185 times no difference

The singer: Miss Betsy Lane Shepherd, famous soprano.

The test: A direct comparison between her voice and its RE-CREATION by New Edison.

The Jury: 185 public audiences, aggregating over 100,000 people.

The verdict (unanimous): No difference!

Let us show you The NEW EDISON that made this phenomenal record of realism

Come in and tell us which voice or instruments "get" you most quickly. We'll give you the "personal favorites" Realism Test. This test will show you what the New Edison's perfect realism does, how it brings the keener, finer, subtler joys in music.
