A Word to the Wise

"In March I was called to the bedside of my sister in Brewton, Alabama. She was given up to die and was almost dead. Talked in a whisper. Doctors said nothing but an operation would save her and she was too weak to that. Her color was yellow as a pumpkin and she was filled with gas. That day I heard of Myer's Wonderful Remedy and went and got a bottle for her. In three weeks she was able to me about and walked a mile to church. I am praising your medicine to everyone. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Summers Pharmacy and druggists everywhere—Adv.
