DRY GOODS. It Is a Fact That--

"Fixed prices remedy many shortcomings of trade and shut the consumer system is directly and indirectly making over the whole business of shopping."

This is only as it should be, and will be. There are now no large houses where this system does not prevail, yet we remember when it was different.

Some have lately adopted this system and others have yet to see the wisdom of it. The days of "sizing up the customer," "getting what you can," and other old-fashioned methods are now past, and justly so.

The modern principle upon which our business was founded, and under which it has continually grown, are as follows:

First—Sincerity and absolute "Cash Price" to all, thereby placing a child on the same footing with the most experienced shopper.

Second—To sell only Standard Fabrics of a reliable quality.

Third—Fidelity to every customer, standing by every case of dissatisfaction, without comment or indignation.

Fourth—Prompt, efficient, and polite attention to all, and strict attention to business, with an eye over the best wholesale and retail markets of the country, enabling us to keep our prices always at such a point that we are willing to guarantee them as low as goods of the same quality and manufacture are sold anywhere in this country.

Mail Order Department. This branch of our business is still growing, and having now received most of our Fall and Winter Stock, we shall be pleased to send samples upon request, and guarantee to quote prices as low as the lowest competing house as we do for thousands, we should be better shoppers than you, and promise to give you the benefit of our experience. All orders will receive our best prompt attention, even to the slightest detail. All goods sold are returnable for the amount paid.

WOODWARD & LOTHROP, 404 SEVENTH ST. AND 406 SEVENTH ST.

Hosiery. Sufficient evidence that we are giving good values in Hosiery is the fact that business in this department has steadily increased each succeeding season.

The present stock was never better nor in a more promising condition for a good fall trade.

These we have now are extra fine. Colors—Black, seal brown, and navy blue.

The "Double Knees," beginning with size 6, at 30c, rise 2c per size, are equally as good value.

WOODWARD & LOTHROP, 404 SEVENTH ST. AND 406 SEVENTH ST.

Men's Fall and Winter Underwear. The best portion of our stock of these goods have been manufactured expressly for us by an eastern manufacturer whose facilities for making good goods are second to none in this country.

The Men's (at 50c) Shirts and Drawers are an improvement over last season's, from the fact that they are finished seams and have Russian braid binding in place of cotton.

An elegant thing for men's early fall wear is Medium and Heavy-weight White Wool Shirts and Drawers, finished with small seams, cat-stitched Russian binding, satin facing, pearl buttons, at 75c each. We have never offered a better value.

Norfolk and New Brunswick Co.'s goods have heretofore been marked according to size—the smallest at \$1.10, the largest size at \$1.70. This season we have obtained them under such circumstances as will enable us to sell all sizes from 34 to 44 at \$1.25 per garment. This evens up the little man and the big man.
