MARSDEN'S COLUMN A FEW WORDS OF COMMON SENSE.

How few there are who are not subject to some affection of the lungs or respiratory organs, who, by neglecting preliminary symptoms, aggravate the complaint until disease strikes its shaft, causing insupportable torture of the patient, and anxiety to a distressing degree.

Do not suppose the strongest mind to be free from the result caused by neglect? Then why delay? What excuse can be offered, when timely warning is sounded in your ears? When the danger is pointed out, why not avoid it? MARSDEN'S PECTORAL Balm has been used with success in nearly a million of cases, and is endorsed by the Medical Faculty as the most prompt and efficacious remedy that scientific research has discovered to relieve and cure all cases of Croup, Hoarseness, Inflammation, and Consumption, if the case is not beyond all hope. Even when the sufferer is in the last stages, he will find by using this preparation, that the cough will cease, the inflammation be by no means exaggerated, in fact, all the effects of the disease bestowed upon him by thousands who have been cured by its timely use.

Marsden's Pure Cod Liver Oil, Marsden's Calisaya Tonic. As an Alternative, far surpasses any of the many Biletics preparations, with which the country is flooded, under the cognomen of Sarsaparilla, Symp, &c. It is composed of the pure Calisaya Bark, in its most concentrated form, combined with the purest and most valuable of all vegetable oils.
