The MOUTH WASH—preserves the gums, and prevents their becoming soft, spongy and white—it purifies the breath, and imparts to it a most agreeable and pleasant odor.

I have also in preparation an ANTI SCORBTIC TINCTURE, used for swollen, inflamed or spongy gums, very valuable to those persons so affected, which by a constant use will keep the gums and mouth in a healthy state; meanwhile it will impart a fragrance to the breath, and a very refreshing nature.
