LEE'S AFRIAN TO NIC

THIS Preparation is the most efficacious remedy yet discovered for DROPSY and diseases produced by eating Dirt, Ashes, Charcoal, &c., or any anti-nutritious or indigestible substances. It cures those whose negroes are addicted to these, &c.—should give it a fair trial.

Directions for Use.—One table spoonful of the Tonic just before each meal; at bedtime half a table spoonful, with equal portions of castor oil, for three nights; afterwards the Tonic, alone, as above directed.

The above can be had at the stores of—

- W. BAILEY, Cheneyville; T. C. ANDERSON & Co., Alexandria; A. J. THOMPSON & Co., Opelousas; CAMPBELL & GURDEY, Vermilion; CAILLIET & BULLIARD, Breaux; B. JOSEPH GONDOLFI, St. Martinville; HARE & BIRDSALL, Jeanerette; G. S. THAYER, Indian Bend.

Read the following few Certificates:

Cheneyville, La., Dec. 17, 1850. Mr. W. LEE—With pleasure I certify that I have used your African Tonic upon ten negroes addicted to eating dirt, charcoal, raw corn ashes, without a single failure. Some of my hands were so far exhausted that they were incapable of walking any considerable distance, without complete exhaustion. They have all been restored and have made our crop in good health. For proof of these facts I refer you to Mr. W. Crittendon, who managed my business this year. I believe that if properly used it will cure in any and every case above mentioned.

Respectfully, your obedient servant,

CHENEYVILLE, LA., Dec. 18th, 1850.

I have used the above medicine which Mr. P. Tanner speaks of, and find it very successful in each and every case.

Bayou Lafourche, La., Dec. 19, 1850.

I hereby certify that I have used Lee's Tonic for the last eight months on eight or ten negroes, and they are all able to do a good day's work; and in all probability had I not used Lee's Tonic, half or more would have died.

JOSIEHA PRARCE.

Bayou Lafourche, La., Dec. 17, 1850.

Mr. W. LEE—Sir, from my knowledge of your African Tonic I feel no hesitation in saying that it is the most effectual remedy for the cure of dirt-eating I ever knew. I have tried it on a young woman who had almost destroyed herself by eating dirt; she is now perfectly well, and has been so some months. For the above statement I refer you to Mr. Silas Pearce, who administered the medicine.

Yours respectfully,

ANDREW JACKSON, SILAS F. PEARCE, Agents in Franklin, G. N. SEAGRAVE & CO. Aug 9
