

LIVE NEWS FROM THE TWIN CITIES

AGENT FOR NEW BONDS

The government of Poland has appointed the First National bank of East Chicago as an agency for the sale of Polish Republic, 8 per cent gold bonds.

DOCTORS TO MEET

Physicians of East Chicago and Indiana Harbor will meet tonight in a regular meeting of the local medical society at the Elk's club rooms in East Chicago.

A NARROW ESCAPE

Vincent Grikswo, who lives at the corner of 18th street and Northcott avenue, East Chicago, narrowly escaped serious injury this morning when his bicycle slipped from under him and threw him in the path of a motor truck driven by William A. Dutton.

Dutton was driving east on Chicago avenue and as he reached the corner of Forsyth, the boy on the bicycle, riding on the wrong side of the street, rode directly in front of the truck.

The boy stopped quickly and in so doing caused the bicycle to slide from under him. He escaped with a slight cut on the leg, which he received from the pedal of the bicycle.

DESCRIBES REFINERIES

"Sinclair Properties," a publication supplementing the magazine of the Sinclair Oil and Refining company, describes the various properties owned by the company and discusses at some length the refinery at East Chicago.

According to the statement of the company the East Chicago plant is one of the most up-to-date and complete refineries in the country and is equipped with the newest and best machinery.

Great Lakes may be reached by boats of which the company has a large fleet and excellent rail facilities provide for shipments in all other directions.

Twin City News Notes

The Blue Bell will continue its work in the coming days. The benefit of those who are not familiar with the young ladies who comprise their social endeavors, it might be revealed that they are no other than the courteous telephone operators who take care of the daily calls from the Calumet Exchange. The appointed committee of the Blue Bell Club will work strenuously toward a most ideal evening of pleasure and will make the evening an informal one as possible.

The funeral of Mrs. Benjamin Pritchard which was announced to take place from the family residence of Robert Lippe, 421 Magoun ave., the parental home of the deceased and which is presently under quarantine, has been necessarily changed to the late residence, 437 Hickory st., at 1 o'clock promptly tomorrow, thence to the Good Shepherd Church in North Haring ave., where the religious rites will be conducted by the Rev. Thomas Hines, pastor of the church. The change has been made owing to the quarantine not being lifted in time to admit of the service. Friends of the family are kindly requested to make note of the change.

A dancing demonstration and an opera will be in progress this evening in the gymnasium room of the Riley school, under the supervision of Miss Funke who directs the phase of this work at the school, although the participants of this evening will be confined to private classes held throughout the winter. Those taking part will be grouped into the classes assigned them and a most entertaining evening is promised to those who desire to view it. The cast will appear in costume.

Mrs. Bert Clapper, a patient at the Mercy hospital in Gary where she underwent surgical treatment a few days ago, is not responding to treatment as readily as the family would desire. Her condition is quite critical before the surgery was resorted to may be one valid reason for her not rallying as rapidly as might be expected. It is to be hoped that more favorable reports will be coming from her bedside very soon.

The many and useful articles prepared by the domestic science classes of girls at the McKinley school and exhibited this week prior to their delivery into the hands of Miss Lindley, secretary of the Social Service League, for the distribution of needy cases, show a marked degree of usefulness that the efforts of the girls can be applied to and the painstaking care of their director, Miss Alice Williams. During war days the young girls worked at the articles most in demand then and performed many offices in the relief of work which would have fallen to the hands of their elders which were otherwise busily engaged. Now that war is over their attentions are directed to home wants and needs and have creditably earned the summer vacation that is ahead of them.

Another angle to be considered is the proficiency the girls are attaining as future housekeepers and homemakers. Twin City Council, Knights of Columbus, will meet regularly this coming Friday evening and transact business which requires a good attendance on the part of members.

Mrs. Robert Hacker of Grapesvine at

Would you sell your house for what it is insured for?

That's one way to determine whether your fire insurance is adequate. Most homes are under-insured, not because owners are carrying less protection than formerly, but because values have tremendously increased and additional insurance has not been written to cover the gain in value. Better have us reduce your risk by additional insurance in the old Hartford.

TIME TABLE. Hammond to 3rd Street and South. Table with columns for Depart, Arrive, Leave, and Depart.

is holding a luncheon for the members of the Sunshine Embroidery Club today.

Mrs. C. P. Holway, director of piano music at Indiana Harbor held a recital for her younger pupils at the home of Mrs. K. C. Atchison in Grapesvine and 135th st. The home was prettily arranged to admit the many who attended and lent their encouragement to the youthful performers in the progress of their work. The children

were all very prettily garbed for the affair. The annual social entertainment tendered the classes of Bible instruction at the First M. E. church in East Chicago, with Mrs. H. M. Clark, their instructor, took place last evening in the social rooms of the church with a splendid attendance and the usual good time enjoyed by all.

Every Woman

Be she working in factory, shop, office or at home, is often a sufferer from pains here or there, from worry, despondency, and frequently suffers from backache. Very often the trouble is in the organs essentially feminine. Worry, sleepless nights, headaches, pains, disorders, irregularities and weaknesses of a distinctly feminine character in a short time bring the dull eye, the "crow's feet," the haggard look, drooping shoulders and the faltering step.

LAFAYETTE, IND.—"Doctor Pierce's Favorite Prescription is truly a 'boon' for women. Last summer I just felt 'down and out,' was terribly pained at times and had very little energy to do my housework. My husband was quite concerned about me, and one day brought me a bottle of 'Favorite Prescription.' It is the finest medicine and tonic I have ever known. I would advise other women who suffer to at least give it a trial."

No Worry For These Folks

More people in this town are feeling easier over their valuables. That's because their possessions, like Liberty bonds, shares of stock, important receipts and insurance papers, are safe inside our strong, massive steel vault. Neither fire nor burglars can harm them there.

These people have rented safety deposit boxes at this bank. Their valuables are protected, and they are accessible to them.

You can keep your valuables as safe as your neighbor's. Three dollars rents a safety deposit box here for a whole year.
