(4) On Columbia Avenue from center of Michigan Avenue north a distance of 750 feet, then north-easterly by curves to the south end of the inlet chamber to the siphon, a 67 1/2 feet of 108-inch internal diameter sewer, including five (5) concrete manholes, complete, sewer on (2) new catch basins complete. The removal of old sewer, the reconnection of branch sewers and the repaving of the roadway.

(5) One river crossing, consisting of two (2) lines of 48-inch cast iron pipe and concrete, including inlet and outlet chambers at each end of the same also manholes and covers, cast, etc., complete. On the city property from the north end of outlet chamber to river crossing to the south end of the receiving chamber at the sewage disposal station.

230 feet of 36-inch internal diameter sewer. All work done in the making of said described public improvement shall be in accordance with the terms and conditions of the Improvement Resolution as numbered and the detailed plans, profiles, drawings and specifications which are on file and may be seen in the office of said Board of Public Works of the city of Hammond, Indiana.

The bidders in submitting proposals to make said described public improvement must accompany each bid with a certified check in the sum of not less than \$8,000, as evidence of good faith in the successful bidder will execute within ten days from the acceptance of proposals, contracts and bonds satisfactory to said board to do the work of making said improvements.

A failure of the successful bidder to enter into such contracts and bonds within the time specified in the above will forfeit the check in the sum of money payable thereon to the city as accrued and liquidated damages for such failure.

The Board of Public Works reserves the right to reject any or all bids. A. J. SWANSON, JACOB WINKER, E. C. DIETRICH, Board of Public Works, May 12, 20.

Experiences Never Last. We are beginning to realize that all of our experiences during the day, all of our thoughts, emotions and mental attitudes, the multitude of little things which seem to make but a fleeting impression, are not in reality lost. Every day leaves its photographic records on the brain and these records are never erased or destroyed. They simply drop into the subconscious mind and are ever on call.—Orison Swift Warren in Chicago News.
