HOW COMMON IS COMMON SENSE?

One of the philosophers has said that common sense is the most equally distributed of human qualities, because everyone thinks that he is equipped with a plentiful supply and never tries to gain any more.

However this may be—it's a mighty hard job to find anyone who will admit that they lack anything in this respect.

But—there are still some people who don't take advantage of opportunities to cut down on money and worry and inconvenience that are presented every day in the Palladium's Classified Section!

It's simply the part of common sense to become acquainted with this profitable and convenient service. In emergencies, when you want to buy or sell something in a hurry, find a place to live or a cook—or on the basis of supplying everyday wants—these alphabetically arranged ads will prove of great service. Read the Palladium Classified Section every day!

NOTICE TO BIDDERS ON SCHOOL HOUSE CONSTRUCTION
Notice is hereby given that Boston School Township, Wayne County, Indiana, by the Trustee and Advisory Board thereof, will receive sealed bids at the School House at the town of Boston, within said Township, County and State, June 12th, 1922, for the construction of a new grade school building and for the installation of a heating and ventilating system, including the cost of a plumbing and sewerage system and all under wiring, all for the purpose of building. All bids shall include all labor, materials and supplies necessary for the construction of the building, including that part of the work bid on and all strictly in accordance with the plans and specifications provided for, which have been properly accepted and approved and are now on file at the office of said School Township at said town of Boston.

Bidders will submit their bids as follows:
(1) For the construction of school building, contract.
(2) For the installation complete of heating and ventilating system.
(3) For the installation complete of plumbing and sewerage system.
(4) For the installation complete of electric wiring.
(5) For the construction of a whole, or any combination of contracts. The estimates on the cost of construction of said building and installations therefor, are approximately as follows: General Contract, \$12,000; Heating and Ventilating \$4,500; Plumbing and Sewerage \$3,200; Electric Wiring \$1,500.

All bids and proposals must be upon the form prescribed by the State Board of Accounts of Indiana, or the equivalent of such form, and accompanied by a certified check of \$1,000, or an amount equal to two percent of the bid. Each bid on the construction of the building, plumbing and sewerage or electric wiring, or any combination of contracts, shall be accompanied by certified check of \$1,000, or an amount equal to two percent of the bid, and the successful bidder will enter into contract with sufficient surety for the performance thereof. Checks of unsuccessful bidders will be returned to them when contracts are let.

The successful bidder or bidders will be required to enter into a written contract and execute a bond with sufficient surety to be approved by said trustee in an amount in the amount of the contract and conditioned for the faithful performance of the same.

Plans and specifications may be had for the individual use of bidders from the Architect, Wayne County, Richmond, Indiana, by making a deposit of \$10.00 for each set. One complete set of plans and specifications are on file with the Trustee.

That right is reserved to reject any and all bids, and all bids will be received on the condition that any contract entered into thereon will be subject to the sale of bonds of said School Township for the payment of any such contract.
