PATENT MEDICINE

To the Afflicted!!

LIVER COMPLAINT, DYSPESIA, JAUNDICE, CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, AND ALL THOSE ARISING FROM A DISORDERED LIVER OR STOMACH, such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Swimming of the Head, Headed and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Spasms when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Back, Chest, Side, Limbs, &c., Sudden Flushing of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirit, CAN BE EFFECTUALLY CURED BY

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY DR. C. M. JACKSON, No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not exceeded, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without fail, safe, certain and pleasant.

Read and be convinced!

The Philadelphia Saturday Gazette says of Dr. Hoofland's German Bitters: "It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers, and the reason we do so is, that we are distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten, after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Scott's Weekly, of the 25th August, says: "Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE. J. G. Moore, Esq., of the Daily News, in his issue of October 31st, says: "Dr. Hoofland's German Bitters.—We are trying the Hoofland medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from our first physicians."

Hon. C. D. Hineine, Mayor of the city of Camden, N. J., says: "Hoofland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration, is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing. If this medicine was more generally used, we are satisfied that there would be less misery, as from the stomach, liver and nervous system, the great majority of real and imaginary diseases emanate. Have them in a healthy condition and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

For sale, wholesale and retail, at the German Medicine Store, No. 120 Arch street, one door below Sixth, Philadelphia, and by respectable dealers generally throughout the country.

Also for sale in Franklin by Dr. Charles Rabé, in Pattersonville by Wm. Cissna, and in New Orleans by J. Wright & Co.

AYER'S

CHERRY PECTORAL, For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

OF all the numerous medicines extant, (and some of them valuable) for the cure of pulmonary complaints, nothing has ever been found which could compare in its effects with this preparation. Others cure sometimes, but at all times and in all diseases of the lungs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it, but those who have not. Families that have known its value will not be without it, and by its timely use they are secure from the dangerous consequences of Coughs and Colds, which, neglected, ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Board of Judges in September, 1847; also, the Medal of three great Institutes of Art, in this country; also, the Diploma of the Ohio Institute at Cincinnati, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion founded on the long experience of the eminent Physician of the Port and City of ST. JOHNS, May 8, 1851.

Dr. J. C. Ayer—Five years trial of your Cherry Pectoral in my practice has proven what I foresaw from its composition, must be true, that it eradicates and cures the colds and coughs to which we in this section are peculiarly liable. I think its equal has not yet been discovered, nor do I know how a better remedy can be made for the distempers of the Throat and Lungs. J. J. BURTON, M. D., P. R. S.

See what it has done on a wasted constitution not only in the following cases, but a thousand more: SUBURBY, Jan. 20, 1851.

Dr. Ayer—In the month of July last I was attacked by a violent diarrhoea in the mines of California. I returned to San Francisco in hope of receiving benefit from a change of climate, but my diarrhoea continued, but it was followed by severe cough and much soreness. I finally started for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquaintances as a victim of consumption. I must confess that I saw no sufficient reason to doubt what my friends all believed. At this time I commenced taking your truly invaluable medicine with little expectation of deriving any benefit from its use. You would

PATENT MEDICINE

not receive these lines did I not regard it my duty to state to the afflicted, through you, the many health, in the space of eight months, is fully restored. I attribute it to the use of your Cherry Pectoral.

Yours truly, WM. W. SMITH.

WASHINGTON, Pa., April 12, 1848

Dear Sir—Feeling that I have been spared from a premature grave through your instrumentality by the power of God, I will take the liberty to express to you my gratitude.

A cough and the alarming symptoms of Consuming had reduced me too low to leave me anything like hope, when my physician brought me a bottle of your "Cherry Pectoral." It seemed to afford immediate relief, and now in a few weeks time has restored me to sound health.

If it will do for others what it has for me, you are certainly one of the benefactors of mankind. Sincerely wishing you every blessing, I am Very respectfully yours,

JOHN J. CLARK, Rector of St. Peter's Church.

With such assurance and from such men, no stronger proof can be adduced unless it be from its effects upon trial.

Prepared and sold by JAMES C. AYER, Practical and Analytical Chemist, Lowell, Mass.

Sold in Franklin by CHARLES RABÉ; in Pattersonville by Wm. CISSNA; in New Orleans by J. WRIGHT & CO., and by druggists and dealers in medicines everywhere. 15-3m.

BROWN'S Essence of Jamaica Ginger, Prepared and Sold at FREDK BROWN'S Drug and Chemical Store, N. E. corner of Chestnut and Fifth Streets, Philadelphia.

THIS Essence is warranted to possess, in a concentrated form, all the valuable properties of Jamaica Ginger, and will be found on trial an excellent family medicine. It is particularly recommended as a tonic to persons recovering from fever or other diseases, a few drops imparting to the stomach a glow and vigor equal to a wine-glassful of brandy or other stimulant, without any of the debilitating effects which are sure to follow the use of liquor of any kind, and it is therefore especially serviceable to children and females. To the aged it will prove a great comfort; to the dyspeptic, and to those who are predisposed to gout or rheumatic affections, it gives great relief; and to the inebriate who desires to reform, but whose stomach is constantly craving the noxious liquor, it is invaluable, giving tone to the digestive organs and strength to resist temptation, and is consequently a great agent in the cause of temperance.

Dose.—For a grown person, one tea-spoonful; for a child ten or twelve years old, half a tea-spoonful; and for a child from two to five years old, from fifteen to twenty drops—to be given in sugar and water.

For sale in Franklin by DR. C. RABE.
