DUNDEE IN FIGHT FOR REVENGE

Italian Johnny Gets Long-Sought Chance Tonight at Willie Jackson, Who Once Upon a Time Knocked Him Out.

A desperate little Italian in quest of revenge and using boxing gloves as weapons will wage warfare in a New York ring tonight with a hated enemy, Johnny Dundee is getting his long-sought return match with Willie Jackson. You all remember what Willie did to Johnny unexpectedly in a Philadelphia arena a few months ago. He stopped John in the very first round with a chin punch and got favorable mention in the big dailies of the country for the first time the next morning. Dundee has been begging for another battle ever since and on the strength of guaranteeing Jackson a nice piece of money finally has been accommodated. Jackson and Dundee both live in New York. When they went over to Philadelphia the morning of their first and last meeting Dundee was a 1 to 10 shot. Jackson expected a cuffing and Dundee was there to give him one. Johnny at that time was rated as good as Benny Leonard, the present boss of the lightweights, and was scrambling with Benny for a shot at Freddie Welsh in a long engagement. He had boxed Leonard three or four times with honors about even, according to most of the eastern critics.

CHIEF BENDER TO GET ANOTHER TRIAL

PHILADELPHIA, Pa., June 29.—Chief Bender, the veteran Indian pitcher, who was unconditionally released by the Philadelphia Nationals early in the season, is to be given another trial by Manager Moran. Bender accepted Moran's terms and will join the Phillies in Brooklyn today. Since his release Bender has been pitching for independent clubs.

NEW CHAMP SAYS HE CAN DO ANY WEIGHT

Ted Lewis, the English welterweight, who won the title from Jack Britton at Dayton recently, says that he is willing to make the lightweight poundage and try his hand at grabbing Bennie Leonard's new honors. Lewis is one of the few fighters who can enter the ring at almost any weight within his reach without losing his effectiveness and strength.

Callahan Soon to Lose Job as Pirate Manager

PITTSBURGH, Pa., June 29.—The talk of Hans Wagner for Jimmy Callahan's position as manager of the Pittsburgh team is newspaper talk as yet, although Barney Dreyfus is dissatisfied with Callahan's work. Hans said last night he wouldn't take the place if it were offered to him. Dreyfus declares the matter has not come to a head. He said there had been no talk between him and Callahan as to a change. The chances are there will be another manager soon as several local sporting editors are demanding Callahan's retirement.
