MILAN EXCHANGE

SATURDAY, OCTOBER 27, 1883.

OVER THE COUNTY.

The woods are full of persimmons this fall. The 'persimmons' will consequently be fat.

Dr. John Northern, one of the oldest physicians of this county, died near Rutherford on the 12th inst.

Gibson county will heartily welcome all worthy immigrants who may come within her borders. We need more good farmers and mechanics badly. Come along. We know of several good farms which can be had very cheap now.

Esquire Biggs, chairman of the county court, is quite ill with malarial fever, and will not be able to preside at the next term of the court. Esquire T. J. Williams, of Humboldt, will hold the court. We hope soon to hear that the Judge has recovered.

Marshal Benthall, near town, was thrown from a mule on Friday of last week, breaking his arm. He also had a fine horse killed by a train on the Central road last Saturday night, near the Methodist church. He was unlucky last week, and has the sympathy of many friends.

Several families have recently moved from Ohio to Medina, ten miles south of here. We learn that they came through the influence of Mr. C. M. Merwin, one of the best and most progressive of our fruit growers. O, for a hundred more like him! Enterprising, working, educated farmers are needed all through this county, and we are glad that they are coming in.

The Jackson Tribune and Sun wants the old ticket—Tilden and Hendrix—next year. We might do much worse.

Grand Excursion to New Orleans.

The Illinois Central R. R. will run Excursions to New Orleans as follows: Leaving Milan at 10:00 a. m. and 3:35 p. m., November 5th and 6th. Fare for the round trip only \$9.30. Tickets good to return until November 15th. No one will fail to appreciate not only this extremely low rate, but the advantage of two different dates. Now is the time to visit the "Crescent City." J. F. MERRY, Gen'l. West Pass Agt. J. W. COLEMAN, Asst. Gen'l. Pass Agent.

Lumber For Sale.

We have at our mill at Waterford almost all kinds of lumber, which we will sell at our old prices for cash. Parties who have taken out bills of lumber without paying for it are notified that we will enforce the mechanic's lien on it if not paid for immediately. Please come and settle immediately.

J. A. KEATON & Co.

To the People!

I wish to call the attention of the people generally to my restaurant and oyster saloon, which I have just fitted up in the best style, at a considerable expense. I feel that this is something that has long been needed here. I am prepared to give you a hot, square meal at any hour, day or night. In connection with this enterprise, I want to say that I have the largest and most complete stock of Whiskies, Brandies, Wines, Bitters etc., ever offered in Milan. Thanking the public generally for their very liberal patronage, and asking a continuance of the same, I am, Yours truly, W. H. BLANKINSHIP.

Something New Under the Sun—A new era is dawning upon women. Hitherto she has been called upon to suffer the ills of mankind and her own besides. The frequent and distressing irregularities peculiar to her sex have long been to her the "direful spring of woes unnumbered." In the mansion of the rich and hovel of poverty alike woman has been the constant yet patient victim of a thousand ills unknown to man—and without a remedy. "Oh Lord, how long!" in the agony of her soul, hath she cried. But now the hour of her redemption is come. She will suffer no more, for Bradfield's Female Regulator, "Woman's Best Friend," is sold by all Druggists.

Dr. J. Bradfield, Prop., Atlanta, Ga. Price 75 cents and \$1.50 per bottle.
