Poor Woman Makes Sacrifice

"For years I have doctored for indigestion and severe bloating with gas, all my money had gone for doctors and medicine which did me no good. I had lost all faith in medicines and as I have to work hard for the few dollars I earn, was afraid to risk any more money. A year ago my neighbor told me to try Mayr's Wonderful Remedy. I have found it to be the best medicine in the world and am glad I made the sacrifice." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. All Druggists.—Adv.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost every one knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago, the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, glossy and attractive.—Adv.
