**Laborers at Meeting, Elect
Temporary President and
Secretary.**

At a meeting of plasterers, carpenters, sheet metal workers, lathers, painters and hod carriers held yesterday afternoon at Labor Hall, it was voted to organize a Building Trades Council in Richmond and apply at once for a charter from the state organization.

Representatives of the building trades in Trades Council last Tuesday night formed a temporary organization for the council by electing Jefferson Cox temporary president and William Fahsling temporary secretary of

A BIG DELEGATION TO ATTEND RALLY

Between fifty and seventy-five Richmond and Wayne county Progressives will attend the big state rally to be held at Indianapolis tomorrow. A number will meet at the local Pennsylvania station at 8 o'clock tomorrow morning while others, principally party members living outside the city, will meet at the station at 10 o'clock to board the 10:20 train.

Among those who will attend the meeting from this city are County Treasurer Chalmers, Mayor-elect Robinson and City Chairman Brooks.

Several of the most active party leaders from various sections of the country will attend the rally and practically all of the state leaders will be in attendance.

TABERNACLE SITE SELECTED SUNDAY

Lots south of East Main street, between Fifteenth and Sixteenth streets, were chosen for the site of the tabernacle to be used during the Honeywell evangelistic campaign by the committee of 100 at the meeting yesterday afternoon. Other arrangements for the construction of the building were left with the building committee of which Richard Sedgewick is chairman.

Abandon Volunteer Labor.

Mr. Sedgewick said the tabernacle will be 200 by 110 feet, with a seating capacity of 5,000. It will be electrically lighted and heated by large stoves. The idea of having the building constructed by volunteer labor has been abandoned, said Mr. Sedgewick, because not enough could be secured to push the building to completion with sufficient rapidity. Work of removing the sheds which stand on the lots will begin some time next week.

The finance committee was instructed to raise \$5,000 with which to start the campaign.

Appoints Committees.
To handle the details that arose between sessions of the committee of 100, an executive committee was appointed to have headquarters at the American Friend office. The committee follows: S. E. Nicholson, chairman; D. S. Brown, E. M. Haas, Richard Sedgewick and Rev. T. I. Graham.

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers—Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain on part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irritable of passage or attended by a sensation of stinging, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

the organization. These officers will be retained until the charter is received.

Following the meeting, T. H. Flynn, the organizer of the American Federation of Labor, who has been doing organization work in the city, left for his home in Pittsburgh where he was called by illness in his family.

He will return for a meeting to be held next Sunday afternoon at which time an effort will be made to effect an organization of the teamsters of the city.
