

IRISH LAND COURTS.

BAILOFF'S MEASURE FOR THE EXPEDITION OF BUSINESS.

Lord Randolph Churchill Wants a Substitute Which Will Bring All the Machinery of the Courts Under One Body.

London, Mar. 27.—Balfour's bill to expedite business in the Irish land courts by appointing assessors to assist the judges was respited in the house this evening.

Lord Randolph Churchill urged the substitution of a larger measure bringing the ordinary law in litigation under one body dealing with the purchase and valuation of lands and tenements.

The present machinery was expensive and characterized by insanity. There were three separate tribunals in some respects antagonistic to each other.

Lord Randolph said the bill would centralize the land courts under one body, and would be a great improvement on the present system.

Mr. Gladstone approved the introduction of the bill, without pledging his ultimate approval of the measure.

The bill was then read the first time, and the house adjourned until April 1.

The Nottingham spring handicap was won by Verelity.

Mr. Gladstone had an interview with Baron de Sottolunga, at which fresh proposals regarding the proposed canal were discussed.

The budget is received favorably on the stock exchange.

Tanzel will not visit Ireland during the Easter recess but will go to the south of England for his health.

Dillon said that Balfour's land court bill would be a great improvement on the present system.

ALL BOAR WOMAN'S RIGHTS.

THE INTERNATIONAL COUNCIL GETS DOWN TO WORKING BASIS.

Many Speeches Painted and Interesting—Train Meeting of Philadelphia—Origin and Work of the Red Cross Society—Miss Willard on Temperance.

The International Council of Women decided to meet in Philadelphia during the morning session of yesterday, and as usual the theater was well filled.

The presiding officer, Mrs. Harriet B. Shattuck, who is president of the National Woman's Suffrage Association for Massachusetts, presided over the assembly.

Then Mrs. Hilda G. Wallace fervently invoked the blessings of the Almighty on the council.

It might be the means of disseminating a knowledge of great truths throughout the universe.

Mrs. Harriet H. Robinson read the hymn, of which she is the author:

There is a power of moral voices, rising in their might; The daughters of Columbia have been reading of our right.

And the audience joined in a grand chorus to the tune "Hold the Fort."

Mrs. Shattuck then read a brief speech, said that the subject for the morning discussion was "The origin and work of the Red Cross Society."

The term "Red Cross" was derived from two Greek words meaning "love in man," and to the Red Cross Society is given the name of "Red Cross Society."

Mrs. Isabel C. Barrow, of Boston, delegate from the women's auxiliary conference of the National Woman's Suffrage Association, presided over the session.

She said that the conference which she represented was held in Philadelphia, and that the work of the Red Cross Society was to be discussed.
