

EDWARD C. MINAS CO.

Only thirteen more shopping days until Christmas. No time to be lost now, with so many people to remember and so many things to buy. Christmas Day will not be happy if we have to think of friends whom we have neglected or overlooked in the rush of preparation. Your friend will not think so much of the value of the thing you buy as the value of your thoughtfulness in sending a remembrance—and they'll be so grateful. You won't forget your own little ones, of course, but there are other little ones to whom you may give a great deal of joy for very small cost—and they'll be so grateful. Still plenty of time to buy everything. Still plenty of variety to choose from. But it is too late to procrastinate. How many problems may we help you to settle?
