## DON'T SAY 'LOST'— SAY 2834

Nothing is lost until after it's been advertised for in the Palladium's Lost and Found column.

After that, it's generally not reported among the missing.

We wouldn't be telling you this if it weren't for the unusual results that these little Lost ads are accomplishing all the time.

Quick returns, unexpected returns, returns in cases that the losers thought were hopeless—that's the sort of "everyday miracles" that are being performed through the Lost and Found column.

No wonder we say the word "Lost" doesn't mean as much as it used to!

Find out for yourself. Next time you lose something, don't worry. Put a Palladium ad on the case.

Call 2834!
