U. S. "Ace of Aces" Now Honeymoon Plane Flyer

Captain "Eddie" Rickenbacker in JL6 All-metal Honeymoon Monoplane

CAPTAIN "EDDIE" RICKENBACKER, two years ago, was shooting down German air-planes and earning his title of America's "Ace of Aces."

This month he was still flying, but it was in a "honeymoon plane." The bride was an Omaha girl. The bridegroom, ex-army aviator, was a friend of America's premier war flyer. "Eddie" was in New York. So was a JL6 all-metal monoplane.

Its limousine cabin, seating four and upholstered in mouse-colored corduroy with gold-fitted vanity case and clock; cut glass flower vases and damask curtains seemed

to fit it for a veritable honeymoon cruise near to the moon and stars in cloudland's elysium of bliss.

"Fine," said Rickenbacker after a test flight, "the plane is a peach. Riding in it is just like riding in an automobile."

The Omaha trip was made at 125 miles an hour. It was of the JL6, tested for a week at Bolling Field and ridden in by Generals Menoher and Mitchell, that army aviation experts said: "The all-metal monoplane will revolutionize aircraft." They see in it possibilities of speeding up utilization of flying machines for commercial purposes, as well as an excellent weapon of war.

Dempsey Visits Chicago; Back to Benton Harbor

Jack Dempsey, heavyweight champion, arrived in Chicago yesterday afternoon and remained only a few minutes. He was accompanied by Floyd

Fitzsimmons and Doc Morris. He left on the 1:10 train for Benton Harbor, where, according to the champion, he will take a short rest and start training for his match on Labor Day. Negotiations for Dempsey's opponents have been completed, but Fitzsimmons expects to select a legitimate

heavyweight for Jack in the next few days. His condition appears excellent.

PAL MOORE DEFEATS WALLACE AT TOLEDO

Church Wiggins won the decision over Gusboat Smith in ten rounds at Grand Rapids, 25th.

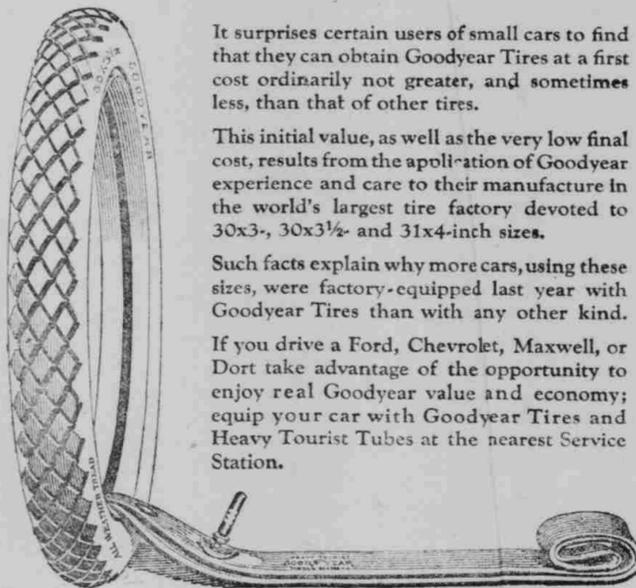

TOLEDO, O., July 14.—Pal Moore of Memphis made Pasty Wallace of Philadelphia look like a novice boxer last night in their twelve round affair at the Coliseum. It was Moore by big odds in eleven of the twelve seasons.

In the eleventh, the newspaper men at the ringside gave Wallace an even break. Moore was in and out on top and under, boxing, side stepping, slip-

ping and feinting. He had Wallace swinging like a gate.

The boxers weighed in at 115 pounds. At no time was there any danger of Wallace getting close enough to the Memphis flash to shoot home a punch that would cause the southerner any difficulty.

Ride on Goodyear Tires in That Sturdy Small Car of Yours

It surprises certain users of small cars to find that they can obtain Goodyear Tires at a first cost ordinarily not greater, and sometimes less, than that of other tires.

This initial value, as well as the very low final cost, results from the application of Goodyear experience and care to their manufacture in the world's largest tire factory devoted to 30x3-, 30x3½- and 31x4-inch sizes.

Such facts explain why more cars, using these sizes, were factory-equipped last year with Goodyear Tires than with any other kind.

If you drive a Ford, Chevrolet, Maxwell, or Dort take advantage of the opportunity to enjoy real Goodyear value and economy; equip your car with Goodyear Tires and Heavy Tourist Tubes at the nearest Service Station.

30 x 3 1/4 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly castings when such sure protection is available? 30 x 3 1/2 size \$4.50 in waterproof bag

GOODYEAR

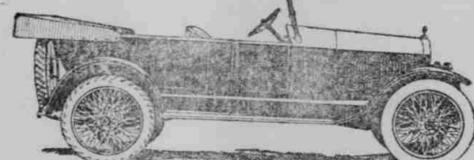

The CROW-ELKHART SEDAN affords the ownership of a luxurious closed car at a reasonable purchase price and moderate maintenance cost. Like every other Crow-Elkhart model it is distinguished by its beauty of design, richness of appointments, and powerful character of performance.

We cordially invite your inspection. Arrange today for a demonstration
