**POSTPONE MEETING.**  
The meeting of the Acme Social Club which was announced for yesterday was postponed until after the holiday.

**DON'T LET YOUR HAIR SPOIL YOUR GOOD LOOKS**

Take the right care of your hair, and instead of spoiling your good looks, it will improve them. You can't beautify your hair with barrettes, ribbons and such things. Knick-knacks make homely hair look even worse, because the contrast shows off its ugliness to greater effect.

If you want beautiful hair—soft, silky, lustrous and glossy—use Harmony Hair Beautifier, a dainty, liquid hair dressing. Use it also if you want your hair to go into place—in wavy, graceful fashion—more easily, and stay where you put it. It overcomes the unpleasant, oily odor with a delightful rose fragrance. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrate Harmony Perfumes and Toilet preparations are made.—Lion Store Pharmacy, Kaufmann & Wolf, Props., Hammond, Ind., and Central Pharmacy, W.
