**Here Is Picture Churches Have Chosen As That of the Typical American Girl**

Seeking a poster which correctly presented the typical American daughter in her present day attitude to the Church, the art directors of the Interchurch World Movement chose the painting of Denman Fink. This serene, calm-eyed, wholesome young woman was selected as the type of the daughters of America being reared under the influence of the Christian Church. Mr. Fink's painting shows her here pausing as though waiting for her parents to join in restoring the complete membership attendance of this place of worship, one of the objectives of the Interchurch World Movement in which the evangelical group of Protestant Churches has joined. The poster has been prepared for

Reads of Cincinnati, Ohio, on "Our Bishop in the Province." Then followed "Our Bishop in the Diocese" by the Rev. L. W. Rogers; "Our Bishop Among Us" by Mr. E. W. Gingrich, a vestryman of St. James, South Bend; "Our Bishop As a Friend" by the Rev. Chas. H. Young, of Chicago. The Hon. Stuart MacKibbin, chancellor of the diocese, and legal adviser of the Bishop, paid a loving and eloquent tribute to him. Bishop White, with much feeling and gratitude in his heart closed the events of the evening with a strong message and added this occasion had brought his whole family together again, the first time in ten years.

The anniversary service was held in St. James church Thursday morning. Bishop White was the celebrant and Bishop Leonard of Ohio, the special preacher. A splendid congregation was present to render with the Bishop their thanksgiving to Almighty God for all the blessings of the past twenty five years and for the remarkable progress made.

We think every article we put up for sale is A-No. 1 in quality. But, if for any reason it fails, we urge that you bring it at once to our attention. If it doesn't meet your standards, it won't meet ours. And incidentally it's a whopping big concern that backs the tires we sell, and both make good. That's why we sell Firestone.
