suggestion in Secretary Tyler's letter to ional Executive Committee, and without isconsin which can hardly as vet dr.
