MARSDEN'S COLUMN A FEW WORDS OF COMMON SENSE.

How few there are who are not subject to some affection of the lungs or respiratory organs, who, by neglecting preliminary symptoms, aggravate the complaint until disease strikes its shaft, causing inexorable and distressing "Croup" or "Croup" "A slight sore throat" is the heraldic remark of many when so-called. Yes "Only a cold" was the thoughtless expression of thousands whom death has marked for his prey.

Forward—Forward! should be the motto for you in the midst of all subject to Coughs, Colds, Catarrh, or Influenza. Words of advice should be heeded by all suffering from Asthma, Bronchitis, Consumption. Relief is within their reach; and, if neglected, fatal consequence ensue—a life of misery—a daily, hourly struggle for existence. A contest in which there can be but one victor—Death!

Does it not appeal the strongest mind to think of the result caused by neglect? Then why delay? What excuse can be offered, when timely warning is sounded in your ears? When the danger is pointed out, why not avoid it? Marsden's Pectoral Balm has been used with success in nearly million of cases, and is endorsed by the Medical Faculty as the most prompt and efficacious remedy that scientific research has discovered, to relieve and cure all cases of Coughs, Colds, Influenza, and Consumption. If the case is not beyond all hope. Even when the sufferer is in the last stages, he will find by using this preparation. One bottle will convince the most incredulous, that the merits of this preparation are by no means exaggerated; in fact—fall far short of the eulogies bestowed upon it by thousands who have been cured by its timely use. A guarantee accompanies each bottle, and if it fails to cure, every instance to refund the money, when this preparation fails to relieve.

Prepared by T. W. Marsden, 487 Broadway, New York. Price, 50 cents small bottle; \$1 large size. Marsden's Pure Cod Liver Oil. Marsden's Calisaya Tonic.

As an Alternative, surpasses any of the many fictitious preparations with which the country is flooded, under the cognomen of Sarsaparilla, Syrops, &c. It is composed of true Calisaya Bark in its most concentrated form, combined with drugs long and popularly known for their virtue in purifying the blood and clearing it from serous humors. Calisaya Bark has been long known to the medical profession, having been introduced by the Jesuits nearly two hundred years ago, since which time it has been steadily gaining in popularity, till it is now recognized as the most reliable tonic and febrifuge extant. Marsden's Calisaya Tonic will be found invaluable in all cases of Erysipelas, Erysipelas, Pimples, Salt Rheum, and Scrofulous Affections, neutralizing the effect of humor in the system, and eradicating all poison from the blood in convalescence from febrile or cutaneous diseases. This preparation can be used with beneficial effect, as it assists nature to recover from the debilitating causes incident to malaria or malarious fevers.

As an Invigorator in Loss of Appetite, Debility, Dropsy, or Night Sweats, it stands pre-eminent, imparting tone and vitality to the stomach, assisting the Digestive Organs to perform their functions, and imparting life and strength to the system. The favorable report of thousands who have been benefited by this preparation justifies us in offering to all a guarantee that the merits claimed for this medicine fall far short of its intrinsic worth to all sufferers from the above complaints. Prepared by T. W. Marsden, 487 Broadway, New York. Price \$1 per bottle.

WORDS ADDRESSED TO ALL When the system is relaxed by the oppressive heats of summer, it becomes more or less predisposed to absorb the poisons arising from the use and offal with which our cities abound. This is one of the prevailing causes of the disease which we are suffering to all this season of the year, viz: Diarrhoea, Dysentery, Cholera, and last, though not least, Lossness of the Bowels, which is a forerunner of these complaints, and ought, in every instance, to be checked. By neglecting the preliminary symptoms, the bowels become relaxed to a degree which often terminates in that fatal scourge, Cholera. The question naturally suggests itself, how can we prevent these diseases, and if suffering what to do? The grand preventive is cleanliness and pure air. The cure, Marsden's Comminative Syrup, a preparation composed of Gums and Barks indigenous to South America, where the formula has been adopted as being the most efficacious in all Disorders of the Bowels.

Marsden's Carminative Syrup never fails to relieve a cure-cure case of Diarrhoea, Dysentery, and Cholera. Prepared by T. W. Marsden, 487 Broadway, New York. Price, 50 cents small bottle; \$1 large size. Marsden's Pure Extract Ginger. MARSDEN'S VEGETABLE SANATIVE PILLS.

Are purely Vegetable, free from Mineral and Mercurial Preparation, and compounded with great care. They may be relied upon in all cases of Constipation, Bilious Disorders, Nervous or Sick Head ache, Gout or Rheumatism, Dyspepsia, D. o. p. and all Affections of the Liver, as the most prompt, safe, and reliable medicine known. They are active and mild, being particularly designed for the Bilious diseases of the Southern and Western States. When timely administered, they will be found efficacious in Bilious and Remittent Fevers, Fever and Ague, Costiveness, Colic, Worms, Pains in the bowels, Heartburn, Flatulence, Indigestion, Pain in the Head, Back, or Breast, and in all cases where a Cathartic is required. Their great excellence consists in this, that they are compounded from the concentrated virtues of the medicinal substances of which they are composed, consequently they have far greater potency, and far more remedial effect, than the same medicinal substances, whether mixed or administered singly. Prepared by T. W. Marsden, 487 Broadway, New York. Price 25 cents per box.
