ENERGY

A man's energy should be expended in his work and not in worry. His every reward comes from earning, but no promotion comes from devotion to worries.

molds through the power of method. Thinking to a definite end most generally ends right. Activities guided by a clear mind and a strong will are

capable of producing unbelievably great results. It's the quality of the man back of the quantity of his energy that

Energy is evolved out of purpose and a man's mind

counts.

Copyright, 1922, by Basil L. Smith

An ounce of energy is worth a pound of hopes.
