

# THE SOCIAL WHIRL

Edited by Miss Elizabeth R. Thomas.

## ONLY ROSES.

To a garden full of posies,  
Cometh one to gather flowers,  
And he wanders through its bow-  
ers  
Toying with the wanton roses,  
Who, uprising from their beds,  
Hold on high their shameless  
heads  
With their pretty lips a-pouting  
Never doubting—never doubting  
That for Cytherean posies  
He would gather aught but roses!

In a nest of weeds and nettles,  
Lay a violet, half hidden,  
Hoping that his glance unbidden  
Yet might fall upon her petals,  
Though she lived alone, apart,  
Hope lay nestling at her breast,  
But alas! the cruel awakening  
Set her little heart a-breaking.  
For he gathered for his posies  
Only roses—only roses!  
—Sir W. S. Gilbert.

## My Corns Don't Hurt A Bit

Tired, Ailing, Swollen, Smelly, Sweaty Feet, Corns, Callouses and Bunions, TIZ Cures Right Off.

Say good-bye to your corns the very first time you use TIZ. You will never know you have a corn, bunion or callous, or sweaty, tired, swollen, aching feet any more. It's just wonderful the way the pain vanishes. Rub the corn—hammer it with your fist if you wish—no more pain after TIZ than if there had never been a blemish on your feet. Doesn't that sound good to you? Doesn't it? Then read this.

"The corns on either of my toes were as large as the tablets you made to cure them. To-day there is no sign of corns on either foot and no soreness. It's an up-to-date Godsend."—Sam. A. Hoover, Progress, N. C.

Just use TIZ. It's not like anything else for the purpose you ever heard of. It's the only foot remedy ever made which acts on the principal of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all drug-gists, 25 cents per box, or direct, if you wish, from Walter Luther Dodge & Co., Dodge Building, Chicago, Ill.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and dispels colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

Its wonderful popularity, however, has led unscrupulous dealers to offer imitations which act unsatisfactorily. Therefore, when buying, to get its beneficial effects, always note the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package of the genuine Syrup of Figs and Elixir of Senna.

For sale by all leading druggists. Price 50 cents per bottle.

## REFLECTION.

We are told, "Let not the sun go down on your wrath." This, of course, is best, but as it generally does I would add, Never act or write till it has done so. This rule has saved me from many an act of folly. It is wonderful what a different view we take of the same event a day after it has happened.
