STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Dr. Edwards' Olive Tablets for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

Teeth Without Plates A SPECIALTY

My Crown and Bridge Work or Teeth Without Plates can not be made any better than I can make it for you. I'll guarantee it ten years.

When you feel cavities forming in the teeth you should consult a good dentist at once.

The usual way is to put it off for a more convenient time and that time never comes. Be prompt and business-like about your dental needs. Do not delay, for every week that slips by is only one more week of playing into the hands of the enemy Bacteria that destroys the teeth and gums.

I can positively extract your teeth without pain. IF I CAN'T, DON'T PAY ME. If you need plates I'll guarantee to fit you or no pay.

Remember this—I am making low prices for Honest Dentistry for a few months. After I get a little more established I will have to charge more for the same dental work, so take advantage of this and come in at once.
